

Effective August 1, 2015, the board instituted a quality assurance review of the California Practice Standards and Jurisprudence Examination for Pharmacists (CPJE). This means that there will be a delay in the release of all CPJE examination scores. This process is done periodically to ensure the reliability of the examination. The board will release scores as soon as possible. Based on historical patterns, the board anticipates results being released approximately October 31, 2015. The board encourages all qualified applicants to continue to schedule and take the CPJE exam. The greater the number of applicants who take the exam during this review period, the sooner results can be released.
