

Routine Release of Examination Results

The Board strives to release examination results received by PSI for the California Pharmacist Jurisprudence Exam (CPJE) and the National Association of Boards of Pharmacy (NABP) for the American Pharmacist Licensure Examination (NAPLEX) within 30 days from examination administration and will release them earlier when possible.

The Board will only provide examination results by mail to the candidate at the address of record the Board has on file.

If it has been over 45 days since you sat for the examination(s), please email the Board at intern-examstatus@dca.ca.gov to request a status by identifying the examination (CPJE or NAPLEX) along with the examination administration date. The Board will not check on the status of your examination results unless it has been over 45 days from the date you sat for the examination(s).
