

Internet Pharmacies and You

Buying prescription medicine online can be dangerous. Our findings may alarm you.

Are You AWARxE?

- NABP® has **reviewed** more than **10,000 Web sites** selling prescription drugs. By some estimates, as much as **90%** of the medication bought online may be fake.
- **Only 3%** of these sites appear to be **in compliance** with state and federal laws and NABP patient safety and pharmacy practice standards.
- The other **97%** of these sites are considered **rogue sites** and are listed as **Not Recommended** on the AWARxE® Web site, www.AWARERX.ORG.

For Your Protection, Look for the VIPPS Seal

- As seen on *60 Minutes*, *Dr Oz*, and *The Doctors*, look for sites accredited through the **VIPPS®** program. These sites are listed as **Recommended** at AWARERX.ORG.
- And don't forget about your **pets**. Protect them by looking for the **Vet-VIPPS®** Seal when purchasing their medications online.

AWARxE is a consumer protection program provided by the National Association of Boards of Pharmacy Foundation®. For more information, please visit www.AWARERX.ORG. NABP is an impartial professional organization that supports the state boards of pharmacy in creating uniform regulations to protect public health.

Does a Drug Dealer Lurk in Your Medicine Cabinet?

Proper Drug Disposal Protects
Your Loved Ones from Misuse

FACT: *Three in five teens say prescription pain relievers are easy to get from a parent's medicine cabinet, and more than 50% of people who abused prescription drugs in 2009 and 2010 got them from friends or family for free.*

Additional facts and resources about prescription drug abuse trends, safe medication use, and medication disposal are available on the AWA_Rx_E Web site.

- The next Drug Enforcement Administration (DEA) National Prescription Drug Take-Back Day will take place Saturday, October 26, 2013. More information is available at www.AWARERX.ORG.
- DEA drug take-back events, coordinated with local law enforcement agencies across the country, provide a safe means for the disposal of unwanted, unused prescription medications – including controlled substances – for authorized disposal. DEA plans to provide an online drug collection site locator prior to the event.
- Consumers disposed of 2.8 million pounds (1,409 tons) of unwanted medication during the first six DEA National Prescription Drug Take-Back Days and the sixth DEA take-back event on April 27, 2013, saw participation from 5,829 partners that provided take-back sites across all 50 states and the United States territories.
