**PETITION TO REVOKE
PROBATION**

18 Pharmacist License No. RPH 36032

19
20 Respondent.

21 Complainant alleges:

22 PARTIES

23 1. Virginia K. Herold (Complainant) brings this Petition to Revoke Probation
24 solely in her official capacity as the Executive Officer of the Board of Pharmacy.

25 2. On or about December 12, 1980, the Board of Pharmacy issued Pharmacist
26 License Number RPH 36032 to Melanie Hickey (Respondent). The pharmacist license was
27 suspended on January 2, 2008. The license expired on December 31, 2008, and has not been
28 renewed.

1 STATUTES

2 3. This Accusation and Petition to Revoke Probation is brought before the
3 Board of Pharmacy, under the authority of the following laws. All section references are to the
4 Business and Professions Code unless otherwise indicated.

5 4. Section 4300 of the Code states:

6 (a) Every license issued may be suspended or revoked.

7 (b) The board shall discipline the holder of any license issued by the board, whose
8 default has been entered or whose case has been heard by the board and found guilty, by
any of the following methods:

9 (1) Suspending judgment.

10 (2) Placing him or her upon probation.

11 (3) Suspending his or her right to practice for a period not exceeding one year.

12 (4) Revoking his or her license.

13 (5) Taking any other action in relation to disciplining him or her as the
14 board in its discretion may deem proper.

15 (d) The board may initiate disciplinary proceedings to revoke or suspend
16 any probationary certificate of licensure for any violation of the terms and
17 conditions of probation. Upon satisfactory completion of probation, the board
shall convert the probationary certificate to a regular certificate, free of conditions.

18 5. Section 118, subdivision (b), of the Code provides that the suspension,
19 expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to
20 proceed with a disciplinary action during the period within which the license may be renewed,
21 restored, reissued or reinstated.

22 FACTS

23 6. In a disciplinary action entitled *In the Matter of the Accusation*
24 *Against Melanie Hickey*, Accusation Case No. 2813, before the Board of Pharmacy,
25 Respondent entered into a Stipulated Settlement whereby she admitted all allegations contained
26 in Accusation No. 2813. Respondent agreed to comply with the Board's final decision in the
27 matter. The Board's final decision adopted the Stipulated Settlement, effective January 16, 2006.
28 Accordingly, Respondent's pharmacist license was revoked. However, the revocation was stayed

1 and Respondent was placed on probation for a period of five (5) years with certain terms and
2 conditions. A copy of that decision is attached as Exhibit A and is incorporated herein by
3 reference.

4 7. On or about January 12, 2006, Respondent met with a Board
5 representative and received a full explanation and opportunity to discuss all of the terms and
6 conditions of her probation. At the conclusion of the meeting, Respondent signed a declaration
7 stating that she thoroughly understood the terms and conditions of her probation and that failure
8 to comply may result in further disciplinary action.

9 8. Since October 2007, Respondent has failed to comply with several terms
10 and conditions of her probation, as described in detail below.

11 9. On or about October 19, 2007, Respondent sent a letter to the Board
12 requesting that the Board inactivate her pharmacist license. Respondent enclosed her pharmacist
13 license inside said letter.

14 10. On or about December 19, 2007, the Board sent a letter to Respondent
15 advising her that the Board could not inactivate her pharmacist license because her probation
16 condition No. 11 specifically required Respondent to maintain an active license throughout the
17 term of her probation. The Board enclosed Respondent's pharmacist license inside said letter to
18 Respondent.

19 11. On or about January 2, 2008, Respondent was terminated from the
20 Pharmacist Recovery Program (PRP) for non-compliance, as described in detail below.

21 12. Respondent's termination from the PRP caused her license to be
22 immediately suspended, effective on or about January 15, 2008, when the Board provided notice
23 to Respondent of said suspension, and pursuant to her probation condition No. 15, as described
24 in detail below.

27 ///

28 ///

1 FIRST CAUSE TO REVOKE PROBATION

2 (Failure to Submit Quarterly Reports)

3 13. At all times after the effective date of Respondent's probation, Condition
4 No. 3 stated:

5 **Reporting to the Board.** Respondent shall report to the Board quarterly. The
6 report shall be made either in person or in writing, as directed. Respondent shall
7 state under penalty of perjury whether there has been compliance with all the
8 terms and conditions of probation. If the final probation report is **not** made as
9 directed, probation shall be extended automatically until such time as the final
10 report is made and accepted by the Board.

11 14. Respondent's probation is subject to revocation because she failed to
12 comply with Probation Condition 3, referenced above, in that she failed to submit Quarterly
13 Report(s) that were due on each of the following dates: January 10, 2008;
14 April 10, 2008; July 10, 2008; October 10, 2008; and January 10, 2009.

15 SECOND CAUSE TO REVOKE PROBATION

16 (Failure to Submit Cost Recovery Payments)

17 15. At all times after the effective date of Respondent's probation, Condition
18 No. 9 stated:

19 **Reimbursement of Board Costs.** Respondent shall pay to the Board its costs of
20 investigation and prosecution in the amount of \$8,030.75.

21 Respondent shall said payments as follows: quarterly payments of \$401.50 for the
22 five-year term of probation.

23 The filing of bankruptcy by respondent shall not relieve respondent of her
24 responsibility to reimburse the Board its costs of investigation and prosecution.

25 16. Respondent's probation is subject to revocation because she failed to
26 comply with Probation Condition 9, referenced above, in that she has failed to make any cost
27 recovery payments, quarterly or otherwise, since October 2007, and through the present date.

28 ///

///

///

///

1 **THIRD CAUSE TO REVOKE PROBATION**

2 (Failure to Comply with Pharmacist Recovery Program)

3 17. At all times after the effective date of Respondent's probation, Condition
4 No. 15 stated:

5 **Rehabilitation Program - Pharmacists Recovery Program (PRP).**

6 Within 30 days of the effective date of this decision, Respondent shall contact the
7 Pharmacists Recovery Program for evaluation and shall successfully participate in
8 and complete the treatment contract and any subsequent addendums as
9 recommended and provided by the PRP and as approved by the Board. The costs
10 for PRP participation shall be borne by the Respondent.

11 If Respondent is currently enrolled in the PRP, said participation is now
12 mandatory and is no longer considered a self-referral under Business and
13 Professions Code section 4363, as of the effective date of this decision.
14 Respondent shall successfully participate in and complete his current contract and
15 any subsequent addendums with the PRP. Probation shall be automatically
16 extended until Respondent successfully completes his treatment contract. Any
17 person terminated from the program shall be automatically suspended upon notice
18 by the Board. Respondent may not resume the practice of pharmacy until notified
19 by the Board in writing. The Board shall retain jurisdiction to institute action to
20 terminate probation for any violation of this term.

21 18. Respondent enrolled and participated in the Pharmacist in Recovery
22 Program ("PRP") until October 2006. In October 2006, Respondent began failing to comply
23 with the terms and condition of her participation in PRP, which she had previously agreed to
24 follow. Specifically, Respondent repeatedly failed to make required contacts with a PRP
25 representative. During October and November 2007, PRP representative(s) made numerous
26 unsuccessful attempts, by voice-mail and first-class mail, to contact Respondent and receive
27 current contact information for her. Respondent's last contact with a PRP representative was a
28 voice-mail from her in or about December 2007, wherein Respondent failed to provide any
contact information. On or about January 2, 2008, Respondent was terminated from the PRP due
to her non-compliance, described above.

21 1. **Mental Health Examination**

22 Within thirty (30) days of the effective date of this Decision, and on a periodic

9 notified by the Board.

10 Commencing on the effective date of the Decision in this matter, respondent shall
11 not engage in the practice of pharmacy until notified in writing by the Board or its designee that

6 9. Reimbursement of Board Costs

7 Respondent shall pay to the Board its costs of investigation and prosecution in the
8 amount of \$8,030.75.

9 Respondent shall make said payments as follows: quarterly payments of \$401.50
10 for the five-year term of probation.

11 The filing of bankruptcy by respondent shall not relieve respondent of her
12 responsibility to reimburse the Board its costs of investigation and prosecution.

13 10. Probation Monitoring Costs

14 Respondent shall pay the costs associated with probation monitoring as
15 determined by the Board each and every year of probation. Such costs shall be payable to the
16 Board at the end of each year of probation. Failure to pay such costs shall be considered a
17 violation of probation.

18 11. Status of License

19 Respondent shall, at all times while on probation, maintain an active current
20 license with the Board, including any period during which suspension or probation is tolled.

21 If respondent's license expires or is canceled by operation of law or otherwise,
22 upon renewal or reapplication, respondent's license shall be subject to all terms of this probation
23 not previously satisfied.

24 12. License Surrender while on Probation/Suspension

25 Following the effective date of this Decision, should respondent cease practice
26 due to retirement or health, or be otherwise unable to satisfy the terms and conditions of
27 probation, respondent may tender her license to the Board for surrender. The Board shall have
28 the discretion whether to grant the request for surrender or take any other action it deems

1 appropriate and reasonable. Upon formal acceptance of the surrender of license, respondent will
2 no longer be subject to the terms and conditions of probation.

3 Upon acceptance of the surrender, respondent shall relinquish her pocket license
4 to the Board with ten (10) days of notification by the Board that the surrender is accepted.
5 Respondent may not reapply for any license from the Board for three (3) years from the effective
6 date of the surrender. Respondent shall meet all requirements applicable to the license sought as
7 of the date the application for that license is submitted to the Board.

8 **13. Notification of Employment/Mailing Address Change**

13 **14. Tolling of Probation**

14 Should respondent, regardless of residency, for any reason cease practicing
15 pharmacy for a minimum of 80 hours per calendar month in California, respondent must notify
16 the Board in writing within ten (10) days of cessation of the practice of pharmacy or the
17 resumption of the practice of pharmacy. Such periods of time shall not apply to the reduction of
18 the probation period. It is a violation of probation for respondent's probation to remain tolled
19 pursuant to the provisions of this condition for a period exceeding three (3) years.

20 "Cessation of practice" means any period of time exceeding thirty (30) days in
21 which respondent is not engaged in the practice of pharmacy as defined in section 4052 of the
22 Business and Professions Code.

23 **15. Rehabilitation Program - Pharmacist Recovery Program**

24 Within 30 days of the effective date of this decision, respondent shall contact the
25 Pharmacists Recovery Program (PRP) for evaluation and shall successfully participate in and
26 complete the treatment contract and any subsequent addendums as recommended and provided
27 by the PRP and as approved by the Board. The Pharmacist Recovery Program will review and
28 consider quarterly reports from respondent's treating providers, upon submission of such reports

1 by her providers. The costs for PRP participation shall be borne by the respondent.

2 If respondent is currently enrolled in the PRP, or was previously enrolled in the
3 PRP, said participation is now mandatory and is no longer considered a self-referral under
4 Business and Professions Code section 4363, as of the effective date of this decision.

5 Respondent shall successfully participate in and complete her current contract and any
6 subsequent addendums with the PRP. Probation shall be automatically extended until respondent
7 successfully completes her treatment contract. Any person terminated from the program shall be
8 automatically suspended upon notice by the Board. Respondent may not resume the practice of
9 pharmacy until notified by the Board in writing. The Board shall retain jurisdiction to institute
10 action to terminate probation for any violation of this term.

11 16. Random Drug Screening

12 Respondent, at her own expense, shall participate in random testing, including but
13 not limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or a drug
14 screening program approved by the Board. The length of time shall be for the entire probation
15 period and the frequency of testing will be determined by the Board. At all times respondent
16 shall fully cooperate with the Board, and shall, when directed, submit to such tests and samples
17 for the detection of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances.
18 Failure to submit to testing as directed shall constitute a violation of probation. Any confirmed
19 positive drug test shall result in the immediate suspension of practice by respondent. Respondent
20 may not resume the practice of pharmacy until notified by the Board in writing.

21 17. Abstain From Drugs and Alcohol Use

22 Respondent shall abstain completely from the possession or use of alcohol,
23 controlled substances, dangerous drugs and their associated paraphernalia except when the drugs
24 are lawfully prescribed by a licensed practitioner as part of a documented medical treatment.
25 Upon request of the Board, respondent shall provide documentation from the licensed
26 practitioner that the prescription was legitimately issued and is a necessary part of the treatment
27 of the respondent.

18. Violation of Probation

If respondent violates probation in any respect, the Board, after giving respondent notice and an opportunity to be heard, may revoke probation and carry out the disciplinary order which was stayed. If a petition to revoke probation or an accusation is filed against respondent during probation, the Board shall have continuing jurisdiction, and the period of probation shall be extended, until the petition to revoke probation is heard and decided.

If a respondent has not complied with any term or condition of probation, the Board shall have continuing jurisdiction over respondent, and probation shall automatically be extended until all terms and conditions have been met or the Board has taken other action as deemed appropriate to treat the failure to comply as a violation of probation, to terminate probation, and to impose the penalty which was stayed.

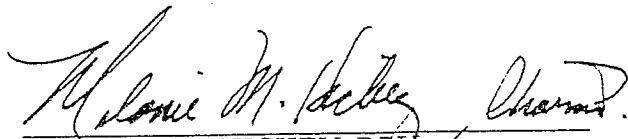

19. Completion of Probation

Upon successful completion of probation, respondent's license will be fully restored.

I have carefully read and considered the above Stipulated and Disciplinary Order. I understand the effect this Stipulation will have on my pharmacist license.
