3. This Accusation is brought before the Board of Pharmacy (Board), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 4300 of the Code states, in pertinent part:
(a) Every license issued may be suspended or revoked.

(b) The board shall discipline the holder of any license issued by the board, whose default has been entered or whose case has been heard by the board and found guilty, by any of the following methods:

- 1. Suspending judgment.
- 2. Placing him or her upon probation.
- 3. Suspending his or her right to practice for a period not exceeding one year.
- 4. Revoking his or her license.
- 5. Taking any other action in relation to disciplining him or her as the board in its discretion may deem proper.

....

(e) The proceedings under this article shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of the Government Code, and the board shall have all the powers granted therein. The action shall be final, except that the propriety of the action is subject to review by the superior court pursuant to Section 1094.5 of the Code of Civil Procedure.

5. Section 4301 of the Code states, in pertinent part:

The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

....

(g) Knowingly making or signing any certificate or other document that falsely represents the existence or nonexistence of a state of facts.

(h) The administering to oneself, of any controlled substance, or the use of any dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to oneself, to a person holding a license under this chapter, or to any other person or to the public, or to the extent that the use impairs the ability of the person to conduct with safety to the public the practice authorized by the license.

....

(k) The conviction of more than one misdemeanor or any felony involving the use, consumption, or self-administration of any dangerous drug or alcoholic beverage, or any combination of those substances.

1 (l) The conviction of a crime substantially related to the qualifications,
2 functions, and duties of a licensee under this chapter. The record of conviction
3 of a violation of Chapter 13 (commencing with Section 801) of Title 21 of the
4 United States Code regulating controlled substances or of a violation of the
5 statutes of this state regulating controlled substances or dangerous drugs shall
6 be conclusive evidence of unprofessional conduct. In all other cases, the record
7 of conviction shall be conclusive evidence only of the fact that the conviction
8 occurred. The board may inquire into the circumstances surrounding the
9 commission of the crime, in order to fix the degree of discipline or, in the case
10 of a conviction not involving controlled substances or dangerous drugs, to
11 determine if the conviction is of an offense substantially related to the
12 qualifications, functions, and duties of a licensee under this chapter. A plea or
13 verdict of guilty or a conviction following a plea of nolo contendere is deemed
14 to be a conviction within the meaning of this provision. The board may take
15 action when the time for appeal has elapsed, or the judgment of conviction has
16 been affirmed on appeal or when an order granting probation is made
17 suspending the imposition of sentence, irrespective of a subsequent order under
18 Section 1203.4 of the Penal Code allowing the person to withdraw his or her
19 plea of guilty and to enter a plea of not guilty, or setting aside the verdict of
20 guilty, or dismissing the accusation, information, or indictment.

21

22 COST RECOVERY

23 6. Section 125.3 of the Code states, in pertinent part, that the Board may request the
24 administrative law judge to direct a licensee found to have committed a violation or violations of
25 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
26 enforcement of the case.
