2 4. Section 118 , subdivision (b) provides, in pertinent part that the expiration of a license
3 shall not deprive the Board jurisdiction to proceed with a disciplinary action during the period
4 within which the license may be renewed, restored, reissued or reinstated.

5 5. Section 490 states, in pertinent part:

6 "(a) In addition to any other action that a board is permitted to take against a licensee, a
7 board may suspend or revoke a license on the ground that the licensee has been convicted of a
8 crime, if the crime is substantially related to the qualifications, functions, or duties of the business
9 or profession for which the license was issued.

10 "(b) Notwithstanding any other provision of law, a board may exercise any authority to
11 discipline a licensee for conviction of a crime that is independent of the authority granted under
12 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties
13 of the business or profession for which the licensee's license was issued.

14 "(c) A conviction within the meaning of this section means a plea or verdict of guilty or a
15 conviction following a plea of nolo contendere. Any action that a board is permitted to take

19 (commencing with Section 801) of Title 21 of the United States Code regulating controlled
20 substances or of a violation of the statutes of this state regulating controlled substances or
21 dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the
22 record of conviction shall be conclusive evidence only of the fact that the conviction occurred.
23 The board may inquire into the circumstances surrounding the commission of the crime, in order

16 Jail, placed him on three years formal probation, and ordered him to pay restitution to the victim
17 hospital, with other terms and conditions. The circumstances surrounding the conviction are as
18 follows:

19 13. On or about January 12, 2011, while employed as a pharmacy technician at the
20 hospital, Respondent was observed by an Administrative Support Services Officer, via the
21 surveillance camera, going into the pharmacy stock room and removing two prescription bottles.
22 He was then observed manipulating the bottles, and he appeared to be removing the labels.
23 Respondent took the prescription bottles into the restroom, walked out of the restroom with no
24 medication in hand, and exited the hospital to a public street. Witnesses followed him out of the
25 hospital, stopped him, and asked if he would return to the hospital with them. While they were
26 escorting him back, one of the persons heard a rattling sound coming from Respondent's leg or
27 foot area. Once they were back at the hospital, he was asked to empty his pockets, and he
28 removed a few coins and a pen. They also asked him to lift up his pants from around his ankles,

1 where he was found to have concealed two prescription medication bottles in the sock of his left
2 outer ankle area. One of the bottles contained 400 milligrams of Gleevec and the other 450
3 milligrams of Valcyte. The hospital had an ongoing theft investigation for prior missing
4 prescription medication. Respondent was subsequently arrested by officers of the Los Angeles

7 drink." The officers went to Respondent's wife's parents' house, where they found Respondent's
8 wife, and interviewed her about the incident. They found her to be evasive and she denied that
9 her husband had hit her. Both Respondent and his wife admitted to the officers that they had had
10 "a little argument". The officers reviewed text messages on Respondent's cell phone, on or about
11 which contained, among other text messages, a text message from his wife to Respondent which
