1 **FIRST CAUSE TO REVOKE PROBATION**

2 **(Report to the Board)**

3 7. At all times after the effective date of Respondent's probation, Condition 3 stated:

4 Respondent shall report to the Board quarterly, on a schedule as directed by the
5 Board or its designee. The report shall be made either in person or in writing, as
6 directed. Among other requirements, Respondent shall state in each report under
7 penalty of perjury whether there has been compliance with all the terms and
8 conditions of probation. Failure to submit timely reports in a form as directed shall
be considered a violation of probation. Any period(s) of delinquency in submission
of reports as directed may be added to the total period of probation. Moreover, if the
final probation report is not made as directed, probation shall be automatically
extended until such time as the final report is made and accepted by the Board.

9 8. Respondent's probation is subject to revocation because he failed to comply with
10 Probation Condition 3, referenced above in that Respondent did not file any quarterly reports.

11 **SECOND CAUSE TO REVOKE PROBATION**

12 **(Status of License)**

13 9. At all times after the effective date of Respondent's probation, Condition 8 stated:

14 Respondent shall, at all times while on probation, maintain an active, current
15 pharmacy technician license with the Board, including any period during which
16 suspension or probation is tolled. Failure to maintain an active, current license shall

17 If Respondent's pharmacy technician license expires or is cancelled by

24 **(Random Drug Screening)**

25 11. At all times after the effective date of Respondent's probation, Condition 14 stated:

26 Respondent, at his own expense, shall participate in random testing, including
27 but not limited to biological fluid testing (urine, blood), breathalyzer, hair follicle
28 testing, or other drug screening program as directed by the Board or its designee.
Respondent may be required to participate in testing for the entire probation period
and the frequency of testing will be determined by the Board or its designee. At all

1 times Respondent shall fully cooperate with the Board or its designee, and shall,
2 when directed, submit to such tests and samples for the detection of alcohol,
3 narcotics, hypnotics, dangerous drugs or other controlled substances as the Board or

11 medical treatment shall be considered a violation of probation and shall result in the
12 automatic suspension of work by Respondent. Respondent may not resume work as a
13 pharmacy technician until notified by the Board in writing.

8 During suspension, Respondent shall not enter any pharmacy area or any
9 portion of or any other Board licensed premises (wholesaler, veterinary food-animal

15 or control the ordering, manufacturing or dispensing of dangerous drugs and devices
16 or controlled substances. Respondent shall not resume work until notified by the
17 Board.

3 If Respondent works for or is employed by or through a pharmacy employment service,
4 Respondent must notify his direct supervisor, pharmacist-in-charge and owner at every pharmacy
5 of the terms and conditions of the decision in case number 4000 in advance of the Respondent
6 commencing work at each pharmacy. A record of this notification must be provided to the Board

13 its designee shall have the discretion whether to grant the request for surrender or take any other
14 action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the

16 surrender constitutes a record of discipline and shall become a part of the Respondent's license
17 history with the Board.

18 Upon acceptance of the surrender, Respondent shall relinquish his pharmacy technician
19 license to the Board within ten (10) days of notification by the Board that the surrender is
20 accepted. Respondent may not reapply for any license, permit, or registration from the Board for

24 Board or its designee, and shall, when directed, submit to such tests and samples for the detection
25 of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the Board or
26 its designee may direct. Failure to timely submit to testing as directed shall be considered a
27 violation of probation. Upon request of the Board or its designee, Respondent shall provide
28 documentation from a licensed practitioner that the prescription for a detected drug was

2 provide such documentation shall be considered a violation of probation. Any confirmed positive
3 test for alcohol or for any drug not lawfully prescribed by a licensed practitioner as part of a
4 documented medical treatment shall be considered a violation of probation and shall result in the
5 automatic suspension of work by Respondent. Respondent may not resume work as a pharmacy
6 technician until notified by the Board in writing.

7 During suspension, Respondent shall not enter any pharmacy area or any portion of or any
8 other Board licensed premises (wholesaler, veterinary food-animal drug retailer or any other
9 distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and
10 devices or controlled substances are maintained. Respondent shall not do any act involving drug
11 selection, selection of stock, manufacturing, compounding or dispensing; nor shall Respondent
12 manage, administer, or assist any licensee of the Board. Respondent shall not have access to or
13 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
14 substances. Respondent shall not resume work until notified by the Board.

15 Respondent shall not direct, control or perform any aspect of the practice of pharmacy.
16 Subject to the above restrictions, Respondent may continue to own or hold an interest in any
17 licensed premises in which he holds an interest at the time this decision becomes effective unless
18 otherwise specified in this order.

19 Failure to comply with this suspension shall be considered a violation of probation.

20 **15. Attend Substance Abuse Recovery Relapse Prevention and Support Groups**

21 Should Respondent test positive for alcohol, dangerous drugs or other controlled substances
22 during a random drug screening, Respondent shall begin regular attendance at a recognized and
23 established substance abuse recovery support group in California, (e.g., Alcoholics Anonymous,
24 Narcotics Anonymous, etc.) which has been approved by the Board or its designee. Respondent
25 must attend at least one group meeting per week unless otherwise directed by the Board or its
26 designee. Respondent shall continue regular attendance and submit signed and dated
27 documentation confirming attendance with each quarterly report for the duration of probation.
28 Failure to attend or submit documentation thereof shall be considered a violation of probation.

1 **16. Work Site Monitor**

2 Within ten (10) days of the effective date of this decision, Respondent shall identify a work
3 site monitor, for prior approval by the Board, who shall be responsible for supervising
4 Respondent during working hours. Respondent shall be responsible for ensuring that the work
5 site monitor reports in writing to the Board quarterly. Should the designated work site monitor
6 determine at any time during the probationary period that Respondent has not maintained
7 sobriety, he shall notify the Board immediately, either orally or in writing as directed. Should
8 Respondent change employment, a new work site monitor must be designated, for prior approval
9 by the Board, within ten (10) days of commencing new employment. Failure to identify an
10 acceptable initial or replacement work site monitor, or to ensure quarterly reports are submitted to
11 the Board, shall be considered a violation of probation.

12 **17. Notification of Departure**

13 Prior to leaving the probationary geographic area designated by the Board or its designee
14 for a period greater than twenty-four (24) hours, Respondent shall notify the Board verbally and
15 in writing of the dates of departure and return. Failure to comply with this provision shall be
16 considered a violation of probation.

17 **18. Tolling of Suspension**

18 During the period of suspension, Respondent shall not leave California for any period
19 exceeding ten (10) days, regardless of purpose (including vacation). Any such absence in excess
20 of ten (10) days during suspension shall be considered a violation of probation. Moreover, any
21 absence from California during the period of suspension exceeding ten (10) days shall toll the
22 suspension, i.e., the suspension shall be extended by one day for each day over ten (10) days
23 Respondent is absent from California. During any such period of tolling of suspension,
24 Respondent must nonetheless comply with all terms and conditions of probation.

25 Respondent must notify the Board in writing within ten (10) days of departure, and must
26 further notify the Board in writing within ten (10) days of return. The failure to provide such
27 notification(s) shall constitute a violation of probation. Upon such departure and return,
28 Respondent shall not return to work until notified by the Board that the period of suspension has

1 been satisfactorily completed.

2 **19. Community Services Program**

3 Within sixty (60) days of the effective date of this decision, Respondent shall submit to the
4 Board or its designee, for prior approval, a community service program in which Respondent
5 shall provide free health-care related services on a regular basis to a community or charitable
6 facility or agency for at least 25 hours per year for the first two years of probation. Within thirty
7 (30) days of Board approval thereof, Respondent shall submit documentation to the Board
8 demonstrating commencement of the community service program. A record of this notification
9 must be provided to the Board upon request. Respondent shall report on progress with the
10 community service program in the quarterly reports. Failure to timely submit, commence, or
11 comply with the program shall be considered a violation of probation.

12 **20. Violation of Probation**

13 If a Respondent has not complied with any term or condition of probation, the Board shall
14 have continuing jurisdiction over Respondent, and probation shall automatically be extended,
15 until all terms and conditions have been satisfied or the Board has taken other action as deemed
16 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
17 to impose the penalty that was stayed.

18 If Respondent violates probation in any respect, the Board, after giving Respondent notice
19 and an opportunity to be heard, may revoke probation and carry out the disciplinary order that
20 was stayed. Notice and opportunity to be heard are not required for those provisions stating that a
21 violation thereof may lead to automatic termination of the stay and/or revocation of the license. If
22 a petition to revoke probation or an accusation is filed against Respondent during probation, the
23 Board shall have continuing jurisdiction, and the period of probation shall be automatically
24 extended until the petition to revoke probation or accusation is heard and decided.

25 **21. Completion of Probation**

26 Upon written notice by the Board indicating successful completion of probation,
27 Respondent's pharmacy technician license will be fully restored.

6 refuse a license to any applicant guilty of unprofessional conduct.

7 5. Section 475 of the Code states:

8 (a) Notwithstanding any other provisions of this code, the provisions of this
9 division shall govern the denial of licenses on the grounds of:

10 (1) Knowingly making a false statement of material fact, or knowingly
omitting to state a material fact, in an application for a license.

11 (2) Conviction of a crime.

12 (3) Commission of any act involving dishonesty, fraud or deceit with the
13 intent to substantially benefit himself or another, or substantially injure another.

14 (4) Commission of any act which, if done by a licentiate of the business or

7. Section 482 of the Code states:

Each board under the provisions of this code shall develop criteria to evaluate the rehabilitation of a person when:

- (a) Considering the denial of a license by the board under Section 480; or
- (b) Considering suspension or revocation of a license under Section 490.

8. Section 4301 of the Code states:

The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

.....

(j) The violation of any of the statutes of this state, or any other state, or of the United States regulating controlled substances and dangerous drugs.

The record of conviction of a violation of Chapter 13 (commencing with Section 801) of Title 21 of the United States Code regulating controlled substances or of a violation of the statutes of this state regulating controlled substances or dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the record of conviction shall be conclusive evidence only of the fact that the conviction occurred. The board may inquire into the circumstances surrounding the commission of the crime, in order to fix the degree of discipline or, in the case of a conviction not involving controlled substances or dangerous drugs, to determine if the conviction is of an offense substantially related to the qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this provision. The board may take action when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. . . .

REGULATORY PROVISIONS

9. California Code of Regulations, title 16, section 1769 states:

20 **DRUG**

21 11. Marijuana is a Schedule I controlled substance as designated by Health and Safety
22 Code section 11054, subdivision (d)(13), and is a dangerous drug pursuant to Business &
23 Professions Code section 4022.

24 **FIRST CAUSE FOR DENIAL OF APPLICATION**

25 **(June 8, 2005 Criminal Conviction for Selling Marijuana)**

26 12. Respondent's application for registration as a pharmacy technician is subject to denial
27 under sections 480, subdivision (a)(1) of the Code in that Respondent was convicted of a crime
28 that is substantially related to the qualifications, duties, and functions of a pharmacy technician.

The circumstances are as follows:

a. On or about June 8, 2005, in a criminal proceeding entitled *People of the State of California vs. Jerrell Andre Scott*, in San Bernardino County Superior Court, case number FMB007390, Respondent was convicted on his plea of nolo contendere to violating Health and Safety Code section 11360, selling and/or furnishing marijuana, a felony.

1 b. As a result of the conviction, on or about July 20, 2005, Respondent was
2 sentenced to 120 days in the San Bernardino County Jail, with credit for three days, and he was
3 placed on 36 months supervised probation. Respondent was further ordered to comply with
4 standard felony probation terms, including random controlled substance tests, participation in a
5 counseling program, and submission to a Fourth Amendment waiver. On or about April 27,
6 2009, the court granted Respondent's motion to reduce the felony conviction to a misdemeanor
7 and probation was terminated. The court set aside the conviction and dismissed the case pursuant

11 (NCIS), which targeted military and civilian personnel who were selling illegal drugs to Navy and
12 Marine Corps personnel at Marine Air Ground Task Force Training Command at Twenty-Nine
13 Palms. Respondent admitted to NCIS agents that he sold marijuana on multiple occasions to a
14 sailor he knew as "Justin." The matter was turned over to the San Bernardino County Sheriff's
15 Department and Respondent was subsequently arrested and prosecuted.

20 of the Code in that he committed acts, that if done by a licensed pharmacy technician, would be
21 grounds for suspension or revocation of the license. The circumstances are as follows:

22 a. On or about June 8, 2005, as detailed in paragraph 12, above, Respondent was
23 convicted of a crime substantially related to the qualifications, functions, and duties of a licensed
24 pharmacy technician, which is a violation of section 4301, subdivision (l) of the Code for a
25 licensee.

26 b. On or about June 8, 2005, as detailed in paragraph 12, above, Respondent was
27 convicted of violating Health and Safety Code section 11360, a statute regulating controlled
