Case No. 4995

San Bernardino, CA 92407

ACCUSATION

14 **Pharmacist License No. RPH 64666**

15 Respondent.

16
17 Complainant alleges:

18 **PARTIES**

19 1. Virginia Herold (Complainant) brings this Accusation solely in her official capacity
20 as the Executive Officer of the Board of Pharmacy, Department of Consumer Affairs (Board).

21 2. On or about September 30, 2010, the Board of Pharmacy issued Pharmacist License
22 No. RPH 64666 to Ismael Castillo (Respondent). The Pharmacist License was in full force and
23 effect at all times relevant to the charges brought herein and expired November 30, 2015, and has
24 not been renewed.

25 **JURISDICTION**

26 3. This Accusation is brought before the Board, under the authority of the following
27 laws. All section references are to the Business and Professions Code unless otherwise indicated.

28 //

1 4. Section 4300 of the Code states, in pertinent part, that every license issued by the
2 Board is subject to discipline, including suspension or revocation.

3 5. Section 4301 of the Code states:

4 "The board shall take action against any holder of a license who is guilty of unprofessional
5 conduct or whose license has been procured by fraud or misrepresentation or issued by mistake.
6 Unprofessional conduct shall include, but is not limited to, any of the following:

7 "....

8 "(f) The commission of any act involving moral turpitude, dishonesty, fraud, deceit, or
9 corruption, whether the act is committed in the course of relations as a licensee or otherwise, and
10 whether the act is a felony or misdemeanor or not.

11

12 "(l) The conviction of a crime substantially related to the qualifications, functions, and
13 duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13
14 (commencing with Section 801) of Title 21 of the United States Code regulating controlled
15 substances or of a violation of the statutes of this state regulating controlled substances or
16 dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the
17 record of conviction shall be conclusive evidence only of the fact that the conviction occurred.
18 The board may inquire into the circumstances surrounding the commission of the crime, in order
19 to fix the degree of discipline or, in the case of a conviction not involving controlled substances
20 or dangerous drugs, to determine if the conviction is of an offense substantially related to the
21 qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or
22 a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning
23 of this provision. The board may take action when the time for appeal has elapsed, or the
24 judgment of conviction has been affirmed on appeal or when an order granting probation is made
25 suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of
26 the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not
27 guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or
28 indictment.

6. Section 118 of the Code states:

“....

“(b) The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the licensee on any such ground.

“(c) As used in this section, 'board' includes an individual who is authorized by any provision of this code to issue, suspend, or revoke a license, and 'license' includes 'certificate,' 'registration,' and 'permit.'”

7. Section 490 of the Code states:

“(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

“(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

“(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.

8. Section 493 of the Code states:

"Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

"As used in this section, 'license' includes 'certificate,' 'permit,' 'authority,' and 'registration.'"

REGULATORY PROVISIONS

9. California Code of Regulations, title 16, section 1770, states, in pertinent part:

"For the purpose of denial, suspension, or revocation of a personal or facility license pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a crime or act shall be considered substantially related to the qualifications, functions or duties of a licensee or registrant if to a substantial degree it evidences present or potential unfitness of a licensee or registrant to perform the functions authorized by his license or registration in a manner consistent with the public health, safety, or welfare."

COST RECOVERY

10. Section 125.3 of the Code provides, in pertinent part, that the Board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case, with failure of the licentiate to comply subjecting the license to not being renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be included in a stipulated settlement.
