JURISDICTION

1  
2           3.     This Accusation is brought before the Board, under the authority of the  
3 following laws. All section references are to the Business and Professions Code unless otherwise  
4 indicated.

5           4.     Section 4300 permits the Board to take disciplinary action to suspend or  
6 revoke a license issued by the Board.

7           5.     Section 118, subdivision (b), of the Code provides that the suspension,  
8 expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to  
9 proceed with a disciplinary action during the period within which the license may be renewed,  
10 restored, reissued or reinstated.

11           6.     Section 4301 states, in pertinent part:

12                 “The board shall take action against any holder of a license who is guilty of  
13 unprofessional conduct or whose license has been procured by fraud or misrepresentation or  
14 issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the  
15 following:

16                 . . . .

17                 (f) The commission of any act involving moral turpitude, dishonesty, fraud,  
18 deceit, or corruption, whether the act is committed in the course of relations as a licensee or  
19 otherwise, and whether the act is a felony or misdemeanor or not.

20                 (g) Knowingly making or signing any certificate or other document that falsely  
21 represents the existence or nonexistence of a state of facts.

22                 . . . .

23                 (j) The violation of any of the statutes of this state or of the United States  
24 regulating controlled substances and dangerous drugs.

25                 . . . .

26                 (l) The conviction of a crime substantially related to the qualifications, functions,  
27 and duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13  
28 (commencing with Section 801) of Title 21 of the United States Code regulating controlled

1 substances or of a violation of the statutes of this state regulating controlled substances or  
2 dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the  
3 record of conviction shall be conclusive evidence only of the fact that the conviction occurred.  
4 The board may inquire into the circumstances surrounding the commission of the crime, in order  
5 to fix the degree of discipline or, in the case of a conviction not involving controlled substances  
6 or dangerous drugs, to determine if the conviction is of an offense substantially related to the  
7 qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty  
8 or a conviction following a plea of nolo contendere is deemed to be a conviction within the  
9 meaning of this provision. The board may take action when the time for appeal has elapsed, or  
10 the judgment of conviction has been affirmed on appeal or when an order granting probation is  
11 made suspending the imposition of sentence, irrespective of a subsequent order under Section  
12 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a  
13 plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information,  
14 or indictment.

15 . . . .

16 (o) Violating or attempting to violate, directly or indirectly, or assisting in or  
17 abetting the violation of or conspiring to violate any provision or term of this chapter or of the  
18 applicable federal and state laws and regulations governing pharmacy, including regulations  
19 established by the board. . . .”

20 7. Section 4059 states, in pertinent part, that a person may not furnish any  
21 dangerous drug except upon the prescription of a physician, dentist, podiatrist, optometrist, or  
22 veterinarian. A person may not furnish any dangerous device, except upon the prescription of a  
23 physician, dentist, podiatrist, optometrist, or veterinarian.

24 8. Title 16, California Code of Regulations section 1770 provides that for  
25 purpose of denial, suspension, or revocation of a license, a crime or act shall be considered  
26 substantially related to the qualifications, functions or duties of a licensee if to a substantial  
27 degree it evidences present or potential unfitness of a licensee to perform the functions  
28 authorized by his license in a manner consistent with public health, safety, or welfare.

1           9.       Section 125.3 states, in pertinent part, that the Board may request the

(b) A statement pertaining to the subject matter of the proceeding made by any party to another party or person;

(c) Statements of witnesses then proposed to be called by the party and of other persons having personal knowledge of the acts, omissions or events which are the basis for the proceeding, not included in (a) or (b) above;

## **SECTION 11507.7: Petition to compel discovery; Order; Sanctions**

(a) Any party claiming the party's request for discovery pursuant to Section 11507.6 has not been complied with may serve and file with the administrative law judge a motion to compel discovery, naming as respondent the party refusing or failing to comply with Section 11507.6. The motion shall state facts showing the respondent party failed or refused to comply with Section 11507.6, a description of the matters sought to be discovered, the reason or reasons why the matter is discoverable under that section, that a reasonable and good faith attempt to contact the respondent for an informal resolution of the issue has been made, and the ground or grounds of respondent's refusal so far as known to the moving party.

(b) The motion shall be served upon respondent party and filed within 15 days after the respondent party first evidenced failure or refusal to comply with Section 11507.6 or within 30 days after request was made and the party has failed to reply to the request, or within another time provided by stipulation, whichever period is longer.

(c) The hearing on the motion to compel discovery shall be held within 15 days after the motion is made, or a later time that the administrative law judge may on the judge's own motion for good cause determine.
