19 above-entitled proceedings that the following matters are true:

20 **PARTIES**

- 21 1. Virginia Herold ("Complainant") is the Interim Executive Officer of the

7 by this reference.

8 **ADVISEMENT AND WAIVERS**

9 5. Respondent has carefully read and understands the charges and allegations

19 7. Respondent voluntarily, knowingly, and intelligently waives and gives up
20 each and every right set forth above.

21 **CULPABILITY**

22 8. Respondent denies the allegations in the Accusation. However, if
23 Respondent, in the future, should ever come before the Board, or their successors, in any type of
24 matter, Respondent stipulates that the charges set forth in the attached Accusation shall be
25 deemed to be true without the necessity of further proof. The stipulations set forth in this
26 paragraph are made by Respondent herein for purposes of this Stipulation, for any other
27 disciplinary proceedings by the Board, or their successors, and for any petition under

6 **JURISDICTION**

7 4. This Accusation and Petition to Revoke is brought before the Board under
8 the authority of the following laws. All section references are to the Business and Professions
9 Code ("Code") unless otherwise indicated.

10 5. Section 4301 of the Code states, in pertinent part:

11 "The board shall take action against any holder of a license who
12 is guilty of unprofessional conduct or whose license has been
13 procured by fraud or misrepresentation or issued by mistake.
14 Unprofessional conduct shall include, but is not limited to, any
15 of the following:

16 ...

17 "(g) Knowingly making or signing any certificate or other
18 document that falsely represents the existence or nonexistence
19 of a state of facts.

20 ...

21 "(n) The revocation, suspension, or other discipline by another

24 6. Section 4300 of the Code states, in pertinent part:

25 "(d) The board may initiate disciplinary proceedings to revoke
26 or suspend any probationary certificate of licensure for any
27 violation of the terms and conditions of probation. Upon
28 satisfactory completion of probation, the board shall convert
the probationary certificate to a regular certificate, free of
conditions."

29 7. California Code of Regulations ("Regulation"), title 16, section 1770,
30 states:

32 personal or facility license pursuant to Division 1.5
33 (commencing with Section 475) of the Business and

1 Professions Code, a crime or act shall be considered
2 substantially related to the qualifications, functions or duties
3 of a licensee or registrant if to a substantial degree it evidences
4 present or potential unfitness of a licensee or registrant to
perform the functions authorized by his license or registration
in a manner consistent with the public health, safety, or
welfare."

5 8. Probation Condition 15 in OAH Case No. N-36329 states:

6 "Should respondent violate probation in any respect, the Board,
7 after giving respondent notice and an opportunity to be heard,
8 may revoke probation and carry out the disciplinary order
9 which was stayed. If a petition to revoke probation is filed
against respondent during probation, the Board shall have
continuing jurisdiction until the matter is final, and the period
of probation shall be extended until the matter is final."

10 **COST RECOVERY**

11 9. Section 125.3 of the Code provides, in pertinent part, that the Board may
12 request the administrative law judge to direct a licentiate found to have committed a violation or
13 violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation

16 **FIRST CAUSE FOR DISCIPLINE**

17 (Knowingly Signed Document Making False Statement)

18 10. Respondent is subject to disciplinary action under Code section 4301,

20 a. On or about June 14, 2004, Respondent responded "no" in response to
21 questions on the Certification of Personnel form which was attached to the application for Change
22 of Pharmacist-in-Charge form submitted to the Board by the Barstow Community Hospital
23 Pharmacy, a Board-licensed pharmacy. The questions inquired whether Respondent's Pharmacist
24 License had been subject to discipline by this State or any other State, whether he had previously
25 violated provisions of pharmacy law in California or any other State, and whether he had been
26 convicted of, or plead no contest to, a violation of any law of a foreign country, the United States,
27 or of any State or local jurisdiction.

6 technician and shall not perform any of the duties of a
7 preceptor, nor shall respondent be the pharmacist-in-charge of

10 Condition 13, he was employed on or about June 14, 2004, as the Pharmacist-in-Charge for the
11 Barstow Community Hospital Pharmacy, a Board-licensed pharmacy. The Board had
12 inadvertently approved the application for Change of Pharmacist-in-Charge on or about

PROPOSED DECISION

On July 19, 1990, in Sacramento, California, Keith A. Levy, Administrative Law Judge, Office of Administrative Hearings, State of California, heard this matter.

Paul B. Bishop, Deputy Attorney General, represented complainant.

Sylvan Harold Cohen appeared in person and was not otherwise represented.

Evidence was received and the record remained open for the verification of records from the State of Missouri. The record was closed and the matter was submitted on October 26, 1990.

FINDINGS OF FACT

I

Complainant, Patricia F. Harris, made and filed the Accusation in her official capacity as Interim Executive Officer, Board of Pharmacy, Department of Consumer Affairs, State of California, and not otherwise.

II

On December 3, 1979, the Board of Pharmacy (hereinafter referred to as the "Board") issued Original Licentiate Number RPH 33498 to Sylvan Harold Cohen (hereinafter referred to as "respondent"). The license has been in full force and effect at all times pertinent herein and has been renewed through January 31, 1990.

RECEIVED IN THE OFFICE OF THE ATTORNEY GENERAL
DEPARTMENT OF CONSUMER AFFAIRS
STATE OF CALIFORNIA
JAN 11 1991

III

On or about April 20, 1988, the Missouri State Board of Pharmacy and respondent stipulated to a Consent Order before the Administrative Hearing Commission of the State of Missouri, which placed respondent's pharmacy license in that state on suspension for one year and thereafter on probation for five years. Respondent consented to discipline under Counts I and II of the Complaint and neither admitted nor denied the allegation contained in Count III of the Complaint, but admitted that if the matter went to hearing that petitioner would present sufficient evidence to support a finding that cause existed to discipline him under the allegations in that count. Count I in the Complaint filed by the State Board of Pharmacy in Missouri, alleged that respondent took the biennial inventory for Americare Pharmacy and that he failed to show the time in which it was conducted, did not list open or close of business, and did not list the name of the store or its DEA number. In Count II of the Complaint the following allegations were made:

"18. The records maintained by Americare Pharmacy were not complete and accurate in that the 100 mg tablet stock of Demerol actually on hand showed approximately a 34 tablet surplus over the record amount.

"19. The records maintained by Americare Pharmacy were not complete and accurate in that the 100 mg tablet stock of Ritalin actually on hand showed approximately a 161 tablet surplus over the record amount.

"20. The records maintained by Americare Pharmacy were not complete and accurate in that the stock of Dexadrine and Percodan actually on hand showed shortages from the record amounts. The records also were inaccurate in that the stock of Tylox, Demerol tablets, and Percocet tablets actually on hand showed surpluses over the record amounts.

"21. The records maintained by Americare Pharmacy were not complete and accurate in that the injectable stock of Demerol actually on hand showed at least 48 vials not accounted for...

".....

"24. The records maintained at Americare Pharmacy were not complete and accurate in that the injectable stock of Nubain showing a shortage of at least 1,720 doses from the record amount. Nubain is the brand name for nalbuphine hydrochloride and is a prescription drug."

IV

Count III of the Complaint contained the following allegation:

"26. At the time of the audits, the Americare Pharmacy prescription file contained a number of prescriptions suffering from deficiencies as noted below.

"Five prescriptions did not contain the necessary information for controlled substances. Rx0200179 for Paregoric did not contain the pharmacist's signature. Rx199977 for Xanax .25mg did not contain the DEA number of the physician. Rx199971 for Halcion .25mg did not contain the DEA number of the physician. Rx199968 for Darvocet N 1 did not contain the DEA number of the physician. Rx199922 for Valium 10 did not contain the pharmacist's signature."

V

Respondent is 49 years old, is separated from his wife and has two children ages 8 and 10. In December 1984 he underwent surgery for thrombosed prolapsed hemorrhoids. He was sent home from his surgery with a prescription for Demerol 100 mg to be taken 3 times a day. He traces his dependency on drugs following his surgery. He continued the Demerol after his prescription expired. Following the suspension of his Missouri license in April 1988 respondent entered St. Louis Cope, Inc., a treatment facility. He remained at Cope until December 1988. In December 1988 he continued treatment with Dr. S. Young Choi, M.D. and he is still under Dr. Choi's care. Respondent has undergone routine and random urine tests and the results have all been negative. Since December 1988 respondent has worked as a staff pharmacist at St. Mary's Hospital in Centralia, Illinois. There is a favorable letter of recommendation in evidence from Bruce A. Merrell, the pharmacy director at St. Mary's Hospital. Dr. Choi, in a letter dated July 11, 1990, recommends that respondent receive continuous out-patient follow up and care including antidepressant medication, individual medical psychotherapy and urine drug screens once every two weeks. He further suggests that the respondent be under a doctors care continuously for at least another three years and he states the opinion that the respondent will be able to practice as a good pharmacist after moving to California.

DETERMINATION OF ISSUES

Cause for discipline of respondent's license for violation of Business and Professions Code sections 4350.5, 4350(a) and 4355 was established by Findings III and IV.

ORDER

License No. RPH 33498 issued to respondent Sylvan Harold Cohen is revoked. However, the revocation is stayed and respondent is placed on probation for three years on the following terms and conditions:

1. Within 30 days of the effective date of this decision, respondent shall contact the Impaired Pharmacists Program for evaluation and shall successfully participate in and complete the treatment contract as recommended by the IPP. The costs for IPP participation shall be borne by the respondent.
2. Respondent shall immediately submit to biological fluid testing, at respondent's cost, upon the request of the Board or its designee.
3. Within 30 days of the effective date of this decision, and on a periodic basis as may be required by the Board or its designee, respondent shall undergo psychiatric evaluation by a Board-appointed psychiatrist who shall furnish a psychiatric report to the Board or its designee.

If the psychotherapist recommends, and the Board or its designee directs respondent to undergo psychotherapy, respondent shall, within 30 days of written notice of the need for psychotherapy, submit to the Board or its designee, for its prior approval, the recommended program for ongoing psychotherapeutic care. Respondent shall undergo and continue psychotherapy until further notice from the Board. Respondent shall have the treating psychotherapist submit quarterly reports to the Board, or its designee.

If recommended by the psychotherapist and approved by the Board or its designee, respondent shall be barred from practicing pharmacy until the treating psychotherapist recommends, in writing and stating the basis therefor, that respondent can safely practice pharmacy, and the Board approves said recommendation.

4. Respondent shall not have any legal or beneficial interest in any business, firm, partnership, or corporation currently or hereinafter licensed by the Board and shall not own any pharmacy.

5. Respondent shall pay to the Board its costs of investigation in the amount of \$500. Respondent shall make said payments as follows:

Due and payable on the effective date of this decision.

6. Respondent shall obey all federal and state laws and regulations substantially related to the practice of pharmacy.
7. Respondent shall report to the Board or its designee quarterly. Said report shall be either in person or in writing, as directed. Should the final probation report not be made as directed, the period of probation shall be extended until such time as the final report is made.
8. Respondent shall submit to peer review as deemed necessary by the Board.
9. Respondent shall provide evidence of efforts to maintain skill and knowledge as a pharmacist as directed by the Board.
10. Respondent shall notify all present and prospective employers of the Board's Decision and the terms, conditions and restriction imposed on respondent by said decision.
11. Within 30 days of the effective date of this decision, and within 15 days of respondent undertaking new employment, respondent shall cause his/her employer to report to the Board in writing acknowledging the employer has read the Board's Decision.
12. Should respondent work for or be employed by or through a pharmacy employment service, it shall be the obligation of the respondent to ensure the pharmacy at which he/she is to be employed or used of the fact and terms of this disciplinary order in advance of the respondent commencing work at the pharmacy.

"Employment" within the meaning of this provision shall include any full-time, part-time, temporary or relief service as a pharmacist, whether the respondent is considered an employee or independent contractor.

13. Respondent shall not supervise any registered intern or technician and shall not perform any

of the duties of a preceptor, nor shall respondent be the pharmacist-in-charge of any pharmacy licensed by the Board.

14. Should respondent leave California to reside or practice outside this state, respondent must notify the Board in writing of the dates of departure and return. Periods of residency or practice outside the state shall not apply to reduction of the probationary period.
15. Should respondent violate probation in any respect, the Board, after giving respondent notice and an opportunity to be heard, may revoke probation and carry out the disciplinary order which was stayed. If a petition to revoke probation is filed against respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.
16. Upon successful completion of probation, respondent's certificate will be fully restored.
