JURISDICTION

4. This Accusation is brought before the Board for the Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

5. Section 4300 of the Code provides, in pertinent part, that the Board is permitted to take disciplinary action to suspend or revoke a license issued by the Board.

6. Section 4301 of the Code states:

"The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

• • • •

"(f) The commission of any act involving moral turpitude, dishonesty, fraud, deceit, or corruption, whether the act is committed in the course of relations as a licensee or otherwise, and whether the act is a felony or misdemeanor or not.

• • • •

"(j) The violation of any of the statutes of this state, or any other state, or of the United States regulating controlled substances and dangerous drugs.

...

"(1) The conviction of a crime substantially related to the qualifications, functions, and duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13 (commencing with Section 801) of Title 21 of the United States Code regulating controlled substances or of a violation of the statutes of this state regulating controlled substances or dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the

1 record of conviction shall be conclusive evidence only of the fact that the conviction occurred.
2 The board may inquire into the circumstances surrounding the commission of the crime, in order
3 to fix the degree of discipline or, in the case of a conviction not involving controlled substances
4 or dangerous drugs, to determine if the conviction is of an offense substantially related to the
5 qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty
6 or a conviction following a plea of nolo contendere is deemed to be a conviction within the
7 meaning of this provision. The board may take action when the time for appeal has elapsed, or
8 the judgment of conviction has been affirmed on appeal or when an order granting probation is
9 made suspending the imposition of sentence, irrespective of a subsequent order under Section
10 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a
11 plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information,
12 or indictment.

13

14 "(o) Violating or attempting to violate, directly or indirectly, or assisting in or
15 abetting the violation of or conspiring to violate any provision or term of this chapter or of the
16 applicable federal and state laws and regulations governing pharmacy, including regulations
17 established by the board or by any other state or federal regulatory agency."

18 7. Section 490 of the Code states:

19 "A board may suspend or revoke a license on the ground that the licensee
20 has been convicted of a crime, if the crime is substantially related to the
21 qualifications, functions, or duties of the business or profession for which the
22 license was issued. A conviction within the meaning of this section means a plea
23 or verdict of guilty or a conviction following a plea of nolo contendere. Any
24 action which a board is permitted to take following the establishment of a
conviction may be taken when the time for appeal has elapsed, or the judgment of
conviction has been affirmed on appeal, or when an order granting probation is
made suspending the imposition of sentence, irrespective of a subsequent order
under the provisions of Section 1203.4 of the Penal Code."

25 8. Code section 4061 states:

26 "(a) No manufacturer's sales representative shall distribute any dangerous
27 drug or dangerous device as a complimentary sample without the written request
28 of a physician, dentist, podiatrist, optometrist, veterinarian, or naturopathic doctor
pursuant to Section 3640.7. However, a certified nurse-midwife who functions
pursuant to a standardized procedure or protocol described in Section 2746.51, a

1 nurse practitioner who functions pursuant to a standardized procedure described in
2 Section 2836.1, or protocol, a physician assistant who functions pursuant to a
3 protocol described in Section 3502.1, or a naturopathic doctor who functions
4 pursuant to a standardized procedure or protocol described in Section 3640.5, may
5 sign for the request and receipt of complimentary samples of a dangerous drug or
6 dangerous device that has been identified in the standardized procedure, protocol,
7 or practice agreement. Standardized procedures, protocols, and practice
8 agreements shall include specific approval by a physician. A review process,
9 consistent with the requirements of Section 2725, 3502.1, or 3640.5, of the
10 complimentary samples requested and received by a nurse practitioner, certified
11 nurse-midwife, physician assistant, or naturopathic doctor, shall be defined within
12 the standardized procedure, protocol, or practice agreement.”

13
14 9. Code section 4126.5 states:

15 “(a) A pharmacy may furnish dangerous drugs only to the following:

16 (1) A wholesaler owned or under common control by the wholesaler from whom
17 the dangerous drug was acquired.

18 (2) The pharmaceutical manufacturer from whom the dangerous drug was
19 acquired.

20 (3) A licensed wholesaler acting as a reverse distributor.

21 (4) Another pharmacy or wholesaler to alleviate a temporary shortage of a
22 dangerous drug that could result in the denial of health care. A pharmacy furnishing dangerous
23 drugs pursuant to this paragraph may only furnish a quantity sufficient to alleviate the temporary
24 shortage.

25 (5) A patient or to another pharmacy pursuant to a prescription or as otherwise
26 authorized by law.

27 (6) A health care provider that is not a pharmacy but that is authorized to purchase
28 dangerous drugs.

(7) To another pharmacy under common control.”

10. Code section 4022 states:

““Dangerous drug” or “dangerous device” means any drug or device unsafe for
self-use in humans or animals, and includes the following:

(a) Any drug that bears the legend: “Caution: federal law prohibits dispensing
without prescription,” “Rx only,” or words of similar import.

1 (b) Any device that bears the statement: "Caution: federal law restricts this device
2 to sale by or on the order of a _____," "Rx only," or words of similar import, the blank to
3 be filled in with the designation of the practitioner licensed to use or order use of the device.

4 (c) Any other drug or device that by federal or state law can be lawfully dispensed
5 only on prescription or furnished pursuant to Section 4006."

6 11. California Code of Regulations, title 16, section 1770, states:

7 "For the purpose of denial, suspension, or revocation of a personal or facility
8 license pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions
9 Code, a crime or act shall be considered substantially related to the qualifications, functions or
10 duties of a licensee or registrant if to a substantial degree it evidences present or potential
11 unfitness of a licensee or registrant to perform the functions authorized by his license or
12 registration in a manner consistent with the public health, safety, or welfare."

13 12. Section 118, subdivision (b), of the Code provides that the
14 expiration of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary
15 action during the period within which the license may be renewed, restored, reissued or
16 reinstated.

17 13. Section 125.3 of the Code states, in pertinent part, that the Board may
18 request the administrative law judge to direct a licensee found to have committed a violation or
19 violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation
20 and enforcement of the case.
