14 Respondent.

15           If Respondent is currently enrolled in the PRP, said participation is now  
16 mandatory and is no longer considered a self-referral under Business and Professions Code  
17 section 4363, as of the effective date of this decision. Respondent shall successfully  
18 participate in and complete his current contract and any subsequent addendums with the PRP.  
19 Probation shall be automatically extended until Respondent successfully completes his  
20 treatment contract. Any person terminated from the program shall be automatically  
21 suspended upon notice by the Board. Respondent may not resume the practice of pharmacy  
22 until notified by the Board in writing. The Board shall retain jurisdiction to institute action to  
23 terminate probation for any violation of this term.

1 shall, when directed, submit to such tests and samples for the detection of alcohol, narcotics,  
2 hypnotics, dangerous drugs or other controlled substances. Failure to submit to testing as  
3 directed shall constitute a violation of probation. Any confirmed positive drug test shall result  
4 in the immediate suspension of practice by Respondent. Respondent may not resume the  
5 practice of pharmacy until notified by the Board in writing.

6           18.     **Abstain from Drugs and Alcohol Use.** Respondent shall completely  
7 abstain from the possession or use of alcohol, controlled substances, dangerous drugs and

10 Respondent shall provide documentation from the licensed practitioner that the prescription  
11 was legitimately issued and is a necessary part of the treatment of the Respondent.

12           19.     **Supervised Practice.** Respondent shall practice only under the  
13 supervision of a pharmacist not on probation with the Board. Respondent shall not practice  
14 until the supervisor is approved by the Board. The supervision shall be, as required by the
