23 PARTIES

24 1. Virginia Herold (Complainant) is the Executive Officer of the Board of Pharmacy.

26 D. Harris, Attorney General of the State of California, by Lorrie M. Yost, Deputy Attorney

2. North Highlands Pharmacy and Thomas Okimoto are represented in this proceeding by attorney Richard T. Dudek, whose address is 901 H Street, Suite 301, Sacramento, CA 95814.

3. On or about August 30, 1994, the Board of Pharmacy (Board) issued Pharmacy Permit Number PHY 39917 to North Highlands Pharmacy, Inc., d.b.a. North Highlands Pharmacy; Thomas Okimoto, President, Pharmacist-In-Charge, (Respondent North Highlands). The pharmacy permit was in full force and effect at all times relevant to the charges brought herein and will expire on August 1, 2013, unless renewed.

4. On or about July 25, 1966, the Board of Pharmacy issued Pharmacist License Number RPH 24559 to Thomas Okimoto (Respondent Okimoto). The pharmacist license was in full force and effect at all times relevant to the charges brought herein and will expire on February 29, 2014, unless renewed.

JURISDICTION

5. Accusation No. 3428 was filed before the Board of Pharmacy (Board), Department of Consumer Affairs, and is currently pending against Respondents North Highlands and Okimoto. The Accusation and all other statutorily required documents were properly served on both Respondents on April 19, 2012. Respondents timely filed their Notice of Defense contesting the Accusation. A copy of Accusation No. 3428 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

6. Respondents North Highlands and Okimoto have carefully read, fully discussed with counsel, and understand the charges and allegations in Accusation No. 3428. Respondents also have carefully read, fully discussed with counsel, and understand the effects of this Stipulated Surrender of License and Order.

1 documents; the right to reconsideration and court review of an adverse decision; and all other
2 rights accorded by the California Administrative Procedure Act and other applicable laws.

3 8. Respondents North Highlands and Okimoto voluntarily, knowingly, and intelligently
4 waive and give up each and every right set forth above.

5 CULPABILITY

6 9. For the purpose of resolving the Accusation without the expense and uncertainty of
7 further proceedings, Respondents North Highlands and Okimoto admit that, at a hearing,
8 Complainant could establish a factual basis for the charges and allegations in Accusation No.
9 3428, and that those charges and allegations are cause for discipline. Respondents feel that they
10 could present a defense against the charges but none the less hereby give up their right to contest
11 those charges and allegations in order to resolve this matter.

12 10. Respondents North Highlands and Okimoto understand that the charges and
13 allegations in Accusation No. 3428, if proven at a hearing, constitute cause for imposing

24 North Highlands and Okimoto understand and agree that counsel for Complainant and the staff of
25 the Board of Pharmacy may communicate directly with the Board regarding this stipulation and
26 surrender, without notice to or participation by Respondents or their counsel. By signing the
27 stipulation, Respondents understand and agree that they may not withdraw their agreement or
28 seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board

1 fails to adopt this stipulation as its Decision and Order, the Stipulated Surrender and Disciplinary
2 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
3 action between the parties, and the Board shall not be disqualified from further action by having
4 considered this matter.

5 14. The parties understand and agree that facsimile copies of this Stipulated Surrender of
6 License and Order, including facsimile signatures thereto, shall have the same force and effect as
7 the originals.

8 15. This Stipulated Surrender of License and Order is intended by the parties to be an
9 integrated writing representing the complete, final, and exclusive embodiment of their agreement.
10 It supersedes any and all prior or contemporaneous agreements, understandings, discussions,
11 negotiations, and commitments (written or oral). This Stipulated Surrender of License and Order
12 may not be altered, amended, modified, supplemented, or otherwise changed except by a writing
13 executed by an authorized representative of each of the parties.

14 16. In consideration of the foregoing admissions and stipulations, the parties agree that
15 the Board may, without further notice or formal proceeding, issue and enter the following Order:

16 **ORDER**

17 IT IS HEREBY ORDERED that Pharmacy Permit Number PHY 39917 to North Highlands

25 become a part of Respondents' license history with the Board of Pharmacy.

26 2. Respondent North Highlands Pharmacy shall lose all rights and privileges as a
27 pharmacy in California as the effective date of the Board's Decision and Order.

28 ///

1 3. Respondent Thomas Okimoto shall lose all rights and privileges as a pharmacist in
2 California as the effective date of the Board's Decision and Order.

3 4. Respondents North Highlands and Okimoto shall cause to be delivered to the Board
4 their pocket licenses and, if one was issued, its wall certificates, on or before the effective date of
5 the surrender of their pharmacy permit and pharmacist license.

6 5. If the pharmacy has not yet been transferred at the time of the effective date of this
7 decision, then within 30 days of the effective date of the decision, Respondent North Highlands
8 shall employ a consulting pharmacist to assist with maintaining the pharmacy's compliance with
9 all applicable pharmacy laws and regulations. Prior to the employment of this consultant,
10 Respondent North Highlands shall submit the name of the candidate(s) for the position of
11 consulting pharmacist to the Board for approval. Respondent shall submit the name of another
12 candidate for the position of consulting pharmacist within seven days of the Board's decision, in
13 the event that Respondent's first or subsequent requests are denied.

14 6. If either Respondent North Highlands or Okimoto ever files an application for
15 licensure or a petition for reinstatement in the State of California, the Board shall treat it as a new
16 application for licensure. Respondents must comply with all the laws, regulations and procedures
17 for application for a new license in effect at the time the petition is filed, and all of the charges
18 and allegations contained in Accusation No. 3428 shall be deemed to be true, correct and
19 admitted when the Board determines whether to grant or deny the petition.

20 7. Respondent Okimoto agrees that, once the pharmacy is sold, he will no longer have
21 any involvement with the pharmacy as a consultant, employee or volunteer.

22 8. The Board shall waive its costs of investigation and prosecution of this matter.

3 FIRST CAUSE FOR DISCIPLINE

4 (Erroneous Or Uncertain Prescriptions)

5 26. Respondents Highlands and Okimoto are subject to disciplinary action under 16 CCR
6 section 1761, subdivisions (a) and (b) as that section interacts with Code section 4301,
7 subdivision (o) in that Respondent PIC Okimoto dispensed uncertain or ambiguous prescriptions
8 for a controlled substance when Respondent PIC Okimoto knew or should have known that the
9 prescriptions were not issued for a legitimate medical purpose. The circumstances are as that
10 Respondent PIC Okimoto filled prescriptions for patients who were consuming the prescribed
11 drugs at a rate significantly higher than that which was prescribed and/or the maximum
12 recommended dose, without questioning the medical purpose or directions for proper use of these
13 drugs, as follows:

14 a. From approximately November 4, 2007 to July 04, 2009, PIC Okimoto furnished
15 11,727 tablets of HC/AP 10/325 to Patient S.D. The average number of tablets consumed per day
16 was 19.3, approximately 60% more than the 12 tablets a day that had been prescribed by the
17 patient's physician. The daily average of 19 tablets also equaled 6.3 grams of HC/AP per day,
18 approximately 58% more than the maximum recommended dosage.

19 b. From approximately December 5, 2007 to June 25, 2009, with regard to 17 out of 33
20 prescriptions, PIC Okimoto furnished 8430 HC/AP 10/325 tablets to Patient L.F. The average
21 number of tablets consumed per day was 14.8, approximately 23% more than the maximum of the
22 6 to 12 tablets a day that had been prescribed by the patient's physician. Furthermore, with
23 respect to 21 prescriptions filled for Patient LF, the average daily usage of HC/AP 10/325 was 6.2
