21 6. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
22 every right set forth above.

23 CULPABILITY

JURISDICTION

3. This First Amended Accusation is brought before the Board of Pharmacy (Board), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 4300 of the Code states in pertinent part:

"(c) The board may refuse a license to any applicant guilty of unprofessional conduct. The board may, in its sole discretion, issue a probationary license to any applicant for a license who is guilty of unprofessional conduct and who has met all other requirements for licensure. The board may issue the license subject to any terms or conditions not contrary to public policy, including, but not limited to, the following:

"(1) Medical or psychiatric evaluation.

"(2) Continuing medical or psychiatric treatment.

"(3) Restriction of type or circumstances of practice.

//

1           5.     Section 4301 of the Code states in pertinent part:

2           "The board shall take action against any holder of a license who is guilty of unprofessional  
3     conduct or whose license has been procured by fraud or misrepresentation or issued by mistake.

4     Unprofessional conduct shall include, but is not limited to, any of the following:

5                     "(f) The commission of any act involving moral turpitude, dishonesty,  
6     fraud, deceit, or corruption, whether the act is committed in the course of relations as  
   a licensee or otherwise, and whether the act is a felony or misdemeanor or not.

7                     "(g) Knowingly making or signing any certificate or other document that  
8     falsely represents the existence or nonexistence of a state of facts.

9                     "(j) The violation of any of the statutes of this state, or any other state, or  
   of the United States regulating controlled substances and dangerous drugs.

10                    "(l) The conviction of a crime substantially related to the qualifications,  
11     functions, and duties of a licensee under this chapter. The record of conviction of a

13     States Code regulating controlled substances or of a violation of the statutes of this  
14     state regulating controlled substances or dangerous drugs shall be conclusive  
15     evidence of unprofessional conduct. In all other cases, the record of conviction shall  
16     be conclusive evidence only of the fact that the conviction occurred. The board may

   chapter. A plea or verdict of guilty or a conviction following a plea of nolo  
   contendere is deemed to be a conviction within the meaning of this provision. The

   conviction has been affirmed on appeal or when an order granting probation is made  
   suspending the imposition of sentence, irrespective of a subsequent order under  
   Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of  
   guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or  
   dismissing the accusation, information, or indictment.

20                    "(o) Violating or attempting to violate, directly or indirectly, or assisting  
21     in or abetting the violation of or conspiring to violate any provision or term of this
