### **JURISDICTION**

- 3. This Statement of Issues is brought before the Board of Pharmacy (Board),
  Department of Consumer Affairs, under the authority of the following laws. All section
  references are to the Business and Professions Code unless otherwise indicated.
  - 4. Section 480 of the Code states:
- "(a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:
- "(1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.
- "(2) Done any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.
- "(3) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

"The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made.

"(b) Notwithstanding any other provision of this code, no person shall be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.

- "(c) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact required to be revealed in the application for the license."
  - Section 4301 of the Code states: 5.

"The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

"(g) Knowingly making or signing any certificate or other document that falsely represents the existence or nonexistence of a state of facts.

"(j) The violation of any of the statutes of this state, or any other state, or of the United States regulating controlled substances and dangerous drugs.

"(1) The conviction of a crime substantially related to the qualifications, functions, and duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13 (commencing with Section 801) of Title 21 of the United States Code regulating controlled substances or of a violation of the statutes of this state regulating controlled substances or dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the record of conviction shall be conclusive evidence only of the fact that the conviction occurred. The board may inquire into the circumstances surrounding the commission of the crime, in order to fix the degree of discipline or, in the case of a conviction not involving controlled substances or dangerous drugs, to determine if the conviction is of an offense substantially related to the qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this provision. The board may take action when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of

the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

"For the purpose of denial, suspension, or revocation of a personal or facility license pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a crime or act shall be considered substantially related to the qualifications, functions or duties of a licensee or registrant if to a substantial degree it evidences present or potential unfitness of a licensee or registrant to perform the functions authorized by his license or registration in a manner consistent with the public health, safety, or welfare."

## DRUG STATUTE

7. Marijuana is a Schedule I controlled substance as designated by California Health and Safety Code section 11054(d)(13) and is categorized as a dangerous drug pursuant to Business and Professions Code 4022.

## FIRST CAUSE FOR DENIAL OF APPLICATION

### (Criminal Conviction)

- 8. Respondent's application is subject to denial under section 480, subdivision (a)(1), in conjunction with California Code of Regulations, title 16, section 1770, in that Respondent was convicted of a crime that evidences potential unfitness to perform the functions authorized by a licensed pharmacy technician. The circumstances are as follows:
- 9. On or about June 4, 2007, in the criminal proceeding entitled *The People of the State of California v. Delfino Nava* (Super. Ct. Los Angeles County, 2007, No. 7BF01352), Respondent entered a plea of *nolo contendere* and was convicted of one misdemeanor count of violating Vehicle Code section 23222, subdivision (b) [possession of marijuana while driving]. The Court sentenced Respondent to 3 days in the Los Angeles County Jail and denied probation. The circumstances surrounding the conviction are that during a traffic stop on March 2, 2007, an officer of the Los Angeles County Sheriff's Department detected a strong smell of marijuana

 coming from Respondent's vehicle. When asked if there were any narcotics in the vehicle or on his person, Respondent stated, "Yes, I have weed in my pocket and I smoked earlier in my car." Upon searching Respondent and his vehicle, the officer discovered a clear plastic bag containing marijuana. On or about December 24, 2008, Respondent's conviction was set aside pursuant to Penal Code section 1203.4.

### SECOND CAUSE FOR DENIAL OF APPLICATION

# (False Statements in Application)

- 10. Respondent's application is subject to denial under section 480, subdivision (c), in that Respondent knowingly made a false statement of fact in his application for licensure. The circumstances are as follows:
- 11. On or about September 9, 2008, Respondent submitted an application for licensure to the Board. The application included the following question: "Have you ever been convicted of or pled no contest to a violation of any law of a foreign country, the United States or any state laws or local ordinances?" The application explained that in answering the question Respondent must include all misdemeanors and/or felonies regardless of how much time had passed since the conviction. The application further explained that Respondent must include any convictions that may have been set aside pursuant to Penal Code section 1203.4.
  - 12. To this question, Respondent answered, "No."
- 13. Respondent then signed the applicant affidavit as follows, "I, Delfino Nava Jr., hereby attest to the fact that I am the applicant whose signature appears below. I understand that falsification of the information on this form may constitute grounds for denial or revocation of the license. I hereby certify under penalty of perjury under the laws of the State of California to the truth and accuracy of all statements, answers and representations made in this application, including all supplementary statements. I also certify that I have read and understand the instructions attached to this application."
- 14. Due to an apparent clerical error in Respondent's initial application related to his dates of education/training, Respondent submitted another application for licensure on or about November 25, 2008. The application included the following question: "Have you ever been

convicted of or pled no contest to a violation of any law of a foreign country, the United States or any state laws or local ordinances?" The application explained that in answering the question Respondent must include all misdemeanors and/or felonies regardless of how much time had passed since the conviction. The application further explained that Respondent must include any convictions that may have been set aside pursuant to Penal Code section 1203.4.

- 15. To this question, Respondent again answered, "No." <sup>1</sup>
- 16. Respondent then signed the applicant affidavit as follows, "I, Delfino Nava Jr., hereby attest to the fact that I am the applicant whose signature appears below. I understand that falsification of the information on this form may constitute grounds for denial or revocation of the license. I hereby certify under penalty of perjury under the laws of the State of California to the truth and accuracy of all statements, answers and representations made in this application, including all supplementary statements. I also certify that I have read and understand the instructions attached to this application."
- 17. Complainant refers to, and by this reference incorporates, the allegations set forth above in paragraph 8, inclusive, as though set forth fully herein.

### THIRD CAUSE FOR DENIAL OF APPLICATION

### (Acts Warranting Denial)

- 18. Respondent's application is subject to denial under section 480, subdivision (a)(3), in conjunction with section 4301, subdivisions (g), (j) and (l), in that Respondent has engaged in acts that if done by a licentiate would be grounds for suspension or revocation. The circumstances are as follows:
- 19. Respondent has a history of violating state and federal laws regulating controlled substances and dangerous drugs as follows:

<sup>&</sup>lt;sup>1</sup> Although Respondent was obligated to disclose all convictions regardless of whether they had been set aside pursuant to section 1203.4, it should be noted that Respondent's conviction had not yet been set aside at the time in which he submitted his applications.
