BOARD OF PHARMACY
DEPARTMENT OF CONSUMER AFFAIRS
STATE OF CALIFORNIA**

In the Matter of the Accusation Against:

Case No. 4134

**ROBERTO MORENO
2789 E. Verde Avenue
Anaheim, CA 92806**

DEFAULT DECISION AND ORDER

[Gov. Code, §11520]

**Pharmacy Technician Registration
No. TCH 96401**

Respondent.

FINDINGS OF FACT

1. On or about November 9, 2011, Complainant Virginia Herold, in her official capacity as the Executive Officer of the Board of Pharmacy, Department of Consumer Affairs, filed Accusation No. 4134 against Roberto Moreno (Respondent) before the Board of Pharmacy. (Accusation attached as Exhibit A.)

2. On or about March 22, 2010, the Board of Pharmacy (Board) issued Pharmacy Technician Registration No. TCH 96401 to Respondent. The Pharmacy Technician Registration expired on November 30, 2011, and has not been renewed. Section 118, subdivision (b), of the Code provides that the suspension, expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.

3. On or about November 18, 2011, Respondent was served by Certified and First Class Mail copies of the Accusation No. 4134, Statement to Respondent, Notice of Defense, Request for Discovery, and Discovery Statutes (Government Code sections 11507.5, 11507.6, and

1 11507.7) at Respondent's address of record which, pursuant to Business and Professions Code
2 section 4100 and California Code of Regulations, title 16, section 1704, is required to be reported
3 and maintained with the Board, which was and is:

4 2789 E. Verde Avenue
5 Anaheim, CA 92806

6 4. Service of the Accusation was effective as a matter of law under the provisions of
7 Government Code section 11505, subdivision (c) and/or Business & Professions Code section
8 124.

9 5. On or about November 25, 2011, Respondent signed the Domestic Return Receipt
10 acknowledging receipt of the Accusation served by certified mail.

11 6. Government Code section 11506 states, in pertinent part:

12 (c) The respondent shall be entitled to a hearing on the merits if the respondent
13 files a notice of defense, and the notice shall be deemed a specific denial of all parts
14 of the accusation not expressly admitted. Failure to file a notice of defense shall
15 constitute a waiver of respondent's right to a hearing, but the agency in its discretion
16 may nevertheless grant a hearing.

17 7. Respondent failed to file a Notice of Defense within 15 days after service upon him
18 of the Accusation, and therefore waived his right to a hearing on the merits of Accusation No.
19 4134.

20 8. California Government Code section 11520 states, in pertinent part:

21 (a) If the respondent either fails to file a notice of defense or to appear at the
22 hearing, the agency may take action based upon the respondent's express admissions
23 or upon other evidence and affidavits may be used as evidence without any notice to
24 respondent.

25 9. Pursuant to its authority under Government Code section 11520, the Board finds
26 Respondent is in default. The Board will take action without further hearing and, based on the
27 relevant evidence contained in the Default Decision Evidence Packet in this matter, as well as
28 taking official notice of all the investigatory reports, exhibits and statements contained therein on
file at the Board's offices regarding the allegations contained in Accusation No. 4134, finds that
the charges and allegations in Accusation No. 4134, are separately and severally, found to be true
and correct by clear and convincing evidence.

1 d. Respondent is subject to disciplinary action under section 4301, subdivision (j)
2 of the Code in that on or about on or about and between December 9, 2010, and January 25, 2011,
3 Respondent knowingly and willfully violated Health and Safety Code section 11352, subdivision
4 (a), Health and Safety Code section 11375, subdivision (b)(1), and Business and Professions
5 Code sections 4059 and 4060 regulating controlled substances and dangerous drugs.

6 e. Respondent is subject to disciplinary action under section 4301, subdivision (o)
7 of the Code in that Respondent acts violated Title 21 U.S.C. section 843, subdivision (a)(3), and
8 the California Uniform Controlled Substances Act (Health and Safety Code 11000, et seq.).

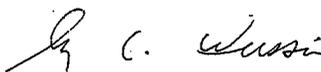

9 **ORDER**

10 IT IS SO ORDERED that Pharmacy Technician Registration No. TCH 96401, heretofore
11 issued to Respondent Roberto Moreno, is revoked.

12 Pursuant to Government Code section 11520, subdivision (c), Respondent may serve a
13 written motion requesting that the Decision be vacated and stating the grounds relied on within
14 seven (7) days after service of the Decision on Respondent. The agency in its discretion may
15 vacate the Decision and grant a hearing on a showing of good cause, as defined in the statute.

16
17 This Decision shall become effective on March 14, 2012.

18 It is so ORDERED February 13, 2012.

1 This section shall not be construed to apply to any drug diversion program
2 operated by any agency established under Division 2 (commencing with Section 500)
of this code, or any initiative act referred to in that division.

3 9. Section 493 of the Code states:

4 Notwithstanding any other provision of law, in a proceeding conducted by a
5 board within the department pursuant to law to deny an application for a license or to
6 suspend or revoke a license or otherwise take disciplinary action against a person who
7 holds a license, upon the ground that the applicant or the licensee has been convicted
8 of a crime substantially related to the qualifications, functions, and duties of the
9 licensee in question, the record of conviction of the crime shall be conclusive
evidence of the fact that the conviction occurred, but only of that fact, and the board
may inquire into the circumstances surrounding the commission of the crime in order
to fix the degree of discipline or to determine if the conviction is substantially related
to the qualifications, functions, and duties of the licensee in question.

10 As used in this section, "license" includes "certificate," "permit," "authority,"
11 and "registration."

12 10. Section 4301 of the Code states:

13 The board shall take action against any holder of a license who is guilty of
14 unprofessional conduct or whose license has been procured by fraud or
misrepresentation or issued by mistake. Unprofessional conduct shall include, but is
15 not limited to, any of the following:

16

17 (f) The commission of any act involving moral turpitude, dishonesty, fraud,
deceit, or corruption, whether the act is committed in the course of relations as a
18 licensee or otherwise, and whether the act is a felony or misdemeanor or not.

19

20 (h) The administering to oneself, of any controlled substance, or the use of any
dangerous drug or of alcoholic beverages to the extent or in a manner as to be
21 dangerous or injurious to oneself, to a person holding a license under this chapter, or
to any other person or to the public, or to the extent that the use impairs the ability of
22 the person to conduct with safety to the public the practice authorized by the license.

23

24 (j) The violation of any of the statutes of this state, or any other state, or of the
United States regulating controlled substances and dangerous drugs.

25

26 (l) The conviction of a crime substantially related to the qualifications,
27 functions, and duties of a licensee under this chapter. The record of conviction of a
violation of Chapter 13 (commencing with Section 801) of Title 21 of the United
28 States Code regulating controlled substances or of a violation of the statutes of this

1 state regulating controlled substances or dangerous drugs shall be conclusive
2 evidence of unprofessional conduct. In all other cases, the record of conviction shall
3 be conclusive evidence only of the fact that the conviction occurred. The board may
4 inquire into the circumstances surrounding the commission of the crime, in order to
5 fix the degree of discipline or, in the case of a conviction not involving controlled
6 substances or dangerous drugs, to determine if the conviction is of an offense
7 substantially related to the qualifications, functions, and duties of a licensee under this
8 chapter. A plea or verdict of guilty or a conviction following a plea of nolo
9 contendere is deemed to be a conviction within the meaning of this provision. The
10 board may take action when the time for appeal has elapsed, or the judgment of
11 conviction has been affirmed on appeal or when an order granting probation is made
12 suspending the imposition of sentence, irrespective of a subsequent order under
13 Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of
14 guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or
15 dismissing the accusation, information, or indictment.

16

17 (o) Violating or attempting to violate, directly or indirectly, or assisting in or
18 abetting the violation of or conspiring to violate any provision or term of this chapter
19 or of the applicable federal and state laws and regulations governing pharmacy,
20 including regulations established by the board or by any other state or federal
21 regulatory agency.

22

23 11. Section 4022 of the Code states

24 "Dangerous drug" or "dangerous device" means any drug or device unsafe for
25 self-use in humans or animals, and includes the following:

8 additional counts were dismissed pursuant to a plea agreement.

9 b. As a result of the conviction, on or about February 4, 2011, Respondent
10 was sentenced to 180 days in the Orange County Jail, with credit for three days, and ordered to
11 serve three years formal probation. Respondent was required to register as a drug offender,
12 submit to DNA sampling, and waive his Fourth Amendment rights, plus additional terms of
13 felony probation. Respondent was ordered to pay fines, fees, and restitution in the amount of
14 \$645, plus the cost of formal probation.

15 c. The circumstances that led to the conviction are that on or about October 8,
16 2010, the Anaheim Police Department received an anonymous complaint on their 24-hour
17 narcotic hotline that Respondent and a 40-year-old female were selling methamphetamine out of
18 an Anaheim apartment. Respondent's cell phone number was obtained through a background
19 check. Several text messages were exchanged between an investigator and Respondent between
20 December 1, 2010 and December 3, 2010. The investigator was able to confirm that Respondent
21 was involved in selling narcotics.

22 d. On December 7, 2010, in an exchange of text messages, Respondent stated
23 to the investigator "I just push prescription meds." On December 8, 2010, the investigator
24 arranged to purchase three tablets of Vicodin for \$15. On December 9, 2010, the investigator had
25 two undercover officers arrange to meet with Respondent in a parking lot. Respondent met with
26 the officers and asked to sit in the backseat of their vehicle where they made a transaction of \$15.
27 for 13 tablets of Vicodin. On December 17, 2010, another purchase was arranged at a gas station
28 where Respondent sold 15 tablets of Vicodin to the undercover officer for \$20. On January 25,

1 2011, Respondent met with the undercover officer in a bank parking lot. While sitting inside
2 Respondent's vehicle, the undercover officer purchased 14 tablets of Vicodin for \$20. As the
3 undercover officer exited Respondent's vehicle, he gave a pre-arranged signal to nearby
4 investigators to arrest Respondent. A search of Respondent's vehicle revealed that in the front
5 passenger compartment near the gear shift was a small pile of pills of various shapes and colors
6 identified as 19 tablets of Vicodin, 28 tablets of lorazepam (Ativan), 31 tablets of zolpidem
7 (Ambien), and 11 tablets of carisoprodol (Soma). Lying on the front passenger seat was a pill
8 bottle labeled "Austin Drugs," Respondent's employer, containing 84 tablets of Vicodin. On the
9 driver's side door, the investigators located a tablet of oxybutynin chloride (Ditropan) and a tablet
10 of hydralazine hydrochloride (Apresoline), two non-scheduled prescription medications. In the
11 trunk, investigators found a pill bottle labeled "Austin Drugs" containing 49 tablets of Valium,
12 and one tablet of clonazepam (Klonopin). Respondent was arrested. Austin Drugs refused to file
13 a complaint for burglary.

14 e. On or about February 10, 2011, Austin Drugs filed a "Report of Theft or
15 Loss of Controlled Substances" with the Board stating that 40 tablets of hydrocodone-APAP 5-
