8 requirements, respondent shall state in each report under penalty of perjury whether there has
9 been compliance with all the terms and conditions of probation. Failure to submit timely reports
10 in a form as directed shall be considered a violation of probation. Any period(s) of delinquency
11 in submission of reports as directed may be added to the total period of probation. Moreover, if
12 the final probation report is not made as directed, probation shall be automatically extended until
13 such time as the final report is made and accepted by the board.

14 **4. Interview with the Board**

15 Upon receipt of reasonable prior notice, respondent shall appear in person for interviews
16 with the board or its designee, at such intervals and locations as are determined by the board or its

21 Respondent shall cooperate with the board's inspection program and with the board's
22 monitoring and investigation of respondent's compliance with the terms and conditions of her
23 probation. Failure to cooperate shall be considered a violation of probation.

25 During the period of probation, respondent shall notify all present and prospective
26 employers of the decision in case number 4306 and the terms, conditions and restrictions imposed
27 on respondent by the decision, as follows:

28 Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of

1 respondent undertaking any new employment, respondent shall cause her direct supervisor,
2 pharmacist-in-charge (including each new pharmacist-in-charge employed during respondent's
3 tenure of employment) and owner to report to the board in writing acknowledging that the listed
4 individual(s) has/have read the decision in case number 4306 and the terms and conditions
5 imposed thereby. It shall be respondent's responsibility to ensure that her employer(s) and/or
6 supervisor(s) submit timely acknowledgement(s) to the board.

7 If respondent works for or is employed by or through a pharmacy employment service,
8 respondent must notify her direct supervisor, pharmacist-in-charge and owner at every pharmacy
9 of the terms and conditions of the decision in case number 4306 in advance of the respondent
10 commencing work at each pharmacy. A record of this notification must be provided to the board
11 upon request.

12 Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen
13 (15) days of respondent undertaking any new employment by or through a pharmacy employment
14 service, respondent shall cause her direct supervisor with the pharmacy employment service to
15 report to the board in writing acknowledging that she has read the decision in case number 4306
16 and the terms and conditions imposed thereby. It shall be respondent's responsibility to ensure
17 that her employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

18 Failure to timely notify present or prospective employer(s) or to cause that/those
19 employer(s) to submit timely acknowledgements to the board shall be considered a violation of
20 probation.

21 "Employment" within the meaning of this provision shall include any full-time,
22 part-time, temporary or relief service or pharmacy management service as a pharmacy
23 technician or in any position for which a pharmacy technician license is a requirement
24 or criterion for employment, whether the respondent is considered an employee,
25 independent contractor or volunteer.

26 **7. Reimbursement of Board Costs**

27 As a condition precedent to successful completion of probation, respondent shall pay to the
28 board its costs of investigation and prosecution in the amount of \$3385.00. Respondent shall

1 make said payments per a payment plan determined by the Board. There shall be no deviation
2 from this schedule absent prior written approval by the board or its designee. Failure to pay costs
3 by the deadline(s) as directed shall be considered a violation of probation.

4 The filing of bankruptcy by respondent shall not relieve respondent of her responsibility to
5 reimburse the board its costs of investigation and prosecution.

6 **8. Probation Monitoring Costs**

7 Respondent shall pay any costs associated with probation monitoring as determined by the
8 board each and every year of probation. Such costs shall be payable to the board on a schedule as
9 directed by the board or its designee. Failure to pay such costs by the deadline(s) as directed shall
10 be considered a violation of probation.

11 **9. Status of License**

12 Respondent shall, at all times while on probation, maintain an active, current pharmacy
13 technician license with the board, including any period during which suspension or probation is
14 tolled. Failure to maintain an active, current license shall be considered a violation of probation.

15 If respondent's pharmacy technician license expires or is cancelled by operation of law or
16 otherwise at any time during the period of probation, including any extensions thereof due to
17 tolling or otherwise, upon renewal or reapplication respondent's license shall be subject to all
18 terms and conditions of this probation not previously satisfied.

19 **10. License Surrender While on Probation/Suspension**

20 Following the effective date of this decision, should respondent cease work due to
21 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
22 respondent may tender her pharmacy technician license to the board for surrender. The board or
23 its designee shall have the discretion whether to grant the request for surrender or take any other
24 action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the
25 license, respondent will no longer be subject to the terms and conditions of probation. This
26 surrender constitutes a record of discipline and shall become a part of the respondent's license
27 history with the board.

28 Upon acceptance of the surrender, respondent shall relinquish her pharmacy technician

1 license to the board within ten (10) days of notification by the board that the surrender is
2 accepted. Respondent may not reapply for any license, permit, or registration from the board for
3 three (3) years from the effective date of the surrender. Respondent shall meet all requirements
4 applicable to the license sought as of the date the application for that license is submitted to the
5 board.

6 **11. Notification of a Change in Name, Residence Address, Mailing Address or**
7 **Employment**

8 Respondent shall notify the board in writing within ten (10) days of any change of
9 employment. Said notification shall include the reasons for leaving, the address of the new
10 employer, the name of the supervisor and owner, and the work schedule if known. Respondent
11 shall further notify the board in writing within ten (10) days of a change in name, residence
12 address and mailing address, or phone number.

13 Failure to timely notify the board of any change in employer(s), name(s), address(es), or
14 phone number(s) shall be considered a violation of probation.

15 **12. Tolling of Probation**

16 Except during periods of suspension, respondent shall, at all times while on probation, be
17 employed as a pharmacy technician in California for a minimum of 40 hours per calendar month.
18 Any month during which this minimum is not met shall toll the period of probation, i.e., the
19 period of probation shall be extended by one month for each month during which this minimum is
20 not met. During any such period of tolling of probation, respondent must nonetheless comply
21 with all terms and conditions of probation.

22 Should respondent, regardless of residency, for any reason (including vacation) cease
23 working as a pharmacy technician for a minimum of 40 hours per calendar month in California,
24 respondent must notify the board in writing within ten (10) days of cessation of work and must
25 further notify the board in writing within ten (10) days of the resumption of the work. Any
26 failure to provide such notification(s) shall be considered a violation of probation.

27 It is a violation of probation for respondent's probation to remain tolled pursuant to the
28 provisions of this condition for a total period, counting consecutive and non-consecutive months,

1 exceeding thirty-six (36) months.

2 "Cessation of work" means calendar month during which respondent is not
3 working for at least 40 hours as a pharmacy technician, as defined in Business and
4 Professions Code section 4115. "Resumption of work" means any calendar month
5 during which respondent is working as a pharmacy technician for at least 40 hours as
6 a pharmacy technician as defined by Business and Professions Code section 4115.

7 **13. Violation of Probation**

8 If a respondent has not complied with any term or condition of probation, the board shall
9 have continuing jurisdiction over respondent, and probation shall automatically be extended, until
10 all terms and conditions have been satisfied or the board has taken other action as deemed
11 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
12 to impose the penalty that was stayed.

13 If respondent violates probation in any respect, the board, after giving respondent notice
14 and an opportunity to be heard, may revoke probation and carry out the disciplinary order that
15 was stayed. Notice and opportunity to be heard are not required for those provisions stating that a
16 violation thereof may lead to automatic termination of the stay and/or revocation of the license. If
17 a petition to revoke probation or an accusation is filed against respondent during probation, the
18 board shall have continuing jurisdiction, and the period of probation shall be automatically
19 extended until the petition to revoke probation or accusation is heard and decided.

20 **14. Completion of Probation**

21 Upon written notice by the board indicating successful completion of probation,
22 respondent's pharmacy technician license will be fully restored.

23 **15. No Ownership of Licensed Premises**

24 Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,
25 administrator, member, officer, director, trustee, associate, or partner of any business, firm,
26 partnership, or corporation currently or hereinafter licensed by the board. Respondent shall sell
27 or transfer any legal or beneficial interest in any entity licensed by the board within ninety (90)
28 days following the effective date of this decision and shall immediately thereafter provide written

1 proof thereof to the board. Failure to timely divest any legal or beneficial interest(s) or provide
2 documentation thereof shall be considered a violation of probation.

3 Respondent shall not acquire any new ownership, legal or beneficial interest nor serve as a
4 manager, administrator, member, officer, director, trustee, associate, or partner of any additional
5 business, firm, partnership, or corporation licensed by the board. If respondent currently owns or
6 has any legal or beneficial interest in, or serve as a manager, administrator, member, officer,
7 director, trustee, associate, or partner of any business, firm, partnership, or corporation currently
8 or hereinafter licensed by the board, respondent may continue to serve in such capacity or hold
9 that interest, but only to the extent of that position or interest as of the effective of this decision.
10 Violation of this restriction shall be considered a violation of probation.

11 **16. Attend Substance Abuse Recovery Relapse Prevention and Support Groups**

12 Within thirty (30) days of the effective date of this decision, respondent shall begin regular
13 attendance at a recognized and established substance abuse recovery support group in California,
14 (e.g., Alcoholics Anonymous, Narcotics Anonymous, etc.) which has been approved by the board
15 or its designee. Respondent must attend at least one group meeting per week unless otherwise
16 directed by the board or its designee. Respondent shall continue regular attendance and submit
17 signed and dated documentation confirming attendance with each quarterly report for the duration
18 of probation. Failure to attend or submit documentation thereof shall be considered a violation of
19 probation.

20 **17. Random Drug Screening**

21 Respondent, at her own expense, shall participate in random testing, including but not
22 limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug
23 screening program as directed by the board or its designee. Respondent may be required to
24 participate in testing for the entire probation period and the frequency of testing will be
25 determined by the board or its designee. At all times respondent shall fully cooperate with the
26 board or its designee, and shall, when directed, submit to such tests and samples for the detection
27 of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the board or its
28 designee may direct. Failure to timely submit to testing as directed shall be considered a violation

1 of probation. Upon request of the board or its designee, respondent shall provide documentation
2 from a licensed practitioner that the prescription for a detected drug was legitimately issued and is
3 a necessary part of the treatment of the respondent. Failure to timely provide such documentation
4 shall be considered a violation of probation. Any confirmed positive test for alcohol or for any
5 drug not lawfully prescribed by a licensed practitioner as part of a documented medical treatment
6 shall be considered a violation of probation and shall result in the automatic suspension of work
7 by respondent. Respondent may not resume work as a pharmacy technician until notified by the
8 board in writing.

9 During suspension, respondent shall not enter any pharmacy area or any portion of or any
10 other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other
11 distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and
12 devices or controlled substances are maintained. Respondent shall not do any act involving drug
13 selection, selection of stock, manufacturing, compounding or dispensing; nor shall respondent
14 manage, administer, or assist any licensee of the board. Respondent shall not have access to or
15 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
16 substances. Respondent shall not resume work until notified by the board.

17 Respondent shall not direct, control or perform any aspect of the practice of pharmacy.
18 Subject to the above restrictions, respondent may continue to own or hold an interest in any
19 licensed premises in which she holds an interest at the time this decision becomes effective unless
20 otherwise specified in this order.

21 Failure to comply with this suspension shall be considered a violation of probation.

22 **18. Work Site Monitor**

23 Within ten (10) days of the effective date of this decision, respondent shall identify a work
24 site monitor, for prior approval by the board, who shall be responsible for supervising respondent
25 during working hours. Respondent shall be responsible for ensuring that the work site monitor
26 reports in writing to the board quarterly. Should the designated work site monitor determine at
27 any time during the probationary period that respondent has not maintained sobriety, she shall
28 notify the board immediately, either orally or in writing as directed. Should respondent change

1 employment, a new work site monitor must be designated, for prior approval by the board, within
2 ten (10) days of commencing new employment. Failure to identify an acceptable initial or
3 replacement work site monitor, or to ensure quarterly reports are submitted to the board, shall be
4 considered a violation of probation.

5 **19. Notification of Departure**

6 Prior to leaving the probationary geographic area designated by the board or its designee for
7 a period greater than twenty-four (24) hours, respondent shall notify the board verbally and in
8 writing of the dates of departure and return. Failure to comply with this provision shall be
9 considered a violation of probation.

10 **20. Abstain from Drugs and Alcohol Use**

11 Respondent shall completely abstain from the possession or use of alcohol, controlled
12 substances, dangerous drugs and their associated paraphernalia except when the drugs are
13 lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon
14 request of the board or its designee, respondent shall provide documentation from the licensed
15 practitioner that the prescription for the drug was legitimately issued and is a necessary part of the
16 treatment of the respondent. Failure to timely provide such documentation shall be considered a
17 violation of probation. Respondent shall ensure that she is not in the same physical location as
18 individuals who are using illicit substances even if respondent is not personally ingesting the
19 drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia
20 not supported by the documentation timely provided, and/or any physical proximity to persons
21 using illicit substances, shall be considered a violation of probation.

22 **21. Prescription Coordination and Monitoring of Prescription Use**

23 Within thirty (30) days of the effective date of this decision, respondent shall submit to the
24 board, for its prior approval, the name and qualifications of a single physician, nurse practitioner,
25 physician assistant, or psychiatrist of respondent's choice, who shall be aware of the respondent's
26 history [with the use of alcohol, controlled substances, and/or dangerous drugs, and/or of mental
27 illness, and/or of gambling addiction] and who will coordinate and monitor any prescriptions for
28 respondent for dangerous drugs, controlled substances or mood-altering drugs. The approved

1 practitioner shall be provided with a copy of the board's [accusation or petition to revoke
2 probation] and decision. A record of this notification must be provided to the board upon request.
3 Respondent shall sign a release authorizing the practitioner to communicate with the board about
4 respondent's treatment(s). The coordinating physician, nurse practitioner, physician assistant, or
5 psychiatrist shall report to the board on a quarterly basis for the duration of probation regarding
6 respondent's compliance with this condition. If any substances considered addictive have been
7 prescribed, the report shall identify a program for the time limited use of any such substances.
8 The board may require that the single coordinating physician, nurse practitioner, physician
9 assistant or psychiatrist be a specialist in addictive medicine, or consult a specialist in addictive
10 medicine. Should respondent, for any reason, cease supervision by the approved practitioner,
11 respondent shall notify the board immediately and, within thirty (30) days of ceasing treatment,
12 submit the name of a replacement physician, nurse practitioner, physician assistant, or psychiatrist
13 of respondent's choice to the board or its designee for its prior approval. Failure to timely submit
14 the selected practitioner or replacement practitioner to the board for approval, or to ensure the
15 required reporting thereby on the quarterly reports, shall be considered a violation of probation.

16 If at any time an approved practitioner determines that respondent is unable to work safely
17 as a pharmacy technician, the practitioner shall notify the board immediately by telephone and
18 follow up by written letter within three (3) working days. Upon notification from the board or its
19 designee of this determination, respondent shall be automatically suspended and shall not resume
20 work until notified by the board that work may be resumed.

21 During suspension, respondent shall not enter any pharmacy area or any portion of or any
22 other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other
23 distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and
24 devices or controlled substances are maintained. Respondent shall not do any act involving drug
25 selection, selection of stock, manufacturing, compounding or dispensing; nor shall respondent
26 manage, administer, or assist any licensee of the board. Respondent shall not have access to or
27 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
28 substances.

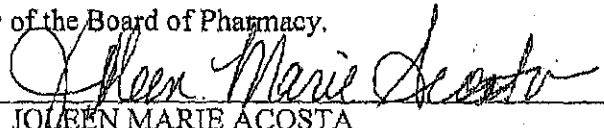

Respondent shall not direct, control or perform any aspect of the practice of pharmacy. Subject to the above restrictions, respondent may continue to own or hold an interest in any licensed premises in which he or she holds an interest at the time this decision becomes effective unless otherwise specified in this order.

Failure to comply with this suspension shall be considered a violation of probation.
