Each board shall take into account all competent evidence of rehabilitation
furnished by the applicant or licensee.

30 7. Section 490 of the Code provides, in pertinent part, that a board may suspend or

3 substantially related to the qualifications, functions, and duties of the licensee in
4 question.

5 As used in this section, "license" includes "certificate," "permit,"
6 "authority," and "registration."

7 9. Section 4059 of the Code provides in part that a person may not furnish any
