Upon arrival, the officers contacted Respondent and he was positively identified by a 27homeowner as the suspicious individual that ran from her back yard. Officer Victor was speaking 28 5 Accusation (Case No. 4315) with Respondent, when he spontaneously stated, "I was just walking through the bushes because I was trying to find my bike." Upon further questioning by the officers, they noticed that Respondent was displaying 22, 4 objective signs of being under the influence of a controlled substance. In observing Respondent's 5 behavior, the officers noted that: 1). Respondent's speech was rapid and he constantly licked his 6 7 lips as if his mouth was dry; 2). Respondent was continuously shifting his body weight from side 8 to side as he stood talking to the officers; 3), Respondent had beads of sweat pouring down his forehead despite the cool weather; 4). Respondent's pulse measured approximately 125 beats per 9 minute; and 5). During the administration of the Rhomberg stand test, Respondent's eyelids 10 11 fluttered rapidly while closed, a symptom often referred to as "eyelid tremors," Respondent closed his eyes and estimated 30 seconds in what was actually 25 seconds. Officer Grant asked 12 Respondent when was the last time he used drugs. Respondent stated, "I used cocaine about three 13 hours ago," Based on the objective symptoms displayed by Respondent, coupled with his 14 statements, Officer Victor formed the opinion that Respondent was under the influence of a 15 controlled substance, to wit, a stimulant. 16

23. Upon further questioning of the reporting homeowners, the officers determined that Respondent stole a red 18-speed "Roadmaster" bicycle worth approximately \$200. Respondent stated that he had been drinking with a friend that lives on Stevens Avenue the night before the incident. Respondent explained that he could not remember where he left his bicycle the night before, so he decided to look in the backyards of nearby houses for his bicycle. Respondent went on to state that because he could not find his own bicycle, he took the victim's red bicycle in order for him to get home. Respondent was placed under private person's arrest for violating Penal Code section 484, subdivision (a).

24. Upon arrival at the Culver City Police Department, Officer Victor conducted a secondary examination of Respondent under controlled lighting to determine if he was under the influence of a controlled substance. Officer Victor applied the outer beam of his handheld flashlight to Respondent's eyes and noticed that they measured approximately 6.5 mm to 7.0 mm

and had little to no reaction to the application of light. Respondent closed his eyes and estimated 30 seconds to himself, in what was actually 20 seconds. Respondent's pulse measured approximately 140 beats per minute. Respondent submitted to a urine screening test to determine the presence of controlled substances. On May 5, 2011, the screen test results of Respondent's submitted urine sample indicated the presence of amphetamines, cannabinoids, and cocaine.
