9 tolling or otherwise, upon renewal or reapplication Applicant's license shall be subject to all terms
10 and conditions of this probation not previously satisfied.

11 **9. License Surrender While on Probation/Suspension**

12 Following the effective date of this decision, should Applicant cease work due to retirement
13 or health, or be otherwise unable to satisfy the terms and conditions of probation, Applicant may
14 tender his pharmacy technician license to the board for surrender. The board or its designee shall
15 have the discretion whether to grant the request for surrender or take any other action it deems
16 appropriate and reasonable. Upon formal acceptance of the surrender of the license, Applicant
17 will no longer be subject to the terms and conditions of probation. This surrender constitutes a
18 record of discipline and shall become a part of the Applicant's license history with the board.

19 Upon acceptance of the surrender, Applicant shall relinquish his pharmacy technician
20 license to the board within ten (10) days of notification by the board that the surrender is
21 accepted. Applicant may not reapply for any license, permit, or registration from the board for
22 three (3) years from the effective date of the surrender. Applicant shall meet all requirements
23 applicable to the license sought as of the date the application for that license is submitted to the
24 board.

25 **10. Notification of a Change in Name, Residence Address, Mailing Address or**
26 **Employment**

27 Applicant shall notify the board in writing within ten (10) days of any change of
28 employment. Said notification shall include the reasons for leaving, the address of the new

1 employer, the name of the supervisor and owner, and the work schedule if known. Applicant
2 shall further notify the board in writing within ten (10) days of a change in name, residence
3 address and mailing address, or phone number.

4 Failure to timely notify the board of any change in employer(s), name(s), address(es), or
5 phone number(s) shall be considered a violation of probation.

6 11. Tolling of Probation

7 Except during periods of suspension, Applicant shall, at all times while on probation, be
8 employed as a pharmacy technician in California for a minimum of 20 hours per calendar month.
9 Any month during which this minimum is not met shall toll the period of probation, i.e., the
10 period of probation shall be extended by one month for each month during which this minimum is
11 not met. During any such period of tolling of probation, Applicant must nonetheless comply with
12 all terms and conditions of probation.

13 Should Applicant, regardless of residency, for any reason (including vacation) cease
14 working as a pharmacy technician for a minimum of 20 hours per calendar month in California,
15 Applicant must notify the board in writing within ten (10) days of cessation of work and must
16 further notify the board in writing within ten (10) days of the resumption of the work. Any
17 failure to provide such notification(s) shall be considered a violation of probation.

18 It is a violation of probation for Applicant's probation to remain tolled pursuant to the
19 provisions of this condition for a total period, counting consecutive and non-consecutive months,
20 exceeding thirty-six (36) months.

21 "Cessation of work" means calendar month during which Applicant is not
22 working for at least 20 hours as a pharmacy technician, as defined in Business and
23 Professions Code section 4115. "Resumption of work" means any calendar month
24 during which Applicant is working as a pharmacy technician for at least 20 hours as a
25 pharmacy technician as defined by Business and Professions Code section 4115.

26 12. Violation of Probation

27 If a Applicant has not complied with any term or condition of probation, the board shall
28 have continuing jurisdiction over Applicant, and probation shall automatically be extended, until

1 all terms and conditions have been satisfied or the board has taken other action as deemed
2 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
3 to impose the penalty that was stayed.

4 If Applicant violates probation in any respect, the board, after giving Applicant notice and
5 an opportunity to be heard, may revoke probation and carry out the disciplinary order that was
6 stayed. Notice and opportunity to be heard are not required for those provisions stating that a
7 violation thereof may lead to automatic termination of the stay and/or revocation of the license. If
8 a petition to revoke probation or an accusation is filed against Applicant during probation, the
9 board shall have continuing jurisdiction, and the period of probation shall be automatically
10 extended until the petition to revoke probation or accusation is heard and decided.

11 13. Completion of Probation

12 Upon written notice by the board indicating successful completion of probation, Applicant's
13 pharmacy technician license will be fully restored.

14 14. No Ownership of Licensed Premises

15 Applicant shall not own, have any legal or beneficial interest in, or serve as a manager,
16 administrator, member, officer, director, trustee, associate, or partner of any business, firm,
17 partnership, or corporation currently or hereinafter licensed by the board. Applicant shall sell or
18 transfer any legal or beneficial interest in any entity licensed by the board within ninety (90) days
19 following the effective date of this decision and shall immediately thereafter provide written
20 proof thereof to the board. Failure to timely divest any legal or beneficial interest(s) or provide
21 documentation thereof shall be considered a violation of probation.

22 15. Attend Substance Abuse Recovery Relapse Prevention and Support Groups

23 Within thirty (30) days of the effective date of this decision, Applicant shall begin regular
24 attendance at a recognized and established substance abuse recovery support group in California,
25 (e.g., Alcoholics Anonymous, Narcotics Anonymous, etc.) which has been approved by the board
26 or its designee. Applicant must attend at least one group meeting per week unless otherwise
27 directed by the board or its designee. Applicant shall continue regular attendance and submit
28 signed and dated documentation confirming attendance with each quarterly report for the duration

1 of probation. Failure to attend or submit documentation thereof shall be considered a violation of
2 probation.

3 **16. Random Drug Screening**

4 Applicant, at his own expense, shall participate in random testing, including but not limited
5 to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug screening
6 program as directed by the board or its designee. Applicant may be required to participate in
7 testing for the entire probation period and the frequency of testing will be determined by the
8 board or its designee. At all times Applicant shall fully cooperate with the board or its designee,
9 and shall, when directed, submit to such tests and samples for the detection of alcohol, narcotics,
10 hypnotics, dangerous drugs or other controlled substances as the board or its designee may direct.
11 Failure to timely submit to testing as directed shall be considered a violation of probation. Upon
12 request of the board or its designee, Applicant shall provide documentation from a licensed
13 practitioner that the prescription for a detected drug was legitimately issued and is a necessary
14 part of the treatment of the Applicant. Failure to timely provide such documentation shall be
15 considered a violation of probation. Any confirmed positive test for alcohol or for any drug not
16 lawfully prescribed by a licensed practitioner as part of a documented medical treatment shall be
17 considered a violation of probation and shall result in the automatic suspension of work by
18 Applicant. Applicant may not resume work as a pharmacy technician until notified by the board
19 in writing.

20 During suspension, Applicant shall not enter any pharmacy area or any portion of or any
21 other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other
22 distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and
23 devices or controlled substances are maintained. Applicant shall not do any act involving drug
24 selection, selection of stock, manufacturing, compounding or dispensing; nor shall Applicant
25 manage, administer, or assist any licensee of the board. Applicant shall not have access to or
26 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
27 substances. Applicant shall not resume work until notified by the board.

28 Applicant shall not direct, control or perform any aspect of the practice of pharmacy.

1 Subject to the above restrictions, Applicant may continue to own or hold an interest in any
2 licensed premises in which he holds an interest at the time this decision becomes effective unless
3 otherwise specified in this order.

4 Failure to comply with this suspension shall be considered a violation of probation.

5 **17. Work Site Monitor**

6 Within ten (10) days of the effective date of this decision, Applicant shall identify a work
7 site monitor, for prior approval by the board, who shall be responsible for supervising Applicant
8 during working hours. Applicant shall be responsible for ensuring that the work site monitor
9 reports in writing to the board quarterly. Should the designated work site monitor determine at
10 any time during the probationary period that Applicant has not maintained sobriety, he shall
11 notify the board immediately, either orally or in writing as directed. Should Applicant change
12 employment, a new work site monitor must be designated, for prior approval by the board, within
13 ten (10) days of commencing new employment. Failure to identify an acceptable initial or
14 replacement work site monitor, or to ensure quarterly reports are submitted to the board, shall be
15 considered a violation of probation.

16 **18. Abstain from Drugs and Alcohol Use**

17 Applicant shall completely abstain from the possession or use of alcohol, controlled
18 substances, dangerous drugs and their associated paraphernalia except when the drugs are
19 lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon
20 request of the board or its designee, Applicant shall provide documentation from the licensed
21 practitioner that the prescription for the drug was legitimately issued and is a necessary part of the
22 treatment of the Applicant. Failure to timely provide such documentation shall be considered a
23 violation of probation. Applicant shall ensure that he is not in the same physical location as
24 individuals who are using illicit substances even if Applicant is not personally ingesting the
25 drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia
26 not supported by the documentation timely provided, and/or any physical proximity to persons
27 using illicit substances, shall be considered a violation of probation.
