13 constitute a waiver of respondent's right to a hearing, but the agency in its discretion
14 may nevertheless grant a hearing.

15 6. Respondent failed to file a Notice of Defense within 15 days after service upon her of
16 the Accusation, and therefore waived her right to a hearing on the merits of Accusation No. 5154.

27 the charges and allegations in Accusation No. 5154, are separately and severally, found to be true
28 and correct by clear and convincing evidence.

9. Taking official notice of its own internal records, pursuant to Business and
Professions Code section 125.3, it is hereby determined that the reasonable costs for Investigation
and Enforcement is \$4,246.00 as of September 30, 2014.

2 **JURISDICTION**

3 3. This Accusation is brought before the Board under the authority of the following laws.

4 All section references are to the Business and Professions Code unless otherwise indicated.

5 **STATUTORY PROVISIONS**

6 4. Section 490 states, in pertinent part:

7 (a) In addition to any other action that a board is permitted to take
8 against a licensee, a board may suspend or revoke a license on the ground that the
9 licensee has been convicted of a crime, if the crime is substantially related to the
10 qualifications, functions, or duties of the business or profession for which the license
11 was issued.

12 (b) Notwithstanding any other provision of law, a board may exercise any
13 authority to discipline a licensee for conviction of a crime that is independent of the
14 authority granted under subdivision (a) only if the crime is substantially related to the
15 qualifications, functions, or duties of the business or profession for which the licensee's
16 license was issued.

17 (c) A conviction within the meaning of this section means a plea or
18 verdict of guilty or a conviction following a plea of nolo contendere. Any action that a
19 board is permitted to take following the establishment of a conviction may be taken
20 when the time for appeal has elapsed, or the judgment of conviction has been affirmed
21 on appeal, or when an order granting probation is made suspending the imposition of
22 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of
23 the Penal Code.

24 5. Section 493 states:

25 Notwithstanding any other provision of law, in a proceeding conducted by
26 a board within the department pursuant to law to deny an application for a license or
27 to suspend or revoke a license or otherwise take disciplinary action against a person
28 who holds a license, upon the ground that the applicant or the licensee has been
convicted of a crime substantially related to the qualifications, functions, and duties of
the licensee in question, the record of conviction of the crime shall be conclusive
evidence of the fact that the conviction occurred, but only of that fact, and the board
may inquire into the circumstances surrounding the commission of the crime in order
to fix the degree of discipline or to determine if the conviction is substantially related
to the qualifications, functions, and duties of the licensee in question. As used in this
section, "license" includes "certificate," "permit," "authority," and "registration."

29 6. Section 4060 provides in pertinent part, that no person shall possess any controlled
30 substance, except that furnished to a person upon the prescription of a physician, dentist,
31 podiatrist, optometrist, veterinarian, or other authorized prescriber. This section does not apply to
32 the possession of any controlled substance by a pharmacy or pharmacist "... if in stock in
33 containers correctly labeled with the name and address of the supplier or producer."

1 7. Section 4300 provides, in pertinent part, that every license issued by the Board is
2 subject to discipline, including suspension or revocation.

3 8. Section 4300.1 states:

4 The expiration, cancellation, forfeiture, or suspension of a board-issued
5 license by operation of law or by order or decision of the board or a court of law, the
6 placement of a license on a retired status, or the voluntary surrender of a license by a
7 licensee shall not deprive the board of jurisdiction to commence or proceed with any
8 investigation of, or action or disciplinary proceeding against, the licensee or to render
9 a decision suspending or revoking the license.

10 9. Section 4301 states:

11 The board shall take action against any holder of a license who is guilty of
12 unprofessional conduct or whose license has been procured by fraud or
13 misrepresentation or issued by mistake. Unprofessional conduct shall include, but is
14 not limited to, any of the following:

15

16 (f) The commission of any act involving moral turpitude, dishonesty,
17 fraud, deceit, or corruption, whether the act is committed in the course of relations as
18 a licensee or otherwise, and whether the act is a felony or misdemeanor or not.

19

20 (h) The administering to oneself, of any controlled substance, or the use
21 of any dangerous drug or of alcoholic beverages to the extent or in a manner as to be
22 dangerous or injurious to oneself, to a person holding a license under this chapter, or
23 to any other person or to the public, or to the extent that the use impairs the ability of
24 the person to conduct with safety to the public the practice authorized by the license.

25

26 (i) The violation of any of the statutes of this state, or any other state,
27 or of the United States regulating controlled substances and dangerous drugs.

28

 (l) The conviction of a crime substantially related to the qualifications,
functions, and duties of a licensee under this chapter. The record of conviction of a
violation of Chapter 13 (commencing with Section 801) of Title 21 of the United
States Code regulating controlled substances or of a violation of the statutes of this
state regulating controlled substances or dangerous drugs shall be conclusive evidence
of unprofessional conduct. In all other cases, the record of conviction shall be
conclusive evidence only of the fact that the conviction occurred. The board may
inquire into the circumstances surrounding the commission of the crime, in order to fix
the degree of discipline or, in the case of a conviction not involving controlled
substances or dangerous drugs, to determine if the conviction is of an offense
substantially related to the qualifications, functions, and duties of a licensee under this
chapter. A plea or verdict of guilty or a conviction following a plea of nolo
contendere is deemed to be a conviction within the meaning of this provision. The
board may take action when the time for appeal has elapsed, or the judgment of

1 conviction has been affirmed on appeal or when an order granting probation is made
2 suspending the imposition of sentence, irrespective of a subsequent order under
3 Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of
4 guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or
5 dismissing the accusation, information, or indictment.

6
7 (o) Violating or attempting to violate, directly or indirectly, or assisting
8 in or abetting the violation of or conspiring to violate any provision or term of this
9 chapter or of the applicable federal and state laws and regulations governing
10 pharmacy, including regulations established by the board or by any other state or
11 federal regulatory agency.

12 REGULATORY PROVISIONS

13 10. California Code of Regulations, title 16, Section 1770, states:

14 For the purpose of denial, suspension, or revocation of a personal or
15 facility license pursuant to Division 1.5 (commencing with Section 475) of the
16 Business and Professions Code, a crime or act shall be considered substantially related
17 to the qualifications, functions or duties of a licensee or registrant if to a substantial
18 degree it evidences present or potential unfitness of a licensee or registrant to perform
19 the functions authorized by his license or registration in a manner consistent with the
20 public health, safety, or welfare.

21 11. Health and Safety Code section 11170 provides that "No person shall prescribe,
22 administer, or furnish a controlled substance for himself."

23 12. Health and Safety Code section 11350, subdivision (a) states as follows:

24 (a) Except as otherwise provided in this division, every person who
25 possesses (1) any controlled substance specified in subdivision (b) or (c), or paragraph
26 (1) of subdivision (f) of Section 11054, specified in paragraph (14), (15), or (20) of
27 subdivision (d) of Section 11054, or specified in subdivision (b) or (c) of Section
28 11055, or specified in subdivision (h) of Section 11056, or (2) any controlled
substance classified in Schedule III, IV, or V which is a narcotic drug, unless upon the
written prescription of a physician, dentist, podiatrist, or veterinarian licensed to
practice in this state, shall be punished by imprisonment pursuant to subdivision (h) of
Section 1170 of the Penal Code.

13 13. Health and Safety Code Section 11377, in pertinent part, makes it unlawful to possess
14 any controlled substance without a prescription.

15 14. Health and Safety Code section 11550, in pertinent part, makes it unlawful for any
16 person to use or be under the influence of any controlled substance in Schedule II (Health and
17 Safety Code Section 11055), except when administered by or under the direction of an authorized
18 licensee.

19 ///

1 COST RECOVERY

2 15. Section 125.3 states, in pertinent part, that the Board may request the administrative
3 law judge to direct a licentiate found to have committed a violation or violations of the licensing
4 act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the
5 case.
