DEFAULT DECISION AND ORDER

[Gov. Code, §11520]

17 Respondent.

18
19 FINDINGS OF FACT

20 1. On or about November 14, 2014, Complainant Virginia Herold, in her official
21 capacity as the Executive Officer of the Board of Pharmacy, Department of Consumer Affairs,
22 filed Petition to Revoke Probation No. 5329 against Angel E. Orellana (Respondent) before the
23 Board of Pharmacy. (Petition to Revoke Probation attached as Exhibit A.)

24 2. On or about October 22, 2004, the Board of Pharmacy (Board) issued Pharmacy
25 Technician Registration No. TCH 59395 to Respondent. The Pharmacy Technician Registration
26 was in full force and effect at all times relevant to the charges brought in Petition to Revoke
27 Probation No. 5329 and will expire on May 31, 2016, unless renewed.

1 3. On or about November 21, 2014, Respondent was served by Certified and First Class
2 Mail copies of the Petition to Revoke Probation No. 5329, Statement to Respondent, Notice of
3 Defense, Request for Discovery, and Discovery Statutes (Government Code sections 11507.5,
4 11507.6, and 11507.7) at Respondent's address of record which, pursuant to Business and
5 Professions Code section 4100, is required to be reported and maintained with the Board.

6 Respondent's address of record was and is:

7 754 Delta Street
8 San Francisco, CA 94134.

9 4. Service of the Petition to Revoke Probation was effective as a matter of law under the
10 provisions of Government Code section 11505, subdivision (c) and/or Business & Professions
11 Code section 124.

12 5. Government Code section 11506 states, in pertinent part:

13 (c) The respondent shall be entitled to a hearing on the merits if the respondent
14 files a notice of defense, and the notice shall be deemed a specific denial of all parts
15 of the accusation not expressly admitted. Failure to file a notice of defense shall
16 constitute a waiver of respondent's right to a hearing, but the agency in its discretion
17 may nevertheless grant a hearing.

18 6. Respondent failed to file a Notice of Defense within 15 days after service upon him
19 of the Petition to Revoke Probation, and therefore waived his right to a hearing on the merits of
20 Petition to Revoke Probation No. 5329.

21 7. California Government Code section 11520 states, in pertinent part:

22 (a) If the respondent either fails to file a notice of defense or to appear at the
23 hearing, the agency may take action based upon the respondent's express admissions
24 or upon other evidence and affidavits may be used as evidence without any notice to
25 respondent.

26 8. Pursuant to its authority under Government Code section 11520, the Board finds
27 Respondent is in default. The Board will take action without further hearing and, based on the
28 relevant evidence contained in the Default Decision Evidence Packet in this matter, as well as
taking official notice of all the investigatory reports, exhibits and statements contained therein on
file at the Board's offices regarding the allegations contained in Petition to Revoke Probation No.

5329, finds that the charges and allegations in Petition to Revoke Probation No. 5329, are separately and severally, found to be true and correct by clear and convincing evidence.

9. Taking official notice of its own internal records, pursuant to Business and Professions Code section 125.3, it is hereby determined that the reasonable costs for Investigation and Enforcement is \$1867.50 as of February 25, 2015.

DETERMINATION OF ISSUES

1. Based on the foregoing findings of fact, Respondent Angel E. Orellana has subjected his Pharmacy Technician Registration No. TCH 59395 to discipline.

2. The agency has jurisdiction to adjudicate this case by default.

3. The Board of Pharmacy is authorized to revoke Respondent's Pharmacy Technician Registration based upon the following violations of Business and Professions Code section 4300, subdivisions (a) and (d), alleged in the Petition to Revoke Probation which are supported by the evidence contained in the Default Decision Evidence Packet in this case:

- a. Failure to submit quarterly reports;
- b. Failure to participate in random drug testing;
- c. Failure to pay cost recovery; and
- d. Failure to notify the Board of change of employment.

ORDER

IT IS SO ORDERED that Pharmacy Technician Registration No. TCH 59395, heretofore issued to Respondent Angel E. Orellana, is revoked.

///

///

///

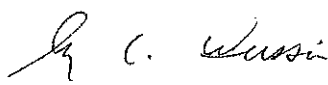

1 Pursuant to Government Code section 11520, subdivision (c), Respondent may serve a
2 written motion requesting that the Decision be vacated and stating the grounds relied on within
3 seven (7) days after service of the Decision on Respondent. The agency in its discretion may
4 vacate the Decision and grant a hearing on a showing of good cause, as defined in the statute.

22 Affairs.

23 2. On or about October 22, 2004, the Board of Pharmacy issued Pharmacy Technician
24 Registration Number TCH 59395 to Angel E. Orellana ("Respondent"). The Pharmacy

3. In a disciplinary action entitled "*In the Matter of Accusation Against Angel E. Orellana, also known as Angel Ernesto Orellana*," Case No. 4500, the Board of Pharmacy issued a Decision, effective April 14, 2014, in which Respondent's Pharmacy Technician Registration was revoked. However, the revocation was stayed and Respondent's Pharmacy Technician Registration was placed on probation for a period of three (3) years with certain terms and conditions. A copy of that decision is attached as Exhibit A and is incorporated by reference.

JURISDICTION

4. This Petition to Revoke Probation is brought before the Board of Pharmacy ("Board"), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

STATUTORY PROVISIONS

5. Section 4300 of the Code states:

“(a) Every license issued may be suspended or revoked.

• • •

“(d) The board may initiate disciplinary proceedings to revoke or suspend any probationary certificate of licensure for any violation of the terms and conditions of probation. Upon satisfactory completion of probation, the board shall convert the probationary certificate to a regular certificate, free of conditions.”

FIRST CAUSE TO REVOKE PROBATION

(Failure to Submit Quarterly Reports)

6. At all times after the effective date of Respondent's probation, Condition 3 stated:

Respondent shall report to the board quarterly, on a schedule as directed by the board or its designee. The report shall be made either in person or in writing, as directed. Among other requirements, respondent shall state in each report under penalty of perjury whether there has been compliance with all the terms and conditions of probation. Failure to submit timely reports in a form as directed shall be considered a violation of probation. Any period(s) of delinquency in submission of reports as directed may be added to the total period of probation. Moreover, if the final probation report is not made as directed, probation shall be automatically extended until such time as the final report is made and accepted by the board.

1 7. Respondent's probation is subject to revocation because he failed to comply with
2 Probation Condition 3, referenced above. The facts and circumstances regarding this violation are
3 that Respondent failed to submit his July quarterly report, which was due on July 10, 2014.

4 SECOND CAUSE TO REVOKE PROBATION
5 (Failure to Participate in Random Drug Testing)

6 8. At all times after the effective date of Respondent's probation, Condition 8 stated:

7 Respondent, at his or her own expense, shall participate in random testing, including
8 but not limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or
9 other drug screening program as directed by the board or its designee. Respondent may be
10 required to participate in testing for the entire probation period and the frequency of testing
11 will be determined by the board or its designee. At all times respondent shall fully cooperate
12 with the board or its designee, and shall, when directed, submit to such tests and samples
13 for the detection of alcohol, narcotics, hypnotics, dangerous drugs or other controlled
14 substances as the board or its designee may direct. Failure to timely submit to testing as
15 directed shall be considered a violation of probation. Upon request of the board or its
16 designee, respondent shall provide documentation from a licensed practitioner that the
17 prescription for a detected drug was legitimately issued and is a necessary part of the
18 treatment of the respondent. Failure to timely provide such documentation shall be
19 considered a violation of probation. Any confirmed positive test for alcohol or for any drug
20 not lawfully prescribed by a licensed practitioner as part of a documented medical treatment
21 shall be considered a violation of probation and shall result in the automatic suspension of
22 work by respondent. Respondent may not resume work as a pharmacy technician until
23 notified by the board in writing.

24 During suspension, respondent shall not enter any pharmacy area or any portion of or
25 any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any
26 other distributor of drugs) any drug manufacturer, or any other location where dangerous
27 drugs and devices or controlled substances are maintained. Respondent shall not do any act
28 involving drug selection, selection of stock, manufacturing, compounding or dispensing;
nor shall respondent manage, administer, or assist any licensee of the board. Respondent
shall not have access to or control the ordering, manufacturing or dispensing of dangerous
drugs and devices or controlled substances. Respondent shall not resume work until notified
by the board.

 Respondent shall not direct, control or perform any aspect of the practice of
pharmacy. Subject to the above restrictions, respondent may continue to own or hold an
interest in any licensed premises in which he or she holds an interest at the time this
decision becomes effective unless otherwise specified in this order.

 Failure to comply with this suspension shall be considered a violation of probation.

1 9. Respondent's probation is subject to revocation because he failed to comply with
2 Probation Condition 8, referenced above. The facts and circumstances regarding this violation are
3 that as of September 15, 2014, Respondent missed 13 scheduled drug screenings and failed to
4 check in with FirstLab 85 times.

5 THIRD CAUSE TO REVOKE PROBATION

6 (Failure to Pay Cost Recovery)

7 10. At all times after the effective date of Respondent's probation, Condition 9 stated:

8 As a condition precedent to successful completion of probation, respondent shall pay
9 to the board its costs of investigation and prosecution in the amount of \$3,215. Respondent
shall make said payments on a schedule directed by the board or its designee.

10 There shall be no deviation from this schedule absent prior written approval by the
11 board or its designee. Failure to pay costs by the deadline(s) as directed shall be considered
a violation of probation.

12 The filing of bankruptcy by respondent shall not relieve respondent of his or her
13 responsibility to reimburse the board its costs of investigation and prosecution.

14 11. Respondent's probation is subject to revocation because he failed to comply with
15 Probation Condition 9, referenced above. The facts and circumstances regarding this violation are
16 that Respondent failed to make his required cost recovery payments to the Board in July 2014,
17 August 2014, and September 2014.

18 FOURTH CAUSE TO REVOKE PROBATION

19 (Failure to Notify Board of Change of Employment)

20 12. At all times after the effective date of Respondent's probation, Condition 13 stated:

21 Respondent shall notify the board in writing within 10 days of any change of
22 employment. Said notification shall include the reasons for leaving, the address of the new
23 employer, the name of the supervisor and owner, and the work schedule if known.
Respondent shall further notify the board in writing within 10 days of a change in name,
residence address and mailing address, or phone number.

24 Failure to timely notify the board of any change in employer(s), name(s), address(es),
25 or phone number(s), shall be considered a violation of probation.

26 13. Respondent's probation is subject to revocation because he failed to comply with
27 Probation Condition 13, referenced above. The facts and circumstances regarding this violation
28 are that on or about July 25, 2014, a Board inspector went to Respondent's employer to perform a

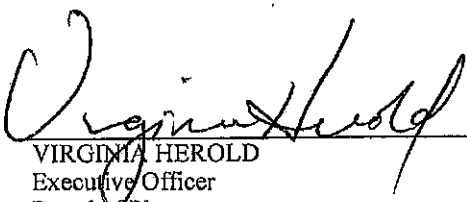

1 quarterly inspection. During the inspector's visit, Respondent's employer advised that
2 Respondent had been terminated from his employment on July 1, 2014. Respondent failed to
3 notify the Board of his termination.

4 PRAYER

5 WHEREFORE, Complainant requests that a hearing be held on the matters alleged in this
6 Petition to Revoke Probation, and that following the hearing, the Board of Pharmacy issue a
7 decision:

- 8 1. Revoking the probation that was granted by the Board of Pharmacy in Case No. 4500

In the Matter of the Accusation Against:

ANGEL ERNESTO ORELLANA

Pharmacy Technician Registration No.
TCH 59395,

Respondent.

Case No. 4500

OAH No. 2013041143

PROPOSED DECISION

Administrative Law Judge Melissa G. Crowell, State of California, Office of Administrative Hearings, heard this matter on July 15, 2013, in Oakland, California.

Deputy Attorney General Susana A. Gonzales represented complainant Virginia Herold, Executive Officer of the Board of Pharmacy, Department of Consumer Affairs.

Respondent Angel Ernesto Orellana was present and was self-represented.

The record closed and the matter was submitted for decision on July 15, 2013.

FACTUAL FINDINGS

1. On October 22, 2004, the Board of Pharmacy issued Pharmacy Technician Registration No. TCH 59395 to respondent Angel E. Orellana, who is also known as Angel Ernesto Orellana. The registration was in full force and effect during all times relevant to this proceeding. It will expire, if not renewed, on May 31, 2014.

Criminal Conviction

2. On May 22, 2012, respondent was convicted in the Superior Court of California, County of San Francisco, on his plea of nolo contendere to a violation of Vehicle Code section 23103, reckless driving, a misdemeanor. Respondent was placed on informal probation for 18 months, on terms and conditions that included completion of a First Offender's Program, and payment of fines, fees and assessments.

cocaine, he was carrying it for someone else, but he had considered using it later that evening. Respondent has never actually used cocaine.

9. Through his diversion program, respondent attended weekly group therapy sessions one-a-week for 25 weeks, and he was subject to random drug testing. Respondent successfully completed the diversion program February 13, 2013.

As part of his criminal sentence, respondent was required to attend a three-month First Offender Program for driving under the influence, which he completed December 1, 2012.

Through attendance at these court-ordered programs and classes, respondent addressed the stress he was feeling from his personal situation and "got it off [his] chest." He observed people who had it worse than he, and saw people relapse, which he did not do.

10. Respondent independently attended four sessions of one-on-one therapy in which he also worked on his personal issues and dealing with stress.

11. Respondent has a much more stable and nonconfrontational relationship with the mother of his children. He was awarded joint custody of his two children in December 2012.

12. Respondent's arrest and conviction helped to "wake [him] up" and realize that by his conduct he was jeopardizing a career that he had worked hard to obtain. He also realized that his conduct made his stress worse, rather than better. The conviction and diversion were expensive lessons for him. He knows that he has to "step it up" and not make matters worse.

13. Respondent has been licensed as pharmacy technician since 2004. He started his career at Crescent Home Care Infusion, after which he worked for a Walgreens pharmacy in San Francisco (located at 18th and Mission) for about two and one-half years. Respondent has been employed by Abbotts' Compounding Pharmacy, Inc., since March 2007. Pharmacist John Garcia is president of the company. In a letter dated June 12, 2013, Garcia attests to respondent's good character, and to his professionalism and good judgment at work. Garcia considers respondent a "very important and valued" employee.

14. This is respondent's first disciplinary action with the Board.

Costs

15. Complainant seeks to recover from respondent the costs of investigation and prosecution of this matter pursuant to Business and Profession Code section 125.3. The board has incurred \$3,215 in charges from the Department of Justice, representing 17.5 hours of attorney time, and two hours of paralegal time. Complainant submitted a declaration from the assigned deputy attorney general listing in general the tasks she performed and the time

personal growth, as a result of it. Respondent has worked in the industry for over eight years without incident. While there is no question that the conduct is substantially related to the licensed activity, the evidence also establishes that it is unlikely that he will engage in similar unprofessional conduct in the future. Placing respondent on probation to the board will be yet another reminder for him of the need to stay committed to his profession, his professionalism, and the need to continue to "step it up" and be mindful that his personal actions outside of his employment can jeopardize his licensure with the board. In consideration of the above, it is concluded that it would not be against the public interest to allow respondent to retain a pharmacy technician registration license on a probationary basis with standard terms and condition of probation.

5. Business and Professions Code section 125, subdivision (a), authorizes the administrative law judge to order a licensee found to have violated a licensing act to pay a sum not to exceed the reasonable costs of investigation and enforcement of the case. By reason of the matters set forth in Factual Finding 15, it is determined that the costs of \$3,215 incurred by the agency in the investigation and enforcement of this matter are reasonable.

As instructed by the California Supreme Court in *Zuckerman v. State Bd. of Chiropractic Examiners* (2002) 29 Cal.4th 32, the board must exercise its discretion to reduce or eliminate cost awards to ensure that it does not deter licensees with potentially meritorious claims from exercising their right to an administrative hearing. Each of the factors set forth in *Zuckerman* has been considered. There is no basis for reduction of the costs in this matter.

ORDER

Pharmacy technician registration number TCH 59395 issued to respondent Angel E. Orellana is revoked; however, the revocation is stayed, and respondent is placed on probation for a period of three years upon the following terms and conditions:

1. Obey All Laws

Respondent shall obey all state and federal laws and regulations substantially related to or governing the practice of pharmacy.

Respondent shall report any of the following occurrences to the board within 72 hours of such occurrence:

- an arrest or issuance of a criminal complaint for violation of any provision of the Pharmacy Law, state and federal food and drug laws, or state and federal controlled substances laws

terms and conditions of his probation. Failure to cooperate shall be considered a violation of probation.

5. Notice to Employers

During the period of probation, respondent shall notify all present and prospective employers of the decision in case number 4500 and the terms, conditions and restrictions imposed on respondent by the decision, as follows:

Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of respondent undertaking any new employment, respondent shall cause his direct supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed during respondent's tenure of employment) and owner to report to the board in writing acknowledging that the listed individual(s) has/have read the decision in case number 4500, and terms and conditions imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

If respondent works for or is employed by or through a pharmacy employment service, respondent must notify his direct supervisor, pharmacist-in-charge, and owner at every entity licensed by the board of the terms and conditions of the decision in case number 4500 in advance of respondent commencing work at each licensed entity. A record of this notification must be provided to the board upon request.

Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen (15) days of respondent undertaking any new employment by or through a pharmacy employment service, respondent shall cause his direct supervisor with the pharmacy employment service to report to the board in writing acknowledging that he or she has read the decision in case number 4500 and the terms and conditions imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

Failure to timely notify present or prospective employer(s) or to cause that/those employer(s) to submit timely acknowledgments to the board shall be considered a violation of probation.

"Employment" within the meaning of this provision shall

9. License Surrender While on Probation

Following the effective date of this decision, should respondent cease practice due to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation, respondent may tender his license to the board for surrender. The board or its designee shall have the discretion whether to grant the request for surrender or take any other action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the license, respondent will no longer be subject to the terms and conditions of probation. This surrender constitutes a record of discipline and shall become a part of the respondent's license history with the board.

Upon acceptance of the surrender, respondent shall relinquish his pocket and wall license to the board within ten (10) days of notification by the board that the surrender is accepted. Respondent may not reapply for any license from the board for three (3) years from the effective date of the surrender. Respondent shall meet all requirements applicable to the license sought as of the date the application for that license is submitted to the board, including any outstanding costs.

10. Notification of a Change in Name, Residence Address, Mailing Address or Employment

Respondent shall notify the board in writing within 10 days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, supervisor or owner, and the work schedule, if known. Respondent shall further notify the board in writing within 10 days of a change in name, residence address, mailing address, or phone number.

Failure to timely notify the board of any change in employer(s), name(s), address(es), or phone number(s), shall be considered a violation of probation.

11. Tolling of Probation

Except during periods of suspension, respondent shall, at all times while on probation, be employed as a pharmacist technician in California for a minimum of 40 hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be

13. Completion of Probation

Upon successful completion of probation, respondent's pharmacy technician registration will be fully restored.
