[Gov. Code, § 11520]

FINDINGS OF FACT

2. On or about April 27, 2012, Respondent filed an application dated April 11, 2012, with the Board of Pharmacy to obtain a Pharmacy Technician Registration.

1           3.    On or about October 9, 2012, the Board issued a letter denying Respondent's  
2 application for a Pharmacy Technician Registration. On or about November 28, 2012,  
3 Respondent appealed the Board's denial of his application and requested a hearing.

4           4.    On or about May 22, 2014, an employee of the Department of Justice, served by  
5 Certified and First Class Mail a copy of the Statement of Issues No. 4526, Statement to  
6 Respondent, Notice of Defense, Request for Discovery, and Government Code sections 11507.5,  
7 11507.6, and 11507.7, to Respondent's address on the application form, which was and is 5547  
8 Olanda Street, Lynwood, CA 90262. A copy of the Statement of Issues is attached as exhibit A,  
9 and is incorporated herein by reference.

10          5.    Service of the Statement of Issues was effective as a matter of law under the  
11 provisions of Government Code section 11505, subdivision (c).

12          6.    On or about November 28, 2012, Respondent appealed the denial of his application  
13 and requested a hearing in this action. A Notice of Hearing was served by mail at Respondent's  
14 address on the application and it informed him that an administrative hearing in this matter was  
15 scheduled for February 2, 2015. Respondent failed to appear at that hearing.

16          7.    Government Code section 11506 states, in pertinent part:

17               (c) The respondent shall be entitled to a hearing on the merits if the respondent  
18 files a notice of defense, and the notice shall be deemed a specific denial of all parts  
19 of the accusation not expressly admitted. Failure to file a notice of defense shall  
20 constitute a waiver of respondent's right to a hearing, but the agency in its discretion  
21 may nevertheless grant a hearing.

22          8.    California Government Code section 11520 states, in pertinent part:

23               (a) If the respondent either fails to file a notice of defense or to appear at the  
24 hearing, the agency may take action based upon the respondent's express admissions  
25 or upon other evidence and affidavits may be used as evidence without any notice to  
26 respondent; and where the burden of proof is on the respondent to establish that the  
27 respondent is entitled to the agency action sought, the agency may act without taking  
28 evidence.

          9.    Pursuant to its authority under Government Code section 11520, the Board finds  
Respondent is in default. The Board will take action without further hearing based upon the  
allegation set forth in the Statement of Issues and Respondent's failure to establish entitlement to  
issuance of a license.
