1 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
2 entitled proceedings, as specified below, that the following matters are true:

3 PARTIES

4 1. Virginia Herold ("Complainant") is the Executive Officer of the Board of Pharmacy
5 ("Board"). She brought this action solely in her official capacity and is represented in this matter
6 by Kamala D. Harris, Attorney General of the State of California, by Malissa N. Siemantel,
7 Deputy Attorney General.

8 2. Respondent Kim Khanh Nguyen ("Respondent Nguyen") is represented in this
9 proceeding by attorney Joseph Curren, whose address is: 6747 Fair Oaks Boulevard, Sacramento,
10 CA 95608.

11 3. On or about April 15, 2003, the Board issued Pharmacist License Number RPH
12 54305 to Respondent Nguyen. The pharmacist license was in full force and effect at all times
13 relevant to the charges brought herein and will expire on January 31, 2017, unless renewed.

14 JURISDICTION

15 4. Accusation No. 5610 was filed before the Board, and is currently pending against
16 Respondents. The Accusation and all other statutorily required documents were properly served
17 on Respondents on February 19, 2016. Respondents timely filed their Notice of Defense
18 contesting the Accusation.

19 5. A copy of Accusation No. 5610 is attached as exhibit A and incorporated herein by
20 reference.

21 ADVISEMENT AND WAIVERS

22 6. Respondent Nguyen has carefully read, fully discussed with counsel, and understands
23 the charges and allegations in Accusation No. 5610. Respondent Nguyen has also carefully read,
24 fully discussed with counsel, and understands the effects of this Stipulated Settlement and
25 Disciplinary Order.

26 7. Respondent Nguyen is fully aware of her legal rights in this matter, including the
27 right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-
28 examine the witnesses against them; the right to present evidence and to testify on her own

1 behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the
2 production of documents; the right to reconsideration and court review of an adverse decision;
3 and all other rights accorded by the California Administrative Procedure Act and other applicable
4 laws.

5 8. Respondent Nguyen voluntarily, knowingly, and intelligently waives and gives up
6 each and every right set forth above.

7 CULPABILITY

8 9. Respondent Nguyen understands and agrees that the charges and allegations in
9 Accusation No. 5610, if proven at hearing, constitute cause for imposing discipline upon her
10 Pharmacist License.

11 10. For the purpose of resolving Accusation No. 5610 without the expense and
12 uncertainty of further proceedings, Respondent Nguyen agrees that, at hearing, Complainant
13 could establish a factual basis for the charges against her in Accusation No. 5610, and that
14 Respondent Nguyen hereby gives up her right to contest those charges.

15 11. Respondent Nguyen agrees that in any future disciplinary proceeding before the
16 Board the allegations set forth in Accusation No. 5610 shall be deemed admitted.

17 12. Respondent Nguyen agrees that her Pharmacist License is subject to discipline and
18 she agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order
19 below.

20 CONTINGENCY

21 13. This stipulation shall be subject to approval by the Board of Pharmacy. Respondent
22 Nguyen understands and agrees that counsel for Complainant and the staff of the Board of
23 Pharmacy may communicate directly with the Board regarding this stipulation and settlement,
24 without notice to or participation by Respondent Nguyen or her counsel. By signing the
25 stipulation, Respondent Nguyen understands and agrees that she may not withdraw her agreement
26 or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the
27 Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and
28 Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible

1 in any legal action between the parties, and the Board shall not be disqualified from further action
2 by having considered this matter.

3 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
5 signatures thereto, shall have the same force and effect as the originals.

6 15. This Stipulated Settlement and Disciplinary Order is intended by the parties to be an
7 integrated writing representing the complete, final, and exclusive embodiment of their agreement.
8 It supersedes any and all prior or contemporaneous agreements, understandings, discussions,
9 negotiations, and commitments (written or oral). This Stipulated Settlement and Disciplinary
10 Order may not be altered, amended, modified, supplemented, or otherwise changed except by a
11 writing executed by an authorized representative of each of the parties.

12 16. In consideration of the foregoing admissions and stipulations, the parties agree that
13 the Board may, without further notice or formal proceeding, issue and enter the following
14 Disciplinary Order:

15 **DISCIPLINARY ORDER**

16 IT IS HEREBY ORDERED that Pharmacy License No. RPH 54305 issued to Respondent
17 Kim Khanh Nguyen is revoked. However, the revocation is stayed and Respondent Nguyen is
18 placed on probation for five (5) years on the following terms and conditions.

19 **1. Suspension**

20 As part of probation, Respondent Nguyen is suspended from the practice of pharmacy for
21 sixty (60) days beginning the effective date of this decision.

22 During suspension, Respondent Nguyen shall not enter any pharmacy area or any portion of
23 the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor
24 of drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and
25 devices or controlled substances are maintained. Respondent Nguyen shall not practice pharmacy
26 nor do any act involving drug selection, selection of stock, manufacturing, compounding,
27 dispensing or patient consultation; nor shall Respondent Nguyen manage, administer, or be a

28 ///

1 consultant to any licensee of the Board, or have access to or control the ordering, manufacturing
2 or dispensing of dangerous drugs and devices or controlled substances.

3 Respondent Nguyen shall not engage in any activity that requires the professional judgment
4 of a pharmacist. Respondent Nguyen shall not direct or control any aspect of the practice of
5 pharmacy. Respondent Nguyen shall not perform the duties of a pharmacy technician or a
6 designated representative for any entity licensed by the Board.

7 Failure to comply with this suspension shall be considered a violation of probation.

8 **2. Obey All Laws**

9 Respondent Nguyen shall obey all state and federal laws and regulations.

10 Respondent Nguyen shall report any of the following occurrences to the Board, in writing,
11 within seventy-two (72) hours of such occurrence:

- 12 • an arrest or issuance of a criminal complaint for violation of any provision of the
13 Pharmacy Law, state and federal food and drug laws, or state and federal controlled
14 substances laws
- 15 • a plea of guilty or nolo contendere in any state or federal criminal proceeding to any
16 criminal complaint, information or indictment
- 17 • a conviction of any crime
- 18 • discipline, citation, or other administrative action filed by any state or federal agency
19 which involves Respondent Nguyen's Pharmacist License or which is related to the
20 practice of pharmacy or the manufacturing, obtaining, handling, distributing, billing,
21 or charging for any drug, device or controlled substance.

22 Failure to timely report such occurrence shall be considered a violation of probation.

23 **3. Report to the Board**

24 Respondent Nguyen shall report to the Board quarterly, on a schedule as directed by the
25 Board or its designee. The report shall be made either in person or in writing, as directed.
26 Among other requirements, Respondent Nguyen shall state in each report under penalty of
27 perjury whether there has been compliance with all the terms and conditions of probation. Failure
28 to submit timely reports in a form as directed shall be considered a violation of probation. Any

1 period(s) of delinquency in submission of reports as directed may be added to the total period of
2 probation. Moreover, if the final probation report is not made as directed, probation shall be
3 automatically extended until such time as the final report is made and accepted by the Board.

4 **4. Interview with the Board**

5 Upon receipt of reasonable prior notice, Respondent Nguyen shall appear in person for
6 interviews with the Board or its designee, at such intervals and locations as are determined by the
7 Board or its designee. Failure to appear for any scheduled interview without prior notification to
8 Board staff, or failure to appear for two (2) or more scheduled interviews with the Board or its
9 designee during the period of probation, shall be considered a violation of probation.

10 **5. Cooperate with Board Staff**

11 Respondent Nguyen shall cooperate with the Board's inspection program and with the
12 Board's monitoring and investigation of Respondent Nguyen's compliance with the terms and
13 conditions of her probation. Failure to cooperate shall be considered a violation of probation.

14 **6. Continuing Education**

15 Respondent Nguyen shall provide evidence of efforts to maintain skill and knowledge as a
16 pharmacist as directed by the Board or its designee.

17 **7. Notice to Employers**

18 During the period of probation, Respondent Nguyen shall notify all present and prospective
19 employers of the decision in case number 5610 and the terms, conditions and restrictions imposed
20 on Respondent Nguyen by the decision, as follows:

21 Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of
22 Respondent Nguyen undertaking any new employment, Respondent Nguyen shall cause her
23 direct supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed
24 during Respondent Nguyen's tenure of employment) and owner to report to the Board in writing
25 acknowledging that the listed individual(s) has/have read the decision in case number 5610, and
26 terms and conditions imposed thereby. It shall be Respondent Nguyen's responsibility to ensure
27 that her employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the Board.

28 ///

1 If Respondent Nguyen works for or is employed by or through a pharmacy employment
2 service, Respondent Nguyen must notify her direct supervisor, pharmacist-in-charge, and owner
3 at every entity licensed by the Board of the terms and conditions of the decision in case number
4 5610 in advance of Respondent Nguyen commencing work at each licensed entity. A record of
5 this notification must be provided to the Board upon request.

6 Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen
7 (15) days of Respondent Nguyen undertaking any new employment by or through a pharmacy
8 employment service, Respondent Nguyen shall cause her direct supervisor with the pharmacy
9 employment service to report to the Board in writing acknowledging that they has read the
10 decision in case number 5610 and the terms and conditions imposed thereby. It shall be
11 Respondent Nguyen's responsibility to ensure that her employer(s) and/or supervisor(s) submit
12 timely acknowledgment(s) to the Board.

13 Failure to timely notify present or prospective employer(s) or to cause that/those
14 employer(s) to submit timely acknowledgments to the Board shall be considered a violation of
15 probation.

16 "Employment" within the meaning of this provision shall include any full-time,
17 part-time, temporary, relief or pharmacy management service as a pharmacist or any
18 position for which a pharmacist license is a requirement or criterion for employment,
19 whether the respondent is an employee, independent contractor or volunteer.

20 **8. No Supervision of Interns, Serving as Pharmacist-in-Charge (PIC), Serving as**
21 **Designated Representative-in-Charge, or Serving as a Consultant**

22 During the period of probation, Respondent Nguyen shall not supervise any intern
23 pharmacist, be the pharmacist-in-charge or designated representative-in-charge of any entity
24 licensed by the Board nor serve as a consultant unless otherwise specified in this order.
25 Assumption of any such unauthorized supervision responsibilities shall be considered a violation
26 of probation.

27 ///

28 ///

1 **9. Reimbursement of Board Costs**

2 As a condition precedent to successful completion of probation, Respondent Nguyen shall
3 pay to the Board its costs of investigation and prosecution in the amount of \$7,700.25.

4 Respondent Nguyen shall be permitted to pay costs in a payment plan approved by the Board or
5 its designee.

6 There shall be no deviation from this schedule absent prior written approval by the Board or
7 its designee. Failure to pay costs by the deadline(s) as directed shall be considered a violation of
8 probation.

9 The filing of bankruptcy by Respondent Nguyen shall not relieve Respondent Nguyen of
10 her responsibility to reimburse the Board its costs of investigation and prosecution.

11 **10. Probation Monitoring Costs**

12 Respondent Nguyen shall pay any costs associated with probation monitoring as
13 determined by the Board each and every year of probation. Such costs shall be payable to the
14 Board on a schedule as directed by the Board or its designee. Failure to pay such costs by the
15 deadline(s) as directed shall be considered a violation of probation.

16 **11. Status of License**

17 Respondent Nguyen shall, at all times while on probation, maintain an active, current
18 license with the Board, including any period during which suspension or probation is tolled.
19 Failure to maintain an active, current license shall be considered a violation of probation.

20 If Respondent Nguyen's license expires or is cancelled by operation of law or otherwise at
21 any time during the period of probation, including any extensions thereof due to tolling or
22 otherwise, upon renewal or reapplication Respondent Nguyen's license shall be subject to all
23 terms and conditions of this probation not previously satisfied.

24 **12. License Surrender While on Probation/Suspension**

25 Following the effective date of this decision, should Respondent Nguyen cease practice due
26 to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
27 Respondent Nguyen may tender her license to the Board for surrender. The Board or its designee
28 shall have the discretion whether to grant the request for surrender or take any other action it

1 deems appropriate and reasonable. Upon formal acceptance of the surrender of the license,
2 Respondent Nguyen will no longer be subject to the terms and conditions of probation. This
3 surrender constitutes a record of discipline and shall become a part of Respondent Nguyen's
4 license history with the Board.

5 Upon acceptance of the surrender, Respondent Nguyen shall relinquish her pocket and wall
6 license to the Board within ten (10) days of notification by the Board that the surrender is
7 accepted. Respondent Nguyen may not reapply for any license from the Board for three (3) years
8 from the effective date of the surrender. Respondent Nguyen shall meet all requirements
9 applicable to the license sought as of the date the application for that license is submitted to the
10 Board, including any outstanding costs.

11 **13. Notification of a Change in Name, Residence Address, Mailing Address or**
12 **Employment**

13 Respondent Nguyen shall notify the Board in writing within ten (10) days of any change of
14 employment. Said notification shall include the reasons for leaving, the address of the new
15 employer, the name of the supervisor and owner, and the work schedule if known. Respondent
16 Nguyen shall further notify the Board in writing within ten (10) days of a change in name,
17 residence address, mailing address, or phone number.

18 Failure to timely notify the Board of any change in employer(s), name(s), address(es), or
19 phone number(s) shall be considered a violation of probation.

20 **14. Tolling of Probation**

21 Except during periods of suspension, Respondent Nguyen shall, at all times while on
22 probation, be employed as a pharmacist in California for a minimum of forty (40) hours per
23 calendar month. Any month during which this minimum is not met shall toll the period of
24 probation, i.e., the period of probation shall be extended by one month for each month during
25 which this minimum is not met. During any such period of tolling of probation, Respondent
26 Nguyen must nonetheless comply with all terms and conditions of probation.

27 Should Respondent Nguyen, regardless of residency, for any reason (including vacation)
28 cease practicing as a pharmacist for a minimum of forty (40) hours per calendar month in

1 California, Respondent Nguyen must notify the Board in writing within ten (10) days of the
2 cessation of practice, and must further notify the Board in writing within ten (10) days of the
3 resumption of practice. Any failure to provide such notification(s) shall be considered a violation
4 of probation.

5 It is a violation of probation for Respondent Nguyen 's probation to remain tolled pursuant
6 to the provisions of this condition for a total period, counting consecutive and non-consecutive
7 months, exceeding thirty-six (36) months.

8 "Cessation of practice" means any calendar month during which respondent is
9 not practicing as a pharmacist for at least forty (40) hours, as defined by Business and
10 Professions Code section 4000 et seq . "Resumption of practice" means any calendar
11 month during which respondent is practicing as a pharmacist for at least forty (40)
12 hours as a pharmacist as defined by Business and Professions Code section 4000 et
13 seq.

14 **15. Violation of Probation**

15 If Respondent Nguyen has not complied with any term or condition of probation, the Board
16 shall have continuing jurisdiction over Respondent Nguyen, and probation shall automatically be
17 extended, until all terms and conditions have been satisfied or the Board has taken other action as
18 deemed appropriate to treat the failure to comply as a violation of probation, to terminate
19 probation, and to impose the penalty that was stayed.

20 If Respondent Nguyen violates probation in any respect, the Board, after giving Respondent
21 Nguyen notice and an opportunity to be heard, may revoke probation and carry out the
22 disciplinary order that was stayed. Notice and opportunity to be heard are not required for those
23 provisions stating that a violation thereof may lead to automatic termination of the stay and/or
24 revocation of the license. If a petition to revoke probation or an accusation is filed against
25 Respondent Nguyen during probation, the Board shall have continuing jurisdiction and the period
26 of probation shall be automatically extended until the petition to revoke probation or accusation is
27 heard and decided.

28 ///

1 **16. Completion of Probation**

2 Upon written notice by the Board or its designee indicating successful completion of
3 probation, Respondent Nguyen 's license will be fully restored.

4 **17. Remedial Education**

5 Within sixty (60) days of the effective date of this decision, Respondent Nguyen shall
6 submit to the Board or its designee, for prior approval, an appropriate program of remedial
7 education related to pharmacy operations, legal requirements and drug security. The program of
8 remedial education shall consist of at least five (5) hours each year of probation, for a total of
9 twenty-five (25) hours, at Respondent Nguyen 's own expense. All remedial education shall be in
10 addition to, and shall not be credited toward, continuing education (CE) courses used for license
11 renewal purposes.

12 Failure to timely submit or complete the approved remedial education shall be considered a
13 violation of probation. The period of probation will be automatically extended until such
14 remedial education is successfully completed and written proof, in a form acceptable to the
15 Board, is provided to the Board or its designee.

16 Following the completion of each course, the Board or its designee may require the
17 Respondent Nguyen, at her own expense, to take an approved examination to test Respondent
18 Nguyen 's knowledge of the course. If Respondent Nguyen does not achieve a passing score on
19 the examination, this failure shall be considered a violation of probation. Any such examination
20 failure shall require Respondent Nguyen to take another course approved by the Board in the
21 same subject area.

22 Respondent Nguyen shall be restricted from the practice of compounding until twelve (12)
23 hours of remedial education in compounding has been successfully completed.

24 **18. Supervised Practice**

25 During the period of probation, Respondent Nguyen shall practice only under the
26 supervision of a licensed pharmacist not on probation with the Board. Upon and after the
27 effective date of this decision, Respondent Nguyen shall not practice pharmacy and their license
28 shall be automatically suspended until a supervisor is approved by the Board or its designee. The

1 supervision shall be, as required by the Board or its designee, either:

2 Continuous - At least 75% of a work week

3 Substantial - At least 50% of a work week

4 Partial - At least 25% of a work week

5 Daily Review - Supervisor's review of probationer's daily activities within 24 hours

6 Within thirty (30) days of the effective date of this decision, Respondent Nguyen shall have
7 her supervisor submit notification to the Board in writing stating that the supervisor has read the
8 decision in case number 5610 and is familiar with the required level of supervision as determined
9 by the Board or its designee. It shall be Respondent Nguyen's responsibility to ensure that her
10 employer(s), pharmacist-in-charge and/or supervisor(s) submit timely acknowledgement(s) to the
11 Board. Failure to cause the direct supervisor and the pharmacist-in-charge to submit timely
12 acknowledgements to the Board shall be considered a violation of probation.

13 If Respondent Nguyen changes employment, it shall be Respondent Nguyen's
14 responsibility to ensure that her employer(s), pharmacist-in-charge and/or supervisor(s) submit
15 timely acknowledgement(s) to the Board. Respondent Nguyen shall have her new supervisor,
16 within fifteen (15) days after employment commences, submit notification to the Board in writing
17 stating the direct supervisor and pharmacist-in-charge have read the decision in case number 5610
18 and is familiar with the level of supervision as determined by the Board. Respondent Nguyen
19 shall not practice pharmacy and her license shall be automatically suspended until the Board or its
20 designee approves a new supervisor. Failure to cause the direct supervisor and the pharmacist-in-
21 charge to submit timely acknowledgements to the Board shall be considered a violation of
22 probation.

23 Within ten (10) days of leaving employment, Respondent Nguyen shall notify the Board in
24 writing.

25 During suspension, Respondent Nguyen shall not enter any pharmacy area or any portion of
26 the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor
27 of drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and
28 devices or controlled substances are maintained. Respondent Nguyen shall not practice pharmacy

1 nor do any act involving drug selection, selection of stock, manufacturing, compounding,
2 dispensing or patient consultation; nor shall Respondent Nguyen manage, administer, or be a
3 consultant to any licensee of the Board, or have access to or control the ordering, manufacturing
4 or dispensing of dangerous drugs and controlled substances. Respondent Nguyen shall not
5 resume practice until notified by the Board.

6 During suspension, Respondent Nguyen shall not engage in any activity that requires the
7 professional judgment of a pharmacist. Respondent Nguyen shall not direct or control any aspect
8 of the practice of pharmacy. Respondent Nguyen shall not perform the duties of a pharmacy
9 technician or a designated representative for any entity licensed by the Board.

10 Failure to comply with this suspension shall be considered a violation of probation.

11 **19. No Ownership of Licensed Premises**

12 Respondent Nguyen shall not own, have any legal or beneficial interest in, or serve as a
13 manager, administrator, member, officer, director, trustee, associate, or partner of any business,
14 firm, partnership, or corporation currently or hereinafter licensed by the Board. Respondent
15 Nguyen shall sell or transfer any legal or beneficial interest in any entity licensed by the Board
16 within ninety (90) days following the effective date of this decision and shall immediately
17 thereafter provide written proof thereof to the Board. Failure to timely divest any legal or
18 beneficial interest(s) or provide documentation thereof shall be considered a violation of
19 probation.

20 **20. Tolling of Suspension**

21 During the period of suspension, Respondent Nguyen shall not leave California for any
22 period exceeding ten (10) days, regardless of purpose (including vacation). Any such absence in
23 excess of the ten (10) days during suspension shall be considered a violation of probation.
24 Moreover, any absence from California during the period of suspension exceeding ten (10) days
25 shall toll the suspension, i.e., the suspension shall be extended by one day for each day over ten
26 (10) days Respondent Nguyen is absent from California. During any such period of tolling of
27 suspension, Respondent Nguyen must nonetheless comply with all terms and conditions of
28 probation.

Respondent Nguyen must notify the Board in writing within ten (10) days of departure, and must further notify the Board in writing within ten (10) days of return. The failure to provide such notification(s) shall constitute a violation of probation. Upon such departure and return, Respondent Nguyen shall not resume the practice of pharmacy until notified by the board that the period of suspension has been satisfactorily completed.

21. Ethics Course

Within sixty (60) calendar days of the effective date of this decision, Respondent Nguyen shall enroll in a course in ethics, at Respondent Nguyen's expense, approved in advance by the Board or its designee. Failure to initiate the course during the first year of probation, and complete it within the second year of probation, is a violation of probation.

Respondent Nguyen shall submit a certificate of completion to the Board or its designee within five days after completing the course. The course in ethics shall be in addition to, and shall not be credited toward, continuing education (CE) courses used for license renewal purposes.

7 The expiration, cancellation, forfeiture, or suspension of a board-issued
8 license by operation of law or by order or decision of the board or a court of law, the
9 placement of a license on a retired status, or the voluntary surrender of a license by a
10 licensee shall not deprive the board of jurisdiction to commence or proceed with any
11 investigation of, or action or disciplinary proceeding against, the licensee or to render
12 a decision suspending or revoking the license.

13 STATUTORY AND REGULATORY PROVISIONS

14 8. Section 4301 states, in pertinent part:

15 The board shall take action against any holder of a license who is guilty

17 15. Section 4342, subdivision (a), states:

18 The board may institute any action or actions as may be provided by law
19 and that, in its discretion, are necessary, to prevent the sale of pharmaceutical

26 A prescription for a controlled substance shall only be issued for a
27 legitimate medical purpose by an individual practitioner acting in the usual course of
28 his or her professional practice. The responsibility for the proper prescribing and

corresponding responsibility rests with the pharmacist who fills the prescription.
Except as authorized by this division, the following are not legal prescriptions: (1) an
order purporting to be a prescription which is issued not in the usual course of
professional treatment or in legitimate and authorized research; or (2) an order for an
addict or habitual user of controlled substances, which is issued not in the course of
professional treatment or as part of an authorized narcotic treatment program, for the
purpose of providing the user with controlled substances, sufficient to keep him or her

2 states that "[c]ontrolled substances listed in Schedules II, III, IV, and V shall be stored in a
3 securely locked, substantially constructed cabinet. However, pharmacies and institutional
4 practitioners may disperse such substances throughout the stock of noncontrolled substances in
5 such a manner as to obstruct the theft or diversion of the controlled substances."

6 19. Title 16, California Code of Regulations ("CCR"), section 1707.2 states, in pertinent
7 part:

8 (a) A pharmacist shall provide oral consultation to his or her patient or the
9 patient's agent in all care settings:

10 (1) upon request; or

11 (2) whenever the pharmacist deems it warranted in the exercise of his or
her professional judgment.

12 (b)(1) In addition to the obligation to consult set forth in subsection (a), a
13 pharmacist shall provide oral consultation to his or her patient or the patient's agent in
any care setting in which the patient or agent is present:

14 (A) whenever the prescription drug has not previously been dispensed to
15 a patient; or

16 (B) whenever a prescription drug not previously dispensed to a patient in
17 the same dosage form, strength or with the same written directions, is dispensed by
the pharmacy . . .

18 20. Title 16, CCR, section 1711 states, in pertinent part:

19 (a) Each pharmacy shall establish or participate in an established quality
20 assurance program which documents and assesses medication errors to determine
cause and an appropriate response as part of a mission to improve the quality of
21 pharmacy service and prevent errors.

22 (b) For purposes of this section, "medication error" means any variation
from a prescription or drug order not authorized by the prescriber, as described in
23 Section 1716. Medication error, as defined in the section, does not include any
variation that is corrected prior to furnishing the drug to the patient or patient's agent
24 or any variation allowed by law.

25 (c)(1) Each quality assurance program shall be managed in accordance
with written policies and procedures maintained in the pharmacy in an immediately
26 retrievable form.

27 (2) When a pharmacist determines that a medication error has occurred, a
pharmacist shall as soon as possible;

28 ///

1 (A) Communicate to the patient or the patient's agent the fact that a
2 medication error has occurred and the steps required to avoid injury or mitigate the
error.

3 (B) Communicate to the prescriber the fact that a medication error has
4 occurred.

5

6 (d) Each pharmacy shall use the findings of its quality assurance program
7 to develop pharmacy systems and workflow processes designed to prevent medication
8 errors. An investigation of each medication error shall commence as soon as is
reasonably possible, but no later than 2 business days from the date the medication
error is discovered. All medication errors discovered shall be subject to a quality
assurance review.

9 (e) The primary purpose of the quality assurance review shall be to
10 advance error prevention by analyzing, individually and collectively, investigative
11 and other pertinent data collected in response to a medication error to assess the cause
12 and any contributing factors such as system or process failures. A record of the
quality assurance review shall be immediately retrievable in the pharmacy. The
record shall contain at least the following:

- 13 1. the date, location, and participants in the quality assurance review;
- 14 2. the pertinent data and other information relating to the medication
15 error(s) reviewed and documentation of any patient contact required by subdivision
16 (c);
- 17 3. the findings and determinations generated by the quality assurance
review; and,
- 18 4. recommend changes to pharmacy policy, procedure, systems, or
processes, if any.

19 The pharmacy shall inform pharmacy personnel of changes to pharmacy
20 policy, procedure, systems, or processes made as a result of recommendations
generated in the quality assurance program.

21 (f) The record of the quality assurance review, as provided in subdivision
22 (e) shall be immediately retrievable in the pharmacy for at least one year from the
date the record was created

23 21: Title 16, CCR, section 1714 states, in pertinent part:

24

25 (b) Each pharmacy licensed by the board shall maintain its facilities,
26 space, fixtures, and equipment so that drugs are safely and properly prepared,
maintained, secured and distributed. The pharmacy shall be of sufficient size and
unobstructed area to accommodate the safe practice of pharmacy.

27

(d) Each pharmacist while on duty shall be responsible for the security of the prescription department, including provisions for effective control against theft or diversion of dangerous drugs and devices, and records for such drugs and devices . . .

22. Title 16, CCR, section 1715.6 states that "[t]he owner shall report to the Board within thirty (30) days of discovery of any loss of the controlled substances, including their amounts and strengths."

23. Title 16, CCR, section 1735.2 states, in pertinent part:

(g) All chemicals, bulk drug substances, drug products, and other components used for drug compounding shall be stored and used according to compendial and other applicable requirements to maintain their integrity, potency, quality, and labeled strength.

(h) Every compounded drug product shall be given an expiration date representing the date beyond which, in the professional judgment of the pharmacist performing or supervising the compounding, it should not be used. This "beyond use date" of the compounded drug product shall not exceed 180 days from preparation or the shortest expiration date of any component in the compounded drug product, unless a longer date is supported by stability studies of finished drugs or compounded drug products using the same components and packaging. Shorter dating than set forth in this subsection may be used if it is deemed appropriate in the professional judgment of the responsible pharmacist.

(j) Prior to allowing any drug product to be compounded in a pharmacy, the pharmacist-in-charge shall complete a self-assessment for compounding pharmacies developed by the board. (Incorporated by reference is "Community Pharmacy & Hospital Outpatient Pharmacy Compounding Self-Assessment" Form 17M-39 Rev. 02/12.) That form contains a first section applicable to all compounding, and a second section applicable to sterile injectable compounding. The first section must be completed by the pharmacist-in-charge before any compounding is performed in the pharmacy. The second section must be completed by the pharmacist-in-charge before any sterile injectable compounding is performed in the pharmacy. The applicable sections of the self-assessment shall subsequently be completed before July 1 of each odd-numbered year, within 30 days of the start of a new pharmacist-in-charge, and within 30 days of the issuance of a new pharmacy license. The primary purpose of the self-assessment is to promote compliance through self-examination and education.

24. Title 16, CCR, section 1761 states:

(a) No pharmacist shall compound or dispense any prescription which contains any significant error, omission, irregularity, uncertainty, ambiguity or alteration. Upon receipt of any such prescription, the pharmacist shall contact the prescriber to obtain the information needed to validate the prescription.

(b) Even after conferring with the prescriber, a pharmacist shall not compound or dispense a controlled substance prescription where the pharmacist

1 knows or has objective reason to know that said prescription was not issued for a
2 legitimate medical purpose.

3 25. Title 16, CCR, section 1793.2 states, in pertinent part:

4 "Nondiscretionary tasks" as used in Business and Professions Code
5 section 4115, include:

6 (a) removing the drug or drugs from stock...

7 COST RECOVERY

8 26. Section 125.3 provides, in pertinent part, that a Board may request the administrative
9 law judge to direct a licensee found to have committed a violation or violations of the licensing
10 act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the
11 case.

5 **STATEMENT OF FACTS**

6 35. On or about June 2, 2015, a Board inspector went to West Coast Pharmacy to conduct
7 an inspection. There were several employees working in the pharmacy at that time, including
8 pharmacy technicians, TCH K., TCH O.G., TCH S., and TCH J.G. Respondent Nguyen was the
9 only pharmacist on duty.

10 36. The inspector observed two large safes located near the south side counter. The left
11 safe contained Schedule III to V controlled substances and certain expensive non-controlled
12 medications; the right safe contained Schedule II controlled substances. The doors to both safes
13 were unlocked during the entire inspection. The inspector observed TCH K. remove controlled
14 substances from the safes, take them to the front filling counter, and replace drugs in the safes
15 throughout the inspection. The safes were not visible from the front filling counter where
16 Respondent Nguyen was working. Respondent Nguyen admitted that the safes were unlocked
17 while she was in the pharmacy and that the technicians had access to them. On two occasions,
18 the inspector observed delivery drivers enter the pharmacy (the drivers collected prescriptions for
19 delivery) and visit with pharmacy employees. One of the drivers walked past the drug safes and
20 entered the bathroom.

21 37. The inspector asked Respondent Nguyen if there were ever any prescription errors
22 made in the pharmacy. Respondent Nguyen admitted that some prescription errors had occurred
23 within the last year, that the most recent error had occurred within the last month, and that she did
24 not document the error.

25 38. TCH S. was working next to the cash register and handled almost all of the
26 transactions. The inspector observed TCH S. repeatedly ask patients who were picking up
27 medications whether they had any questions for the pharmacist. TCH S. told the inspector later
28 that she was trained to ask the question on new prescriptions, which had an "N" on the receipt.

1 After each transaction, TCH S. put a portion of the receipt in the trash. The inspector retrieved 15
2 receipts, 14 of which were marked with an "N", indicating that they were new prescriptions. The
3 inspector did not see Respondent Nguyen consult any patients during the entire inspection.

4 39. TCH K. was working at the front counter, filling prescriptions and placing the baskets
5 to her left or on the floor for Respondent Nguyen to verify. On multiple occasions, the inspector
6 observed TCH O.G. pull drugs from the drug shelves or the drug order delivery totes and place
7 them in prescription baskets. TCH O.G. would then take the baskets to the front filling counter
8 and place them on the counter or on the floor between Respondent Nguyen and TCH K.

9 40. The inspector reviewed various prescription documents on file at the pharmacy,
10 including prescription number 228880, dated May 26, 2015, which had been written for 100
11 tablets of oxycodone 30 mg. Respondent Nguyen told the inspector that she filled the
12 prescription and that it was dispensed to the patient. Respondent Nguyen stated that she did not
13 fill all controlled substance prescriptions. Respondent Nguyen retrieved a copy of a prescription
14 dated May 7, 2015, that she refused to fill after calling the prescriber and determining that it had
15 been forged. The forged prescription matched prescription number 228880 in several respects.
16 Respondent Nguyen admitted that she should have verified the prescription.

17 41. The inspector examined the compounding area and found that there was no
18 compounding self assessment in the pharmacy. There were also expired drugs and drug products
19 above and below the compounding counter, which the inspector later determined had been used in
20 the preparation of certain compounded prescriptions and dispensed to patients. Several expired
21 drugs were labeled with a retest date.¹ The inspector asked Respondent Nguyen if any of the
22 drugs which were past their retest date had been tested. Respondent Nguyen admitted that they
23 had not been tested.

24 42. When the pharmacy was closed, the inspector had Respondent Nguyen complete a
25 count of the stock on hand of four drugs, methadone 10 mg, hydrocodone/APAP 10/325 mg,
26 oxycodone 30 mg and alprazolam 2 mg. Respondent Nguyen counted the pharmacy's inventory

27 ¹ Drugs which are labeled with a retest date must be tested for stability before the retest
28 date is reached. Without a stability test, the drugs are not assured to be of suitable integrity.

1 of the drugs and noted them on a form provided by the inspector. Respondent Nguyen gave the
2 inspector a controlled substance inventory dated May 29, 2014. The inspector requested the
3 pharmacy's disposition records for the period from May 29, 2014 to June 2, 2015.

4 43. On or about June 3, 2015, the inspector called Respondent Nguyen and requested
5 copies of two completed Report of Theft or Loss of Controlled Substances (DEA 106) forms
6 which he found during the inspection. Respondent Nguyen faxed the inspector copies of both
7 forms, one dated September 4, 2014, and the other dated October 9, 2014. The forms indicated
8 that the pharmacy had been broken into at night and that certain controlled substances,
9 guaifenesin/codeine syrup, promethazine/codeine syrup, carisoprodol 350 mg, and alprazolam (in
10 various doses), had been stolen. Respondent Nguyen told the inspector she completed the DEA
11 forms and estimated the total loss on each form. Respondent Nguyen admitted that she did not
12 conduct a subsequent inventory to determine the exact amount of the losses or report the thefts to
13 the Board. That same day, Respondent Nguyen provided the inspector with the pharmacy's
14 disposition records, an invoice for controlled substances received on June 3, 2015, a drug
15 inventory conducted by Respondent Nguyen on June 3, 2015, and a dispensing record for June 3,
16 2015. Respondent Nguyen admitted the thefts were not reported to the Board.

17 44. In or about June 2015, the inspector requested and obtained sales and credit
18 information from three of the pharmacy's wholesalers.

19 45. On or about July 27, 2015, the inspector received an email from Respondent Nguyen,
20 admitting that minor errors had occurred in the pharmacy, such as miscounts, "wrong NDC's" or
21 wrong sizes, and that she had not completed incident reports of the errors.

22 46. The inspector determined based on the dispensing records, the records provided by
23 the wholesalers, the drug inventories, the DEA 106 forms, and the June 3, 2015 invoice that the
24 pharmacy had significant shortages of 5 of 12 controlled substances and notable overages of 5 of
25 the 12 drugs for the audit period from May 29, 2014 to June 3, 2015, as set forth below in
26 paragraph 49, subparagraph (b).

1 FIRST CAUSE FOR DISCIPLINE

2 (Failure to Maintain Pharmacy, Fixtures, and Equipment

3 so that Drugs Were Safely and Properly Secured)

4 47. Respondents West Coast Pharmacy, Nguyen and Le are subject to disciplinary action
5 pursuant to section 4301, subdivisions (o) and (j), for unprofessional conduct, in that Respondents
6 failed to maintain the pharmacy and its facilities, space, fixtures and/or equipment so that drugs
7 were safely and properly secured, in violation of Title 16, CCR, section 1714, subdivision (b),
8 and failed to store Schedule II, III, IV, and V Controlled Substances in securely locked,
9 substantially constructed cabinets, in violation of Title 21, CFR, section 1301.75, subdivision (b),
10 as follows:

11 a. On or about September 4, 2014, Respondent Nguyen completed a DEA 106 form,
12 indicating that the pharmacy had been broken into at night and that 2,365 milliliters (ml) of
13 guaifenesin/codeine syrup and 6,622 ml of promethazine/codeine syrup had been taken. Further,
14 Respondents failed to safely and properly secure the pharmacy to prevent additional thefts of
15 controlled substances, as follows: On or about October 9, 2014, Respondent Nguyen completed a
16 DEA 106 form, indicating that the pharmacy had once again been broken into at night and that
17 500 tablets of alprazolam 0.25 mg, 500 tablets of alprazolam 0.5 mg, 2,000 tablets of alprazolam
18 1 mg, 500 tablets of alprazolam 2 mg, 1,000 tablets of carisoprodol 350 mg, and 1,892 ml of
19 guaifenesin/codeine syrup had been taken.

20 b. Respondents stored their complete inventory of controlled substances in two safes
21 which were unlocked, as set forth in paragraph 35 above, and placed the safes in a location or
22 position, enabling pharmacy technicians to access the controlled substances without being
23 observed and supervised by a pharmacist. Further, on two occasions during the inspection of
24 June 2, 2015, delivery drivers entered the pharmacy and had access to the drug stock area and
25 safes without supervision by the pharmacist.

26 c. On and between May 29, 2014 and June 3, 2015, Respondents failed to maintain their
27 premises so that drugs were secured from theft or other types of losses, resulting in significant
28 shortages of the following controlled substances:

Drug	Units	Shortage
alprazolam 0.25 mg	Tablets	-258
alprazolam 0.5 mg	Tablets	-1,537
alprazolam 2 mg	Tablets	-855
oxycodone 30 mg	Tablets	-30
	Total	-2,680
