2 3. This Accusation is brought before the Board of Pharmacy (Board), Department of
3 Consumer Affairs, under the authority of the following laws. All section references are to the
4 Business and Professions Code (Code) unless otherwise indicated.

5 4. Section 4300, subdivision (a) of the Code states "Every license issued may be
6 suspended or revoked."

7 5. Section 4300.1 of the Code states:

8 The expiration, cancellation, forfeiture, or suspension of a board-issued license
9 by operation of law or by order or decision of the board or a court of law, the
10 placement of a license on a retired status, or the voluntary surrender of a license by a
11 licensee shall not deprive the board of jurisdiction to commence or proceed with any
investigation of, or action or disciplinary proceeding against, the licensee or to render
a decision suspending or revoking the license.

12 **STATUTORY PROVISIONS**

13 6. Section 490 of the Code provides, in pertinent part, that a board may suspend or
14 revoke a license on the ground that the licensee has been convicted of a crime substantially
15 related to the qualifications, functions, or duties of the business or profession for which the
16 license was issued.

17 7. Section 493 of the Code states:

18 Notwithstanding any other provision of law, in a proceeding conducted by a
19 board within the department pursuant to law to deny an application for a license or to
20 suspend or revoke a license or otherwise take disciplinary action against a person who
21 holds a license, upon the ground that the applicant or the licensee has been convicted
22 of a crime substantially related to the qualifications, functions, and duties of the
23 licensee in question, the record of conviction of the crime shall be conclusive
evidence of the fact that the conviction occurred, but only of that fact, and the board
may inquire into the circumstances surrounding the commission of the crime in order
to fix the degree of discipline or to determine if the conviction is substantially related
to the qualifications, functions, and duties of the licensee in question.

24 As used in this section, 'license' includes 'certificate,' 'permit,' 'authority,' and
'registration.'

25 8. Section 4301 of the Code states:

26 The board shall take action against any holder of a license who is guilty of
27 unprofessional conduct or whose license has been procured by fraud or
28 misrepresentation or issued by mistake. Unprofessional conduct shall include, but is
not limited to, any of the following:

1 (h) The administering to oneself, of any controlled substance, or the use of any

3 or injurious to oneself, to a person holding a license under this chapter, or to any other
4 person or to the public the practice authorized by the license.

5 (i) The conviction of a crime substantially related to the qualifications,
6 functions, and duties of a licensee under this chapter. The record of conviction of a
7 violation of Chapter 13 (commencing with Section 801) of Title 21 of the United
8 States Code regulating controlled substances or of a violation of the statutes of this
9 state regulating controlled substances or dangerous drugs shall be conclusive
10 evidence of unprofessional conduct. In all other cases, the record of conviction shall
11 be conclusive evidence only of the fact that the conviction occurred. The board may
12 inquire into the circumstances surrounding the commission of the crime, in order to
13 fix the degree of discipline or, in the case of a conviction not involving controlled
14 substances or dangerous drugs, to determine if the conviction is of an offense
15 substantially related to the qualifications, functions, and duties of a licensee under this
16 chapter. A plea or verdict of guilty or a conviction following a plea of nolo
17 contendere is deemed to be a conviction within the meaning of this provision. The
18 board may take action when the time for appeal has elapsed, or the judgment of
19 conviction has been affirmed on appeal or when an order granting probation is made
20 suspending the imposition of sentence, irrespective of a subsequent order under
21 Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of
22 guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or
23 dismissing the accusation, information, or indictment.

14 REGULATORY PROVISIONS
