3 JURISDICTION

4 7. This Accusation is brought before the Board of Pharmacy ("Board"),  
5 under the authority of the following sections of the Business and Professions Code ("Code").

6 8. Section 4301 of the Code states:

7 The Board shall take action against any holder of a license who is guilty of  
8 unprofessional conduct or whose license has been procured by fraud or misrepresentation or  
9 issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the  
10 following:

11 (a) Gross immorality.

12 (b) Incompetence.

13 (c) Gross negligence.

14 (d) The clearly excessive furnishing of controlled substances in violation of  
15 subdivision (a) of Section 11153 of the Health and Safety Code.

16 (e) The clearly excessive furnishing of controlled substances in violation of  
17 subdivision (a) of Section 11153.5 of the Health and Safety Code. Factors to be  
18 considered in determining whether the furnishing of controlled substances is clearly  
19 excessive shall include, but not be limited to, the amount of controlled substances  
20 furnished, the previous ordering pattern of the customer (including size and frequency of  
21 orders), the type and size of the customer, and where and to whom the customer  
22 distributes its product.

23 (f) The commission of any act involving moral turpitude, dishonesty, fraud,  
24 deceit, or corruption, whether the act is committed in the course of relations as a licensee  
25 or otherwise, and whether the act is a felony or misdemeanor or not.

26 (g) Knowingly making or signing any certificate or other document that falsely  
27 represents the existence or nonexistence of a state of facts.

28 ///

1 (h) The administering to oneself, of any controlled substance, or the use of any  
2 dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous  
3 or injurious to oneself, to a person holding a license under Chapter 9 (commencing with  
4 Section 4000) of the Business and Professions Code, or to any other person or to the  
5 public, or to the extent that the use impairs the ability of the person to conduct with safety  
6 to the public the practice authorized by the license.

7 (i) Except as otherwise authorized by law, knowingly selling, furnishing, giving  
8 away, or administering or offering to sell, furnish, give away, or administer any  
9 controlled substance to an addict.

10 (j) The violation of any of the statutes of this state or of the United States  
11 regulating controlled substances and dangerous drugs.

12 (k) The conviction of more than one misdemeanor or any felony involving the

18 (commencing with Section 801) of Title 21 of the United States Code regulating  
19 controlled substances or of a violation of the statutes of this state regulating controlled  
20 substances or dangerous drugs shall be conclusive evidence of unprofessional conduct.  
21 In all other cases, the record of conviction shall be conclusive evidence only of the fact  
22 that the conviction occurred. The board may inquire into the circumstances surrounding  
23 the commission of the crime, in order to fix the degree of discipline or, in the case of a  
24 conviction not involving controlled substances or dangerous drugs, to determine if the  
25 conviction is of an offense substantially related to the qualifications, functions, and duties  
26 of a licensee under Chapter 9 (commencing with Section 4000) of the Business and  
27 Professions Code. A plea or verdict of guilty or a conviction following a plea of nolo

4 Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of  
5 not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information,  
6 or indictment.

7 (m) The cash compromise of a charge of violation of Chapter 13 (commencing

16 applicable federal and state laws and regulations governing pharmacy, including  
17 regulations established by the board.

20 of the board.

23 drugs or dangerous devices shall be at all times during business hours open to inspection  
24 by authorized officers of the law, and shall be preserved for at least three years from the  
25 date of making. A current inventory shall be kept by every manufacturer, wholesaler,

6 pharmacist-in-charge or exemptee, for maintaining the records and inventory described in  
7 this section.

8 (c) The pharmacist-in-charge or exemptee shall not be criminally responsible for  
9 acts of the owner, officer, partner, or employee that violate this section and of which the

11 knowingly participate.

12 10. Section 4160 of the Code states:

13 (a) No person shall act as a wholesaler of any dangerous drug or dangerous device  
14 unless he or she has obtained a license from the board. Upon approval by the board and  
15 the payment of the required fee, the board shall issue a license to the applicant.

16 (b) No selling or distribution outlet, located in this state, of any out-of-state  
17 manufacturer, that has not obtained a license from the board, that sells or distributes only  
18 the dangerous drugs or the dangerous devices of that manufacturer, shall sell or distribute  
19 any dangerous drug or dangerous device in this state without obtaining a wholesaler's  
20 license from the board.

21 (c) A separate license shall be required for each place of business owned or  
22 operated by a wholesaler. Each license shall be renewed annually and shall not be  
23 transferable.

26 the Business and Professions Code, any person who permits the compounding or  
27 dispensing of prescriptions, or the furnishing of dangerous drugs in his or her pharmacy,  
28 except by a pharmacist, is guilty of a misdemeanor.

1           12.     Section 4330 of the Code states:

2           (a) Any person who has obtained a license to conduct a pharmacy, who fails to  
3           place in charge of the pharmacy a pharmacist, or any person, who by himself or herself,  
4           or by any other person, permits the compounding or dispensing of prescriptions, or the  
5           furnishing of dangerous drugs, in his or her pharmacy, except by a pharmacist, or as  
6           otherwise provided in Chapter 9 (commencing with Section 4000) of the Business and  
7           Professions Code, is guilty of a misdemeanor.

8           (b) Any nonpharmacist owner who commits any act that would subvert or tend to  
9           subvert the efforts of the pharmacist-in-charge to comply with the laws governing the  
10          operation of the pharmacy is guilty of a misdemeanor.

11          13.     Section 118 of the Code states:

12          “(a) The withdrawal of an application for a license after it has been filed with a  
13          board in the department shall not, unless the board has consented in writing to such  
14          withdrawal, deprive the board of its authority to institute or continue a proceeding against  
15          the applicant for the denial of the license upon any ground provided by law or to enter an  
16          order denying the license upon any such ground.

17          “(b) The suspension, expiration, or forfeiture by operation of law of a license  
18          issued by a board in the department, or its suspension, forfeiture, or cancellation by order  
19          of the board or by order of a court of law, or its surrender without the written consent of  
20          the board, shall not, during any period in which it may be renewed, restored, reissued, or  
21          reinstated, deprive the board of its authority to institute or continue a disciplinary  
22          proceeding against the licensee upon any ground provided by law or to enter an order  
23          suspending or revoking the license or otherwise taking disciplinary action against the  
24          licensee on any such ground.

25          “(c) As used in this section, ‘board’ includes an individual who is authorized by  
26          any provision of this code to issue, suspend, or revoke a license, and ‘license’ includes  
27          ‘certificate,’ ‘registration,’ and ‘permit.’”
