

Required Identification for Admission into the California Pharmacist Jurisprudence Examination (CPJE)

You must provide **TWO** forms of identification as instructed below:

1) **A United States issued social security card** (This must be an original. Laminated social security cards, photocopies of social security cards, and temporary documentation will not be accepted)

AND

2) **A United States government issued photo identification**, which can only be one of the following:

- A state issued driver's license
- A state issued identification card
- A current United States military-issued identification, or
- A United States issued passport

You are required to provide your United States social security card **AND** United States government issued photo identification for admission to the CPJE. If your identifications do not match each other **IDENTICALLY** with your name on the board issued Eligibility Letter, you will **NOT** be admitted into the CPJE. It is important to check your identifications **NOW** in order to make any necessary changes. Original identifications must be provided at the testing site.

What Do I Do If My Names Do Not Match Identically?

If your name on the board issued Eligibility Letter does **NOT IDENTICALLY** match your United States social security card **AND** United States government issued photo identification **IDENTICALLY LETTER FOR LETTER**, please mail a copy of your United States social security card and your United States government issued photo identification to the board with a copy of the board issued Eligibility Letter in order for the board to update your name of record on file with the board and PSI to:

Board of Pharmacy
1625 N. Market Blvd., Ste N219
Sacramento, CA 95834

If you do not have appropriate identification with you when you arrive at the test center, you will not be admitted to take the examination, and PSI will consider this a missed appointment. If this occurs, you will need to pay another \$33 to reschedule another examination. If you have reported a name change to the board after your eligibility was transmitted to PSI, make certain the name on your identification matches PSI's records. Please allow five business days from when you sent the change of name to the board and call PSI to confirm the change.

Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

Please read the PSI Candidate Information Bulletin. If you do not receive your copy from PSI, you may access the Candidate Information Bulletin from the board's web site.

Name of Record with the Board

The name that appears on both your United States government issued identification and United States social security card must be your name of record with the board.

- If you hold an intern license with the board, the name of record is the name associated with the license. You may verify your name of record by checking the board's Web site at www.pharmacy.ca.gov under License Verification.

- If you do not have an intern license with the board, your name of record is the name under which you applied for your first examination.
