

## **Graduates of Foreign Pharmacy Schools**

Graduates of foreign pharmacy schools applying for an intern pharmacist license or pharmacist license must be certified by the Foreign Pharmacy Graduate Equivalency Committee (FPGEC). The board will no longer require the submission of a foreign graduate application and will no longer require the submission of transcripts. For more information on the FPGEC, please contact the National Association of Boards of Pharmacy (NABP) directly at <http://www.nabp.net/>.

California law requires foreign graduates to be FPGEC certified. As the NABP/FPGEC administers the FPGEC certification program, any questions should be directed to them. If they direct you back to the board, there is no other information that can be provided. California law does not provide for waivers or exemptions. A possible option might be to pursue a nontraditional Pharm. D program in the US at an ACPE accredited school where you would no longer be considered a foreign graduate. A list of ACPE accredited schools can be found at [http://www.acpe-accredit.org/shared\\_info/programsSecure.asp#MA](http://www.acpe-accredit.org/shared_info/programsSecure.asp#MA).

**Disclosure of your U.S. Social Security number or Individual Taxpayer Identification Number (ITIN) is mandatory.** Section 30 of the Business and Professions Code, Section 17520 of the Family Code, and Public Law 94-455 (42 USC § 405(c)(2)(C)) authorize collection of your social security number or individual taxpayer identification number. Your social security number or individual taxpayer identification number will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for child or family support in accordance with section 17520 of the Family Law Code, or for verification of license or examination status by a licensing or examination entity which utilizes a national examination and where licensure is reciprocal with the requesting state. If you fail to disclose your social security account number or individual taxpayer identification number, your application will not be processed and you may be reported to the Franchise Tax Board, which may assess a \$100 penalty against you.

NOTICE: Effective July 1, 2012, the State Board of Equalization and the Franchise Tax Board may share taxpayer information with the board. You are obligated to pay your state tax obligation. This application may be denied or your license may be suspended if your state tax obligation is not paid.
