

Periodically, the Board of Pharmacy performs quality assurance assessments to ensure the appropriateness of the California Pharmacist Jurisprudence Examination (CPJE). The board initiated such a study on April 1, 2008. To assure the thoroughness of this assessment, approximately 400 individuals will be needed for participation. Based on the number of candidates who took the CPJE last year during this same period, the board anticipated releasing scores by the end of July 2008.

Once the quality assurance has been completed, release of examination scores should resume on a weekly basis, usually within 14 days after a candidate takes the examination.
