NOTICE OF APPROVAL OF REGULATORY
ACTION

Government Code Section 11349.3

OAL File No. 07-0411-02 S

Board of Pharmacy proposed amendment to Title 16, California Code of Regulations, section 1706.2 to add four license categories for which applications for licensure may be deemed abandoned. Generally, the application categories in this section are deemed abandoned if an applicant fails to complete all application requirements within 60 days of being notified by the Board of Pharmacy of application deficiencies. The four additional license categories are added for consistency with existing application categories in this section. New subdivision (e) extends to one year the period for resolving application deficiencies for intern pharmacist applicants only. All applicants whose applications are deemed abandoned are required to re-apply and meet all requirements in effect at the time of re-application.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code.
