

ADVANCE NOTICE OF INTENT TO READOPT EMERGENCY REGULATIONS

This notice is sent in accordance with Government Code section 11346.1(a)(2) and Title 1 of the California Code of Regulations (CCR) section 52, which require State of California agencies to give five (5) working day advance notice of intent to readopt emergency regulations with the Office of Administrative Law (OAL). The Board of Pharmacy (Board) intends to file a request for readoption of Naloxone Hydrochloride regulations originally approved by OAL on April 10, 2015 and which became effective April 10, 2015.

Pursuant to Title 1 CCR section 52(b)(1), the Board has made substantial progress and proceeded with diligence to comply with Government Code section 11346.1(e) by undertaking the following activities:

- The regulations were again reviewed during the Board's Public Board Meeting following the adoption of the emergency regulations.
- The regulation was published by OAL and the 45 day comment period began on May 22, 2015.
- The regulation was noticed for a 15 day comment period, which began on September 5, 2015.

As required by Title 1 CCR section 52, there has been no change in emergency circumstance since the original adoption of the Naloxone Hydrochloride regulation by OAL.

The Board hereby incorporates by reference the rulemaking record of OAL file number Z2015-0409-03EFP.

The Board plans to file the readoption of the Naloxone Hydrochloride emergency regulation package with OAL at least five working days from the date of this notice. If you would like to make comments on the readoption of the Naloxone Hydrochloride regulations, they must be received by both the Board and OAL within five calendar days of the Board's filing at OAL.

Comments should be sent simultaneously to:
