§1775. Citations and Fines.

(a) A committee of the board may issue citations containing orders of abatement and fines for any violation of the Pharmacy Law or regulations adopted pursuant thereto. For the purposes of this article, “committee of the board” means a committee of board members appointed by the board president to consider investigations of alleged violations.

(b) Each citation shall be in writing and shall describe with particularity the nature and facts of the violation, including a reference to the statute or regulations alleged to have been violated. The citation shall be served upon the individual personally or by certified mail.

(c) A citation must inform the cited person or entity that if he/she or it desires a hearing to contest the finding of a violation, that hearing shall be requested by written notice to the board within 30 days of the issuance of the citation. If a hearing is not requested pursuant to this article, payment of any fine shall not constitute an admission of the violation charged.

(d) A committee of the board shall meet periodically in both the northern and southern portions of the state for the purpose of reviewing alleged violations, including notices of violation issued by the board inspectors, and issuing citations to licensees of the board. A person or entity shall appear, upon request of the board, before a committee of the board. The request to appear shall include a summary of alleged violations to be reviewed at that hearing. Persons or entities may reschedule their appearance before a committee of the board to review an alleged violation once. A committee of the board may issue a citation and impose a fine, and/or an order of abatement in the absence of a person or entity who fails to appear a second time. Citations shall be issued within 60 days of the committee meeting where the determination to issue the citation was made.
