On April 12, 2012, board staff will join with the DEA to host a day-long conference on pharmacy issues at the DEA's Los Angeles office. Board licensees in the Los Angeles area will be invited to attend.

This conference is similar to a DEA conference held last June in San Diego that was well attended by San Diego licensees of the board.

A copy of the draft agenda follows this page.

Board staff request that the board consider awarding 5 hours of CE credit for those pharmacists and pharmacy technicians who attend this meeting.
