

Subject: FDA MEDWATCH: PHARMEDIUM SERVICES MAGNESIUM SULFATE 1 GRAM IN 50 ML D5W—RECALL EXPANDED TO ALL LOTS AND STRENGTHS

MedWatch – The FDA Safety Information and Adverse Event Reporting Program

[UPDATE] PharMEDium Services is recalling all strengths of 50 ml admixtures of Magnesium Sulfate in 5% Dextrose solution because of a potential lack of sterility assurance for these products. In addition, the company is voluntarily ceasing production and distribution of this product until it can determine and correct the source of this problem.
