URGENT!!! DRUG RECALL!!! URGENT!!!

FDA/SUPPLIER CLASS OF RECALL: Not Yet Classified
LEVEL OF NOTIFICATION: McKesson Customer
SUPPLIER: Novartis # 48553

Description	Lot #	Exp Date	NDC	UPC	Econo #
ENABLEX TAB 15MG 30	F0093	01/2013	00078042015	30078042015	1241058

Novartis is voluntarily recalling the above lots because a pharmacist returned a bottle of Enablex 15mg Tablets that was found to contain a single Enablex 7.5mg Tablet. This recall is to the McKesson Customer level. Product started shipping June 2010.

Please check your inventory for the above lots. Complete and return the business reply card within three business days even if you do not have the affected lots. If you have the recalled lot, stop distributing immediately. Return product with the completed packing slip using the prepaid UPS Return Service to the address below. If you need a business reply card/returns kit, contact GENCO at 800-950-5479.

GENCO Pharmaceutical Services
Novartis Pharmaceuticals Recall Program
6101 North 64th Street
Milwaukee, WI 53218

Novartis will be sending recall notification letters to McKesson Customers.

If you have additional questions, contact Novartis at 800-526-0175.

PLEASE NOTE: Customers currently participating in a McKesson administered Return to Vendor program should return this product to their designated returns processor. All others should follow the instructions provided by the manufacturer.

This recall is being conducted with the knowledge of the FDA.

Information contained in this document was provided Novartis.

FOR McKESSON USE ONLY:

- Please follow Recall Guidelines as outlined in the Reclamation SOP for a CLASS II RECALL.
- PROCESS TO THE RETAIL LEVEL.
