

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Product	Lots	Exp Date
Enoxaparin Sodium Injection, USP 100mg/mL (Assist Bags of 5s) CIN#: 5532692 NDC: 55154-6689-5	CS008A	04/2022

Apotex is recalling Enoxaparin Sodium to the CONSUMER level. This recall was initiated due to some syringes within the impacted lot manufactured with the incorrect barrels of syringes. Since Cardinal Health Private Label purchased the Enoxaparin Sodium lot to repackage, it is necessary for us to recall the repackaged Assist bags of 5s repackaged from the affected lot. This item was first shipped 9/23/2020.
