

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Product Description	Lot No.	Expiration Date
ELOCTATE® [Antihemophilic Factor (Recombinant), Fc Fusion Protein]	SP2113	30JUN2023

Sanofi is initiating a recall of one lot of ELOCTATE® [Antihemophilic Factor (Recombinant), Fe Fusion Protein] **6000 IU**. This product is labeled as manufactured by Bioverativ Therapeutics Inc. Bioverativ Therapeutics is a Sanofi company.

Product from this single lot displays the incorrect potency value of 6641 IU on the carton, product kit, and vial label. The correct potency value is 6747 IU.

The overall risk to patient safety is anticipated to be low given the difference between the actual and mislabeled potency of this lot of 6000 IU vials.

Depth of Recall: Distributor/Wholesaler/Healthcare Providers
