

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Akron Operating Company LLC is initiating this recall. This recall is prompted by an out of specification test result for active analysis identified at the 33M stability timepoint. A health hazard evaluation was performed and determined, the probability of occurrence is frequent and the level of potential risk to patients is Serious (i.e., injury or impairment requiring medical intervention).
