SigmaPharm is voluntarily recalling the above item/lots due to out-of-specifications (OOS) impurity results obtained during routine quality testing of a stability sample for one lot of Sodium Phenylbutyrate Powder, 250 Grams. This recall is being extended to all other potentially impacted lots as mentioned above. This recall is to the customer level. Affected product started shipping August 31, 2020.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
