

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Lupin Pharmaceuticals Inc. is initiating a recall of lots: **G102929, Expiry April 2023**, of Quinapril Tablets USP, 20mg and **G100533, Expiry December 2022; G100534, Expiry December 2022; and G203071, Expiry March 2024** of Quinapril Tablets USP, 40mg to **retail** level. These lots are being recalled due to observed result of N-Nitroso Quinapril impurity above proposed interim acceptance limit.

The recalled lots were distributed between March 15, 2021, and September 1, 2022.
