

The Board of Pharmacy has received notice of the following product recall:

Description	Lot #	Exp Date	NDC	UPC
HYDROC+AC O/SOL HI-T 10ML@	364667	12/20/2019	50383090110	35038390110

Akorn is recalling the above lot due to the observed out of specification results for the Hydrocortisone assay during continued testing of retain samples at 18 month controlled room temperature for the upright orientation. This recall is to the retail level. Affected product started shipping August 9, 2018.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
