

The Board of Pharmacy has received notice of the following product withdrawal:

Sagent Pharmaceuticals Inc. has issued a market withdrawal for the following product:

BUSULFAN Injection 60 mg per 10 ml (6 mg per ml), NDC 25021-241-10

Lot No. 613296

Expiration Date: April 2020

Distribution Dates: September 2018 to February 2019

The withdrawal has been initiated due to the trending of impurity results detected during testing of stability samples for one lot.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
