Each person who is required to complete a Certification of Personnel (as instructed in Section C) is required to complete the Live Scan or submit the Board approved fingerprint cards for a criminal background check with the Department of Justice (DOJ) and Federal Bureau of Investigation (FBI). If a person is currently associated with an active pharmacy license and has electronic fingerprints on file with the California State Board of Pharmacy, new fingerprints may not be required.

ALL ownership types must complete the fingerprint requirement (Government owned facilities are exempt from this requirement.). Business and Professions Code section 4201(a) requires "the application shall state the information as to each person beneficially interested or any person with management or control over the license." With the addition of management or control over the license, officers/owners of nonprofit corporations will be required to have their fingerprints completed through the Department of Justice and Federal Bureau of Investigation.

Fingerprint Instructions: Complete and attach **ONE** of the following (either A or B):

- California residents must use Live Scan. Nonresidents can visit California to complete a Live Scan or submit fingerprints on cards supplied by the Board. The fingerprint cards must be processed at a location authorized to complete fingerprint cards for the DOJ/FBI (e.g. law enforcement agency) in the state the services are rendered.
- DO NOT complete the Live Scan service or fingerprint cards until the applicant is ready to send in the application.
- The Live Scan site may charge a processing fee separate from that payable to the Board.
- Fingerprint card processing fee is $49 per person ($32 DOJ and $17 FBI) made payable to the Board of Pharmacy.
- The Board will accept fingerprint responses only from the California Department of Justice (DOJ) and Federal Bureau of Investigation (FBI).

A. California Resident: Attach a copy of the completed Live Scan receipt. The receipt verifies that the individual being fingerprinted has completed the Live Scan process and provides tracking information. It is the responsibility of the individual being fingerprinted to verify that all personal information entered by the Live Scan operator is correct prior to the operator's submission. The Board of Pharmacy will not accept clearances by the DOJ/FBI if the personal information is incorrect. Receipt of incorrect information by the DOJ/FBI will result in the individual having to complete a new Live Scan.

- California residents must use Live Scan only.
- To find a Live Scan location, go to https://oag.ca.gov/fingerprints/locations.
- The individual being fingerprinted must ensure the following information is correct when completing the Live Scan:
- **Type of License/Certification/Permit or Working Title:** Pharmacy – Section 4201
- **Full Name:** Must be EXACTLY THE SAME as the individual's name on his/her state-issued driver's license or state-issued identification card. (Jr., II, etc., must be included). It also must be EXACTLY THE SAME as the individual's name on the application.

- **Social Security Number (SSN):** If left blank, he/she may have to reprint.
- **Level of Service:** Must include both DOJ and FBI.

B. Non-California Resident: The individual being fingerprinted may visit California and complete Live Scan. If he/she cannot complete the Live Scan, two rolled fingerprint cards must be submitted with the application for each individual being fingerprinted.

- Only fingerprint cards provided by the Board of Pharmacy will be accepted.

- Request fingerprint cards through the Board's online services at https://www.dca.ca.gov/webapps/pharmacy/pubs_request.php or via email to rxforms@dca.ca.gov.
- Fee: Include fingerprint card processing fee of $49 for each individual being fingerprinted ($32 DOJ and $17 FBI) made payable to the Board of Pharmacy. You may submit one check or money order for both the application processing fee and fingerprint card processing fee(s).
- Print legibly or type personal information on the fingerprint cards. If the personal information of the fingerprinted individual is not legible and DOJ enters the information incorrectly, he/she will have to submit new fingerprint cards and pay the $49 fee again. DOJ will NOT correct print results due to illegible fingerprint cards.
- The fingerprint cards must be processed at a location authorized to complete fingerprint cards for the DOJ/FBI (e.g. law enforcement agency) in the state the services are rendered.
- Fingerprint clearances from cards take approximately six weeks.
- Poor quality prints will be rejected by DOJ/FBI and will cause delay because new fingerprint cards will be required.
