

## **Board Meeting Actions – September 17, 2020**

The California State Board of Pharmacy took the following actions during a teleconference meeting September 17, 2020:

- Approved a training program provided by the Board pursuant to Business and Professions Code (BPC) sections 4052.02(b) and 4052.03(b)(3) related to Furnishing HIV Preexposure Prophylaxis (PrEP) and Postexposure Prophylaxis (PEP).
- Approved HIV PrEP and PEP medications meeting the same clinical eligibility recommendations provided in CDC guidelines pursuant to BPC sections 4052.02(b) and 4052.03(b)(3).
- Readopted an emergency regulation, Title 16, California Code of Regulations (CCR) section 1747, related to Independent HIV Preexposure and Postexposure Prophylaxis Furnishing.
- Approved modified language for proposed text to amend Title 16, CCR section 1717.5, related to Automatic Refills; and voted to initiate a 15-day period for public comment.
- Approved modified language for proposed text to amend Title 16, CCR sections 1711 and 1713, and add Title 16, CCR section 1715.1, related to Automated Drug Delivery Systems; and voted to initiate a 15-day period for public comment.

Additional information about action items can be found online in the September 17, 2020, meeting materials on the [Board Meetings](#) page.
