### **License Fee Increases Take Effect April 1, 2020**

The California State Board of Pharmacy is raising some fees for a variety of license types, **effective April 1, 2020**. The changes apply to application, renewal, delinquent, and miscellaneous fees.

The new [fee schedule](#) – including current rates effective since July 1, 2017 – can be found under the Applicants tab at the [Board's website](#). (Click on [Apply for a Facility License](#) or [Apply for a Personal License](#).)

**Applications:** New fees apply to applications **postmarked** on or after April 1, 2020.

**Renewals:** New fees apply to renewal of licenses that **expire** on or after April 1, 2020. (The fee effective date is determined by the date of license expiration, not the date of renewal payment.)
