CE Course: Webinar on 2018 California Pharmacy Law

California Code of Regulations, title 16, [section 1732.5\(b\)](#) requires that at least two of the 30 hours of continuing education (CE) required for renewal of a pharmacist license be completed by participating in a law and ethics course provided by the Board of Pharmacy. The requirement applies to pharmacists whose licenses expire on or after July 1, 2019.

The board has posted on its website a one-hour webinar on 2018 California Pharmacy Law. This webinar satisfies one of the two hours required for law and ethics CE. Additional webinar videos will be posted online to satisfy the second CE hour requirement.

The webinar course is free. Registration is not required. You may view the webinar and receive CE credit anytime.
