POSTPONED: March 26 Licensing Committee Meeting

To protect against the possible spread of COVID-19, the California State Board of Pharmacy is postponing the Licensing Committee meeting scheduled for March 26, 2020, in Sacramento.

The California Department of Public Health (CDPH) has issued [guidance](#) that certain types of gatherings be postponed or canceled in March to protect public health and slow the rate of COVID-19 transmission. The recommendation applies to all nonessential professional, social, and community gatherings.

Additional information about COVID-19 is available online from [CDPH](#) and from the [U.S. Centers for Disease Control and Prevention](#) (CDC).

The Board of Pharmacy will work to reschedule the Licensing Committee meeting at a later date. For more information, [subscribe to email notifications from the Board](#).
