OCTOBER 2017 ISSUE OF THE SCRIPT NOW AVAILABLE

The latest edition of The Script is available online today at the Board of Pharmacy [website](#). The newsletter may be read online or downloaded and printed. To go directly to the newsletter, click [here](#).

The October 2017 issue includes articles about:

- Key requirements of new drug take-back regulations.
- A new regulation that sets standards for furnishing travel medications without a doctor's prescription.
- Compounding pharmacies versus outsourcing facilities.
- Free online CE courses for pharmacists and pharmacy technicians offered by the Food and Drug Administration.
- A major court ruling in a pharmacist disciplinary case.
- A look at the track-and-trace requirements of the federal Drug Supply Chain Security Act (DSCSA).
- A proposal to improve safe handling and disposal of oral chemotherapy drugs.
