

12/21/2016

WINTER 2016 ISSUE OF THE SCRIPT IS AVAILABLE

The California State Board of Pharmacy announces the publication today of the Winter 2016 issue of The Script.

The newsletter includes articles on:

- New pharmacy laws taking effect Jan. 1, 2017.
- The start of licensing for advanced practice pharmacists.
- New regulations related to compounding drugs.
- Broader authority for pharmacists to initiate and administer vaccines.
- Reporting immunizations to CAIR.
- Scholarships and loan repayment assistance available for pharmacists, pharmacy technicians and students.

Read the Winter 2016 issue of The Script online [here](#).
