

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This notice is to inform you of a product recall involving **Dexamethasone Sodium Phosphate Injection, USP 100mg/10mL (10mg/mL)** out of abundance of caution to prevent any risk.

This recall has been initiated due to out of specification impurity/degradants result observed during long term stability testing.

Distribution dates: 12/03/2024 to 03/12/2025
